Love Road To Calvary:

Contemplations and meditations on the Passion and Death, and on the Glorious Life of Our Lord Jesus Christ, according to the method of Saint Ignatius. Translated [from vol. 4 of C. M. A. de Brandt's "Méditations"] ... by a Sister of Mercy.

Revised by a Priest, S.J. [i.e. Frederick Hathaway.] 2nd edition Charles Michel Alexandre de BRANDT, 1870 **The Myth of**

a Christian Nation Gregory A. Boyd, 2009-05-18 The church was established to serve the world with Christ like love not to rule the world It is called to look like a corporate Jesus dying on the cross for those who crucified him not a religious version of Caesar It is called to manifest the kingdom of the cross in contrast to the kingdom of the sword Whenever the church has succeeded in gaining what most American evangelicals are now trying to get political power it has been disastrous both for the church and the culture Whenever the church picks up the sword it lays down the cross The present activity of the religious right is destroying the heart and soul of the evangelical church and destroying its unique witness to the world The church is to have a political voice but we are to have it the way Jesus had it by manifesting an alternative to the political power over way of doing life We are to transform the world by being willing to suffer for others exercising power under not by getting our way in society exercising power over A Christian Theology of the Cross Allen George, 2010-07-29 A

CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God's approval of Abel's offering and the establishment of the priesthood and names Genesis 4:7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4:9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel's offering don't negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance **Contemplations and meditations on the passion**
