My Book is an inspirational devotional. It was written in order to help others going through hardships who just need a little something to encourage them. I hope that my trials and challenges in life will show in these devotions and readers will be moved by my words. The purpose of my book is to remind readers that God is always there for them. **Beginning With Christ** E. Stanley Jones, 2018-11-19

World changers do not appear out of a vacuum. They follow the path lit by those who walk before them. E. Stanley Jones was a man who spent his life lighting the path. A missionary evangelist to India, Jones became friends with Mahatma Gandhi. Upon the assassination of Gandhi, Jones penned a biography on his life. It is this biography that Dr. Martin Luther King Jr. credited with having inspired his non-violent resistance philosophy that would change the course of United States history, placing E. Stanley Jones as the link between these 20th-century world changers. E. Stanley Jones lived in and wrote for a complicated time. The 20th century saw not only the death, destruction, and horror of wars but also saw good resisting evil and the dignity of people standing together. In these complicated times of our own, these words still resonate with today. Perhaps these words can once again light the path for the world changers of the 21st century. Abingdon Press is releasing a new compilation of E. Stanley Jones' writings. *Beginning with Christ: Timeless Wisdom for Complicated Times* features selections from Jones' writings compiled by his granddaughter, Anne Mathews Younes. With a foreword from Adam Hamilton, this book offers you the companionship of the man who shared the table of fellowship with Gandhi and inspired world changers such as Martin Luther King Jr. and Billy Graham. This collection is timely because these reflections are timeless. *Beginning with Christ* offers you the opportunity to discover these writings for the first time or sit again at the feet of E. Stanley Jones.

The Christian Life, from Its Beginning, to Its Consummation in Glory, Together with the Several Means and Instruments of Christianity Conducing Thereunto Scott, 1739 **Astrology: A Hands-on Guide to Decoding Your Natal Chart (The Beginner's Guide to Using Planetary Cycles to Plan and Predict Your Day, Week, Year or Destiny)** Charles Daugherty, 101-01-01

Astrology is one of the oldest practices in the history of humanity. We were always enthralled by the stars. With that fascination came also understanding. The first astrologers started noticing patterns in the night sky and they established different systems of astrology. After all, the future is a never-ending source of interest for all of us. Don't mistake astrology for science. Astrology does have very well-defined principles and rules, but it operates on a different level. With astrology, we can understand emotional motivation and the life trajectory of individuals. Through different aspects and positions in a birth chart, we can tell a lot about the person and their path. With a great astrologer, you can gain insights that explain and help define your existence. By the time you finish this book, you'll walk away with a deeper understanding of who you are as a soul-led creator. A new relationship with abundance, one rooted in

sovereignty aligned with your unique blueprint and flowing with nature's intelligence. A practical and an intuitive framework for manifesting from within, not from trying harder but from aligning deeper. Finally, you'll know how to read planetary return charts, work with planetary retrogrades, and use eclipses to recognize major patterns and turning points in your life. If you are comfortable reading a birth chart, you are ready to move your chart into the future using transits. Instructions, tables, and worksheets will make tracking your transit cycles simple and exciting.
