The Tragedy of Reason David Roochnik, 2021-12-24 First Published in 1991 This book attempts to defend a conception of reason or to use the Greek word logos that I contend can be extracted from the dialogues of Plato The very notion of defending Plato may seem strange Why would a philosopher enshrined for centuries as classic need a defense A defense against whom and what charge What does it mean to defend an author so long dead Can he somehow be revived In other words what significance can a defense of Plato possibly attain for a contemporary audience

Dialogue of Love Eduardo J. Echeverria, 2010-01-01 The Dialogue of Love is written from the perspective of an evangelical Catholic Ecumenist

Raised Catholic but having responded to the Gospel at L Abri Fellowship in 1970 Eduardo J Echeverria's journey took the paths of Reformed and then Anglo Catholic Christianity on his way back to full communion with the Catholic Church in 1992 Engaging in ecumenical conversation as a committed Roman Catholic whose views have been shaped by among others Romano Guardini John Paul II and Joseph Ratzinger Benedict XVI the author discusses in an articulate bracing and constructive manner the positions of representative thinkers in the Dutch neo Calvinist tradition of Reformed Christianity Herman Bavinck G C Berkouwer and Herman Dooyeweerd Fundamental issues of ecclesiology meaning and truth sacramental theology the relation between the Church and the world nature and grace and issues on the relation of faith and reason are examined with the aim of achieving clarification and understanding Readers will experience ecumenical Dialogue not simply as an exchange of ideas but also as an exchange of gifts indeed a dialogue of love John Paul II **Reconciliation** James W. Dees, 2008-07-01 Appreciating the magnificence of Jesus gift is difficult How can you appreciate the magnificence of something that you cannot understand Logic a few recent scientific discoveries and two faith choices tell us the purpose of our mortal bodies provide evidence for the existence of our souls and define the nature of our souls Our mortal bodies provide a critical experience that our souls cannot obtain in any other way The nature of the world in which our souls exist as well as the nature of time is then described as well as why mortals and souls experience time differently The two faith choices used in conjunction with these scientific discoveries are that God is love and that we are being created in the image of God When all these things are considered it then becomes possible to understand the necessity and magnificence of Jesus sacrifice **Interpreting the Bible and the Qur'an through Love** Tareq Hesham Moqbel, 2025-10-16 This book investigates the role of love as an exegetical resource for interpreting the Bible and the Qur'an Through surveying the ways in which love was used to make sense of the Jewish Christian and Muslim Scriptures this book advocates and argues for a hermeneutical approach that reads the Bible and the Qur'an through the lens of love Engaging various exegetical authorities from the Jewish Christian and Muslim traditions Tareq Hesham Moqbel identifies numerous cases of love informed exegesis covering diverse themes and exegetical techniques The exegetical dialogue presented in this book shows that the idea of love takes on greater meaning when studied from the standpoint of comparative exegesis Moreover by analysing this topic through a comparative lens the book argues for a novel conceptualisation of love as an exegetical tool and a reading ethic that connects the Abrahamic scriptural traditions and can be applied beyond them **CEO, Please Love Me Gently** Liang ZhiMao, 2020-05-04 the man he loved the most was married to his sister and she was even going to marry another man who was seriously ill instead of this sister however on the day of the wedding the groom even released the pigeon leaving her to face the awkward situation rumor has it that this man was sick and also very sick but who could tell her who was the man who had torn her apart on their wedding night she had originally thought that she would be able to escape from that disgusting home but she didn't expect that she would end up in another tiger cave how could she protect herself **Oneida**

Ellen Wayland-Smith,2016-05-03 Amidst the religious fervor of the Second Great Awakening John Humphrey Noyes a spirited but socially awkward young man attracted a group of devoted followers with his fiery sermons about creating Jesus millennial kingdom here on earth Noyes and his followers built a large communal house in rural New York where they engaged in what Noyes called complex marriage an elaborate system of free love where sexual relations with multiple partners was encouraged Noyes was eventually inspired to institute a program of eugenics known as stirpiculture to breed a new generation of Oneidans from the best members of the Community many fathered by him When Noyes died in 1886 the Community disavowed Noyes disreputable sexual theories and embraced their thriving business of flatware Oneida Community Limited would go on to become one of the nation s leading manufacturers of silverware and their brand a coveted mark of middle class respectability in pre and post WWII America Told by a descendant of one of the Community s original families Oneida is a captivating story that straddles two centuries to reveal how a radical free love sect turning its back on its own ideals transformed into a purveyor of the white picket fence American dream **Eat Slay Love** Jesse

communicated with each other for centuries Fifty years later Pope Francis and Ecumenical Patriarch Bartholomew meet in Jerusalem to commemorate that historical event and celebrate the close relations that have developed through mutual exchanges of formal visits and an official theological dialogue that began in 1980 This book contains three unique chapters The first is a sketch of the behind the scenes challenges and negotiations that accompanied the meeting in 1964 detailing the immediate consequences of the event and setting the tone for the volume The second is an inspirational account interwoven with a scholarly evaluation of the work of the North American Standing Council on Orthodox Catholic relations over the past decades The third chapter presents a recently discovered reflection on the meeting that took place fifty years ago by one of the most important Orthodox theologians of the twentieth century expressing cautious optimism about the future of Christian unity

The Extermination of Love Emily Gerard,1901 **Love as Common Ground** Paul S. Fiddes,2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life

Courtliness and the History of Sexuality James Schultz corrects this oversight with careful analysis of key courtly texts of the medieval German literary tradition Courtly love Schultz finds was provoked not by the biological and intrinsic factors that play such a large role in our contemporary thinking about sexuality sex difference or desire but by extrinsic signs of class bodies that were visibly noble and behaviors that represented exemplary courtliness Individuals became subjects of courtly love only to the extent that their love took the shape of certain courtly roles such as singer lady or knight They hoped not only for physical union but also for the social distinction that comes from realizing these roles to perfection To an extraordinary extent courtly love represented the love of courtliness the eroticization of noble status and the courtly culture that celebrated noble power and refinement
