

MODERN FEMINIST THOUGHT

FROM THE SECOND WAVE TO 'POST-FEMINISM'

Imelda Whelehan

Modern Feminist Thought From The Second Wave To Post Feminism

Prof. Julian Wolfreys

Modern Feminist Thought From The Second Wave To Post Feminism:

Modern Feminist Thought Imelda Whelehan, 1995-07 This introduction provides a critical survey of the dominant trends in Anglo American feminist thought since 1968 From the historical roots of second wave feminism to current debates about feminist theory and politics it sets out the different philosophies and political positions before relating them to feminism in the 1990s Chapters analyse issues such as sexuality representation consciousness raising and ideology from liberal socialist radical black and lesbian feminist perspectives Current crises which threaten to divide the women's movement are discussed such as men in feminism postmodernism and the notion of a backlash fuelled by detractors like Camille Paglia and Kate Roiphe Feminism, Postfeminism and Legal Theory Dorota Gozdecka, Anne Macduff, 2018-12-19 There is much debate about postfeminism what it is and its role in feminist politics Whilst postfeminism has become increasingly influential in the study of literature popular culture and philosophy it has so far received comparatively little attention in law This book aims to remedy this situation The book brings together feminist legal scholars working in different contexts to examine the idea of postfeminism and assess its contemporary relevance It explores a range of questions including the following Does postfeminism describe an age that follows modernism an age where identity politics has realised its goals and feminism is no longer needed Or does postfeminism describe the feminism of a postmodernist age where identity can mean anything at all Or differently again does the term capture a new feminism that discredits feminism and attempts to reshape its political consciousness And what might the answers to these questions mean for law and legal theory and a feminist politics of law reform Fairy Tales as Social Critique in Adaptations by Women Writers Laura Alexander, 2025-03-10 This collection considers how women writers subvert normative structures in their adaptations of fairy tales Though fairy tales as a genre have long been associated with conservative values writers like Anne Sexton Angela Carter and Emma Donoghue among others reimagine fairy tales as an instrument of social critique of traditional structures The essays in this collection consider the way women writers rewrite mythologies inherited from the past charting the decline of aristocratic systems and entrenched class structures Awkward Politics Carrie Smith-Prei, 2016-05-01 The increased use of digital tools for political activism has triggered heated debates about the effectiveness of digital campaigns for political change and feminist causes While technology's immediacy and transnational reach have broadened the potential impact of activism it has at the same time complicated the goals materiality and consumption of feminist actions In *Awkward Politics* Carrie Smith-Prei and Maria Stehle suggest that awkwardness offers a means of engaging with twenty first century feminist activism by accounting for the uncertainty of popfeminist moments and movements its sometimes illegible meanings affects and aesthetics By investigating transnational media ranging from popfeminist performance art music street activism blogs and hashtags to literature film academic theory and protests the authors demonstrate that viewing activist art through the lens of awkwardness can yield a nuanced critique By developing awkwardness into a theoretical tool for intervention a

key concept of feminist politics and a moving target this innovative study dramatically alters the ways in which we approach activism its forms movements and effects It also suggests a broad range of applicability from social movements to the academy Breaking new ground through the intersections of technology consumerism and the political in popfeminist work Awkward Politics highlights the urgency of feminist politics and activism

The women's liberation movement in Scotland Sarah Browne,2016-05-16 This is the first book length account of the women s liberation movement in Scotland which using documentary evidence and oral testimony charts the origins and development of this important social movement of the post 1945 period In doing so it reveals the inventiveness and fearlessness of feminist activism while also pointing towards the importance of considering the movement from the local and grassroots perspectives presenting a more optimistic account of the enduring legacy of women s liberation Not only does this book uncover the reach of the WLM but it also considers what case studies of women s liberation can tell us about the ways in which the development of the movement has been portrayed Previous accounts have tended to equate the fragmentation of the movement with weakness and decline This book challenges this conclusion arguing that fragmentation led to a diffusion of feminist ideas into wider society In the Scottish context it led to a lively and flourishing feminist culture where activists highlighted important issues such as abortion and violence against women

Postmodern Chick Flicks R. Garrett,2007-04-12 In this extensive analysis of the renewed popularity of the woman s film in the 1990s Roberta Garrett examines melodrama romantic comedy costume drama and female led noirs revealing the way they blend classical and contemporary themes and formal devices

Key Concepts in Literary Theory Julian Wolfreys,2013-12-11 A must have guide students of literary and critical studies wishing to improve their writing skills Presents definitions of the most significant terms and concepts currently used in psychoanalytic poststructuralist Marxist feminist and postcolonial l

Interrogating Postfeminism Yvonne Tasker,Diane Negra,2007-11-02 Feminist essays examining postfeminism in American and British popular culture

A Breath of Fresh Eyre Margarete Rubik,Elke Mettinger-Schartmann,2007 Contributions review a diverse range of works from postcolonial revision to postmodern fantasy from imaginary after lives to science fiction from plays and Hollywood movies to opera from lithographs and illustrated editions to comics and graphic novels

