National Character In Action Intelligence Factors In Foreign Relations:

National Character in Action Washington Platt,1961 *National Character in Action* Washington Platt,2017-10-13

Excerpt from National Character in Action Intelligence Factors in Foreign Relations Nations differ in their national character as much as individuals differ in personal character For success in international relations it is just as profitable and indeed just as essential to understand the character of the nation with which one is dealing as it is to understand the character of an individual in personal dealings This maxim applies equally to friends neutrals and potential enemies In all aspects of international relations and especially in the formulation and implementation of foreign policy an intimate understanding of the character of other nations must always be one of the vital factors in the situation usually one of the first factors Such understanding becomes part of almost every phase of foreign policy planning and execution It is an essential element of any international problems whether the genesis of the problem be military diplomatic economic political psychological or cultural National character includes the predominant traits in the character of individuals within a nation the effective character of influential groups and finally the coalescence of individual and group desires when a people responds to a crisis as a nation The term national character has been chosen for the title of this book because it is widely used and generally understood Its exact meaning is developed in the first few sections of the text and in Appendix A About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

NATIONAL CHARACTER IN ACTION WASHINGTON. PLATT,2018 **Paradoxes of Strategic Intelligence** Richard

K. Betts,Thomas Mahnken,2004-08-02 Part of a three part collection in honour of the teachings of Michael I Handel one of the foremost strategists of the late 20th century this collection explores the paradoxes of intelligence analysis surprise and deception from both historical and theoretical perspectives *War, Strategy and Intelligence* Michael I. Handel,2012-11-12 Investigating the logic conduct and nature of war on the highest political and strategic levels these essays put less emphasis on operational and tactical aspects They look at the impact of technology on warfare the political nature of war and the limits of rational analysis in studying war **The intelligence revolution a historical perspective.** , The Washingtons.

Volume 6, Part 1 Justin Glenn,2014-09-05 Part of a series filled with gratifying detail about the ancestry of the first US President this volume contains the tenth generation descendants Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy Stonewall Jackson at Cedar Mountain and Lee's Colonels This is the sixth volume of Dr Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons the vast family originated by the immigrant John

Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington This volume contains the late nineteenth and twentieth century born descendants of John Washington s daughter Anne Washington Wright and as such transports the reader through many of the major historical events of those eras by providing the stories of the family members who lived through them Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country It is surprising that no comprehensive family history has been published Justin M Glenn s *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* *American Social Character* Rupert

Wilkinson,2019-03-04 This anthology features the writings of 17 important analysts of American character and culture From 1945 to the present this book includes selections by Charles Reich Christopher Lasch Philip Slater and many others There is a general introduction to the subject and each selection is preceded by an introduction and followed by a critical comme
