A Documentary History of the American Civil War Era Thomas C. Mackey,2013-05-20 A Documentary History of the American Civil War Era is the first comprehensive collection of public policy actions political speeches and judicial decisions related to the American Civil War This three volume set gives scholars and students easy access to the full texts of both the most important fundamental documents as well as hard to find rarely published primary sources on this critical period in U S history Volume 2 in the series Political Arguments presents the words of politicians political party platforms and administrative speeches It is divided into two sections The first Voices of the Politicians and Political Parties comprises the platforms of the major and some minor

parties from 1856 to 1876. Also included are such pieces as Robert E. Lee's letter of resignation from the U.S. Army, a few key speeches by that rising politician from Illinois Abraham Lincoln, and a letter on the American Question written by a European observer Karl Marx. Other items include examples of the 1860-1861 state ordinances of secession and addresses on emancipation and Reconstruction by Jefferson Davis and by the Republican leader in the House of Representatives Thaddeus Stevens. Section two, *Voices of the Administrations*, contains records from the presidencies of James Buchanan, Abraham Lincoln, Andrew Johnson, Ulysses S. Grant, and Rutherford B. Hayes, as well as a message from Confederate President Jefferson Davis telling his congress that the Southern cause was just and holy. Classic documents such as Lincoln's announcement of forthcoming emancipation and the Emancipation Proclamation are here, as are lesser known but important documents such as Francis Lieber's 1863 revised law code for war, General Order 100, and Attorney General James Speed's 1865 opinion supporting the Johnson administration's decision to try the Lincoln murder conspirators by special military commission and not in the civilian courts. Each of the selections in *Political Arguments* is preceded by editor Thomas Mackey's introductory headnotes that explain the document's historical significance and trace its lasting impact. These commentaries provide insight into not just law and public policy but also the broad sweep of issues important to Civil War era Americans.

A Documentary History of the American Civil War Era is an essential acquisition for academic and public libraries in addition to being a valuable resource for courses on the War and Reconstruction, legal history, political history, and nineteenth century American history. — *The American Civil War* Adam I. P. Smith, 2007-01-25

The American Civil War was by far the bloodiest conflict in American history. Arising out of a political crisis over the expansion of slavery, the war set the stage for the emergence of the modern American nation-state. This new interpretation of one of the most mythologized events in modern history combines narrative with analysis and an up-to-date assessment of the state of Civil War scholarship. *The American Civil War* emphasizes the importance of Northern public opinion in shaping the meaning and outcome of the crisis. Argues that the war exposed deep social and political divisions within as well as between North and South. Explores the experiences of ordinary soldiers and civilians and the political and cultural context in which they lived. Sets this distinctively American crisis over slavery and nationhood in the wider context of the nineteenth century world. Concise and authoritative, this is an indispensable introduction to a critical period in modern American history. — *A Companion to African American History* Alton Hornsby, Jr., 2008-04-15

A Companion to African American History is a collection of original and authoritative essays arranged thematically and topically covering a wide range of subjects from the seventeenth century to the present day. Analyzes the major sources and the most influential books and articles in the field. Includes discussions of globalization, region, migration, gender, class, and social forces that make up the broad cultural fabric of African American history. — *Hallowed Ground* James M. McPherson, 2009-02-04

James M. McPherson, the Pulitzer Prize winning author of *Battle Cry of Freedom* and arguably the finest Civil War historian in the world, walks us through the site of the bloodiest and perhaps most consequential

battle ever fought by Americans the Battle of Gettysburg The events that occurred at Gettysburg are etched into our collective memory as they served to change the course of the Civil War and with it the course of history More than any other place in the United States Gettysburg is indeed hallowed ground It s no surprise that it is one of the nation s most visited sites nearly two million annual visitors attracting tourists military buffs and students of American history McPherson who has led countless tours of Gettysburg over the years makes stops at Seminary Ridge the Peach Orchard Cemetery Hill and Little Round Top among other key locations He reflects on the meaning of the battle describes the events of those terrible three days in July 1863 and places the struggle in the greater context of American and world history Along the way he intersperses stories of his own encounters with the place over several decades as well as debunking several popular myths about the battle itself What brought those 165 000 soldiers 75 000 Confederate 90 000 Union to Gettysburg Why did they lock themselves in such a death grip across these once bucolic fields until 11 000 of them were killed or mortally wounded another 29 000 were wounded and survived and about 10 000 were missing mostly captured What was accomplished by all of this carnage Join James M McPherson on a walk across this hallowed ground as he encompasses the depth of meaning and historical impact of a place that helped define the nation s character I n a larger sense we can not dedicate we can not consecrate we can not hallow this ground The brave men living and dead who struggled here have consecrated it far above our power to add or detract President Abraham Lincoln Blacks in the United States Army Martha S.