50 Key Concepts in Gender Studies Jane Pilcher,Imelda Whelehan,2004-04-10 The authors introduction gives an account of gender studies what it is and how it originated Their selection of topics is authoritative and the 50 entries reflect the complex multi faceted nature of the field in an accessible dictionary format

Turbo Chicks Lara Karaian,Lisa Bryn Rundle,Allyson Mitchell,2001 Energetic reflective often passionate Turbo Chicks clearly and powerfully demonstrates that feminism has many valid interpretations and that young and older feminist alike are vital to keeping the movement dynamic

A Crooked Line Geoff Eley,2008-12-18 Eley brilliantly probes transformations in the historians craft over the past four decades I found A Crooked Line engrossing insightful and inspiring Lizabeth Cohen author of A Consumers Republic A Crooked Line brilliantly captures the most significant shifts in

the landscape of historical scholarship that have occurred in the last four decades Part personal history part insightful analysis of key methodological and theoretical historiographical tendencies since the late 1960s always thoughtful and provocative Eley's book shows us why history matters to him and why it should also matter to us Robert Moeller University of California Irvine Part genealogy part diagnosis part memoir Eley's account of the histories of social and cultural history is a tour de force Antoinette Burton Professor of History and Catherine C and Bruce A Bastian Professor of Global and Transnational Studies University of Illinois Eley's reflections on the changing landscape of academic history in the last forty years will interest and benefit all students of the discipline Both a native informant and an analyst in this account Eley combines the two roles superbly to produce one of most engaging and compelling narratives of the recent history of History Dipesh Chakrabarty author of Provincializing Europe Using his own intellectual biography as a narrative device Geoff Eley tracks the evolution of historical understanding in our time from social history through the so called cultural turn and back again to a broad history of society A gifted writer Eley carefully winnows unique experiences from the universal and uses the interplay of the two to draw the reader toward an organic understanding of how historical thinking particularly the work of European historians has evolved under the influence of new ideas His work situates history within History and offers students scholars and general readers alike a richly detailed readable guide to the enduring value of historical ideas Geoff Eley is Professor of History at the University of Michigan Madonna's Drowned Worlds Santiago

Fouz-Hernandez,2017-07-05 Madonna is perhaps one of the most consistently transgressive and self transforming artists of the late 20th and early 21st centuries The recent release of two critically acclaimed and best selling albums and a sold out world tour have renewed media and academic interest in the artist Madonna presents a set of strikingly new challenges to cultural analysis and new developments in Gender Queer and Ethnic studies have shed more light on her entire oeuvre Whilst the contributors do refer to classic cultural theorists such as Baudrillard Zizek Foucault and Barthes new theoretical approaches to Madonna's work feature prominently In view of this the present volume offers new perspectives on Madonna's work to date addressing her configurations of race gender and sexuality and with special emphasis on her resurrection after the Sex backlash in the early 1990s The collection focuses on new Madonna related topics such as Hinduism Judaism Japanese culture All American culture Queer culture Motherhood and her influence on newer girl acts such as the Spice Girls and Britney Spears The book explores the themes of gender sexuality ethnicity and celebrity consumption through the lens of Madonna's songs videos and shows An international array of scholars portrays Madonna's popularisation of the notion that identity is not fixed and can be continuously rearranged and revamped The book should have wide appeal for all those concerned with gender studies cultural studies ethnic studies lesbian and gay musicology as well as popular music studies

Feminist Philosophy Herta Nagl-Docekal,2018-03-08 Are we in a post feminist era Has the term feminist grown out of its resisted stance What from today's standpoint is an appropriate concept of feminist philosophy And is it not the case that

all people thinking democratically must share its central concern In this book internationally acclaimed philosopher Herta Nagl Docekal discusses and critiques the theories of today Her study ranges across philosophical anthropology aesthetics philosophy of science the critique of reason political theory and philosophy of law Continually confronting the persistent problem of the hierarchical relations of the sexes Nagl Docekal affirms the importance of feminist thought as she presses for effective approaches to common problems **The Anthem Handbook of Screen Theory** Hunter Vaughan, Tom

Conley, 2018-07-30 The Anthem Handbook of Screen Theory offers a unique and progressive survey of screen theory and how it can be applied to a range of moving image texts and sociocultural contexts Focusing on the handbook angle the book includes only original essays from established authors in the field and new scholars on the cutting edge of helping screen theory evolve for the twenty first century vistas of new media social shifts and geopolitical change This method guarantees a strong foundation and clarity for the canon of film theory while also situating it as part of a larger genealogy of art theories and critical thought and reveals the relevance and utility of film theories and concepts to a wide array of expressive practices and specified arguments The Anthem Handbook of Screen Theory is at once inclusive applicable and a chance for writers to innovate and really play with where they think the field is can and should be heading *Social Theory in Popular Culture*

Lee Barron, 2017-09-16 Social theory can sometimes seem as though it s speaking of a world that existed long ago so why should we continue to study and discuss the theories of these dead white men Can their work still inform us about the way we live today Are they still relevant to our consumer focused celebrity crazy tattoo friendly world This book explains how the ideas of classical sociological theory can be understood and applied to everyday activities like listening to hip hop reading fashion magazines or watching reality TV Taking the reader through central sociological texts Social Theory In Popular Culture explains why key theorists from Marx to Saussure are still considered to be the bedrock of sociology and sociological enquiry Each chapter examines a different key thinker and applies their work to a recognisable aspect of popular cultural showing how the central issues underpinning classic social thought class conflict gender power ethnicity and social status can still be readily observed within the modern global world Encouraging the reader to critique and reflect upon the ways in which classic social theory applies to their own worlds this is the perfect antidote to dry social theory explanations It is an eye opening read for all students and scholars across the social sciences Companion to Feminist Studies Nancy A.

