Mirko Und Franca Erzaehlung:

Mirko und Franca Hilde Spiel,1983 Mirko und Franca. Erzählung. (2. Aufl.) - (München): Nymphenburger (1980).
136 S. 8° Hilde Spiel,1980 *History of the Literary Cultures of East-Central Europe* Marcel Cornis-Pope,John
Neubauer,2006-09-13 Continuing the work undertaken in Vol 1 of the History of the Literary Cultures of East Central Europe
Vol 2 considers various topographic sites multicultural cities border areas cross cultural corridors multiethnic regions that
cut across national boundaries rendering them permeable to the flow of hybrid cultural messages By focusing on the literary
cultures of specific geographical locations this volume intends to put into practice a new type of comparative study
Traditional comparative literary studies establish transnational comparisons and contrasts but thereby reconfirm however
inadvertently the very national borders they play down This volume inverts the expansive momentum of comparative studies
towards ever broader regional European and world literary histories While the theater of this volume is still the literary
culture of East Central Europe the contributors focus on pinpointed local traditions and geographic nodal points Their
histories of Riga Plovdiv Timi oara or Budapest of Transylvania or the Danube corridor to take a few examples reveal how
each of these sites was during the last two hundred years a home for a variety of foreign or ethnic literary traditions next to
the one now dominant within the national borders By foregrounding such non national or hybrid traditions this volume pleads
for a diversification and pluralization of local and national histories A genuine comparatist revival of literary history should
involve the recognition that treading on native grounds means actually treading on grounds cultivated by diverse people
Mirko und Franca ; Erzaehlung Hilde Spiel,1980 **Austrian Exodus** Edward Timms,Ritchie Robertson,1995 Following
the German annexation of Austria in 1938 and the intensified persecution of the Jews the British and American governments
relaxed their restrictions on immigration and issued entry visas to tens of thousands of German speaking refugees The
resulting exodus can be seen as the most significant cultural migration of modern times For the majority of the refugees from
National Socialism came from educated backgrounds and they included some of the most gifted members of the cultural elite
The remarkable contributions made by refugees from Austria to the cultural life of the English speaking world form the
subject of this book which reviews the achievements both of refugee organisations and of outstanding individual authors
including Stefan Zweig Erich Fried Hilde Spiel Josef Fraenkel Felix Pollak and Elias Canetti Their commitment to the
struggle against fascism exemplified by the political cartoons of Joseph Otto Flatter also provided an inspiration for the
restoration of Austrian independence after the defeat of Nazi Germany Book Jacket **Modern Austrian Literature** ,1983
