We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *A Manual of Bible History* William Garden Blaikie, 1887 *A Manual of Bible History* William G. Blaikie, 2023-07-18 This comprehensive guide to the history of the Bible takes readers through the Old and New Testaments while contextualizing their place in history. Blaikie's analysis offers meaningful insight into the theological and cultural context of the Bible, making this book an invaluable guide for students and scholars alike. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *Manual of Bible History* Charles Baker, 18?? *Manual of Bible History, Etc.