Naples, 2020-11-24 A comprehensive overview of feminist scholarship edited by an internationally recognized and leading figure in the field Companion to Feminist Studies provides a broad overview of the rich history and the multitude of approaches theories concepts and debates central to this dynamic interdisciplinary field Comprehensive yet accessible this edited volume offers expert insights from contributors of diverse academic national and activist backgrounds discussing contemporary research and themes while offering international postcolonial and intersectional perspectives on social political cultural and economic institutions social media social justice movements everyday discourse and more Organized

around three different dimensions of Feminist Studies the Companion begins by exploring ten theoretical frameworks including feminist epistemologies examining Marxist and Socialist Feminism the activism of radical feminists the contributions of Black feminist thought and interrelated approaches to the fluidity of gender and sexuality The second section focuses on methodologies and analytical frameworks developed by feminist scholars including empiricists economists ethnographers cultural analysts and historiographers The volume concludes with detailed discussion of the many ways in which pedagogy political ecology social justice globalization and other areas within Feminist Studies are shaped by feminism in practice A major contribution to scholarship on both the theoretical foundations and contemporary debates in the field this volume Provides an international and interdisciplinary range of the essays of high relevance to scholars students and practitioners alike Examines various historical and modern approaches to the analysis of gender and sexual differences Addresses timely issues such as the difference between radical and cultural feminism the lack of women working as scientists in academia and other research positions and how activism continues to reformulate feminist approaches Draws insight from the positionality of postcolonial comparative and transnational feminists Explores how gender class and race intersect to shape women's experiences and inform their perspectives Companion to Feminist Studies is an essential resource for students and faculty in Women's Gender and Sexuality Studies Feminist Studies programs and related disciplines including anthropology psychology history political science and sociology and for researchers scholars practitioners policymakers activists and advocates working on issues related to gender sexuality and social justice

The Bloomsbury Handbook of Food and Popular Culture Kathleen LeBesco, Peter Naccarato, 2017-12-14 The influence of food has grown rapidly as it has become more and more intertwined with popular culture in recent decades The Bloomsbury Handbook of Food and Popular Culture offers an authoritative comprehensive overview of and introduction to this growing field of research Bringing together over 20 original essays from leading experts including Amy Bentley Deborah Lupton Fabio Parasecoli and Isabelle de Solier its impressive breadth and depth serves to define the field of food and popular culture Divided into four parts the book covers Media and Communication including film television print media the Internet and emerging media Material Cultures of Eating including eating across the lifespan home cooking food retail restaurants and street food Aesthetics of Food including urban landscapes museums visual and performance arts Socio Political Considerations including popular discourses around food science waste nutrition ethical eating and food advocacy Each chapter outlines key theories and existing areas of research whilst providing historical context and considering possible future developments The Editors Introduction by Kathleen LeBesco and Peter Naccarato ensures cohesion and accessibility throughout A truly interdisciplinary ground breaking resource this book makes an invaluable contribution to the study of food and popular culture It will be an essential reference work for students researchers and scholars in food studies film and media studies communication studies sociology cultural studies and American studies

Islam and the West Sadia Zulfiqar, 2015-06-18

Islam like the West is not a homogenous monolith However Islam is most commonly represented in the West in terms of suicide bombing suppressed and veiled women and internal and external conflict These depictions of Islam suggest that the relationship between Islam and the West is and has always been one of hostility and hatred However this collection locates threads of connection and love between Islam and the West and argues that it is important to bring them to the forefront i

Key Concepts in Literary Theory Prof. Julian Wolfreys, 2006 Key Concepts in Literary Theory presents the student of literary and critical studies with a broad range of accessible precise and authoritative definitions of the most significant terms and concepts currently used in psychoanalytic poststructuralist Marxist feminist and postcolonial literary studies The volume also provides clear and useful discussions of the main areas of literary critical and cultural theory supported by bibliographies and an expanded chronology of major thinkers Accompanying the chronology are short biographies of major works by each critic or theorist The new edition of this reliable reference work is both revised and expanded including More than 70 additional terms and concepts defined from Absurdism and Aesop to Writerly texts and Zeugma Newly defined terms include keywords from the social sciences cultural studies and psychoanalysis and the addition of a broader selection of classical rhetorical terms An expanded chronology with additional entries and a broader historical and cultural range from Immanuel Kant and G W F Hegel to Camille Paglia and bell hooks Expanded bibliographies including key texts by major critics
