Queer Dutchman:

The Queer Dutchman Castaway on Ascension Jan Svilt, 1978 *A Dutch Castaway on Ascension Island in 1725* Alex Ritsema, 2010-09-13 On 5 May 1725 a Dutch ship's officer Leendert Hasenbosch was set ashore on the desert island of Ascension in the South Atlantic Ocean as a punishment for sodomy. He tried to survive on turtles and birds but found very little water on the barren island. He wrote a diary. He probably died after about half a year. In January 1726 British mariners found his tent, diary and other things and brought the diary to England. In 1726 a first English version of the diary of the Dutch castaway was published. Other versions followed in 1728, 1730 and 1976. Who was the castaway? The truth was disclosed by the Dutch historian Michiel Koolbergen in 1953. In 2002, in a posthumously published book in Dutch. With the support of Michiel Koolbergen's family and publisher, this new book discloses the truth in English. This book is the second edition with some improvements compared to the original edition of 2006. This book is illustrated with line drawings, both historic ones and by the Dutch artist Anneke de Vries. *Whispers from the Fleet* Christopher Cradock, 1907 Bog med praktiske vink og forklaringer om alt hvad der foregik ombord skrevet til de 650 kadetter der sejlede på BRITANNIA 1896-99 *Walking The Hudson* Cy A Adler, 2012-04-16 Reveals the beauty and wonder of one of America's most familiar yet least appreciated waterways and shorelines. Ruth Messinger, former Manhattan borough president, Cy Adler authored the first complete guide to walking from the southern tip of Manhattan at Battery Park all the way up to Bear Mountain near West Point. With all the new changes to the West Side of Manhattan since that guide was published, *Walking the Hudson*, the new and fully revised guide to this fabulous route will be much appreciated by walkers, history buffs and anyone who wants to experience this great area up close and under their own power. The route is nicely broken into segments of 2-9 miles each so one can walk as little or as much of the route as desired at a time. The average walker can finish the entire route in two to four days.

Dutchman's Flat Louis L'Amour, 2004-03-02 TURN HOME RIDER In this land the place you leave behind might not be there when you get back. At least not the way you knew it. Tack Gentry of the G Bar Chat Lock of Dutchman's Flat and Ward McQueen of the Tumbling K knew how it felt to struggle against men who were trying to take from them what they believed in. For the bad rush in when the good leave and men will choose to fight not just over drunken threats, gambling losses and honor but for land, friendships, family and even love. A struggle magnificently captured in these eleven great stories written and handpicked by the incomparable Louis L'Amour himself. *Rambleton* Charles Sealsfield, 1847 *Famous Old-world Sea Fighters* Charles Lee Lewis, 1929 *The Burgher and the Whore* Lotte van de Pol, 2011-03-31 Amsterdam was after London and Paris the third largest city in early modern Europe and was renowned throughout Europe for its widespread and visible prostitution. Delving deep into a wide range of sources but making particular use of the transcripts of thousands of trials, *The Burgher and the Whore* reconstructs Amsterdam's whoredom in detail. The colourful and fascinating descriptions of the prostitutes, their bawds, their clients and the police shed new light on the cultural, social and economic conditions of the

lives of poor women in a seafaring society Lotte van de Pol explores how the vice trade was embedded in Amsterdam's society economy and judicial system and how legislation and policing were shaped by misogynist attitudes towards women and fear of God's wrath and venereal diseases towards sex The story concentrates on the people living at the margins of a rich metropolis in which there was a large surplus of women many of them poor immigrants with little prospect of marriage Many changes are visible in the 150 years underscrutiny including the view of prostitution from immorality to trade and of prostitutes from whores and criminals to paupers The result is a book that can be read as the history of the Dutch Golden Age from below

Legend of Dutchman's Mine Jethro Kyle, 2017-05-01 Sheriff Thomas of the small town of Fenton's Creek is exceedingly puzzled when an elderly recluse is murdered This first murder is followed swiftly by another and it soon seems that Fenton's Creek is at the centre of an affair which has even the government in Washington alarmed Into this maelstrom of violence comes young Harriet Thorndike from Boston She knows nothing of what is going on and has only arrived in the town to attend her uncle's funeral In no time at all her own life is also in jeopardy and she soon finds herself caught up in a desperate search for the treasure which is said to lie up in the Superstition Mountains of Arizona
