## **Open The Door And See All The People:**

Gleameyes Jeremiah Methuseleh, 2012-11-23 Is this the way the world ends Morritz Eroll and Alstair will say when it ends and not before     *Open the Door, See All the People* Daniel Stombaugh, Julie Keene, 2017-04-27 This is the church This is the steeple Open the doors See all of the people This is how it began As a child this was my introduction to the church my place in the church and the purpose of the church in the world around us The things we have experience in our journey in understanding God s heart for us are never covered within the concept of those four hand movements because God loves to operate out from behind closed doors In fact we have had it all wrong for a very long time We act out the little children s rhyme and when we Open the doors to see all of the people part we are looking within the walls as if the most important thing about the purpose of the church is what happens within The reality is the most important thing about the church is what it does without When we open the doors we should be looking out of the church to See all of the people The focus of the modern Christian in many cases has become more about what is going on within the church than upon what is going on without We have no trouble saying This is the church this is the steeple part but somewhere in the process of making those hand gestures we hit a snag We have a disconnect with our ability to effectively get everyone within the church with a steeple to open the doors We seem to feel a struggle with the Open the doors and see all the people part Opening a door starts with one person deciding a door needs to be opened and then doing something about it This book is an invitation to notice what we have missed     As You Seek so Shall You Find Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life As we evolve and grow spiritually we begin to search and seek for answers to some of the questions we have in our minds We look for the purpose of our existence and what that all means In seeking you find that there really is a higher purpose and that your soul yearns to find that The soul begins the process of awakening and begins its ascension back to its source This is the journey of the soul     **The Book With No Name** Bhaskar Pal,     **Heaven 3.0** Michael L. Mathews, 2012-09-06 If you have ever hoped that you could see or experience aspects of heaven while on earth then Heaven 3 0 is the book for you Heaven has begun reigning down Gods messages glory and revelation as every day circumstances allow people to witness God promises about heaven Consider just two facts matched against Gods promises 1 every day in the world over 770 people witness a glimpse of heaven through a near death experience and 2 Millions of people around the world have switched their religious beliefs based on a heavenly dream they experienced Documented stories like these allow humanity to touch heaven and see another generational cycle of truth about heaven Heaven 3 0 allows readers to realize we are entering a 3rd generation of knowledge about the greatest place know to every person who has and will walk planet earth and that place is called heaven Heaven 3 0 will challenge delight and inform every reader about their opportunity to enter into full view of Gods promises God informs us to watch for signs and wonders in the heavens Acts 2 19 and that the Heavens would open up and rain down righteousness Isaiah 45 8 Heaven 3 0 allows

readers to enjoy the promise of heaven and realize that the advances of the world are not just for physical things such as technology media and entertainment but also for the things that pertain to the Kingdom of Heaven Both Heaven as well as earth advance and the Author of Heaven 3 0 encourages you to see and believe in the advancement while staying connected to scriptural truth This advancement allows anyone who is willing to see and believe that the common ground and destiny called heaven was prepared for people of every tribe tongue and nation
