questions and issues arose that we did not initially include in this resource We would often leave the counseling room that Friday come home and add or modify a section based on a situation we saw or anticipated seeing the next day in the intensive Though we have never made this tool available to anyone other than the couples we have personally worked with our clients have urged us to share this resource as they were genuinely moved and changed by the information contained herein What you hold in your hands is the result of this process This product was not developed in a classroom using a lot of relationship theory but rather forged in the crucible of real life situations and circumstances This resource is just the beginning of your journey through Relationship Success University For more information please visit RelationshipSuccessUniversity.com Tags relationships marriage relationships 101 marriage counseling christian marriage relationship rescue love healthy relationships **Marriage Counseling Handbook** George Thorman,1996
