

What are religious attitudes to social justice?

**BLACK
LIVES
MATTER**

STARTER:

Challenge: What do you think we mean by the term 'social justice'?

More challenging: How would you expect Christians or Muslims to react towards 1) the BLM movement 2) Feminist movements.

Mega challenge: Explain whether any social justice movements you can think of could clash with some conservative religious ideas.

Religion And Social Justice

John D'Arcy May

Religion And Social Justice:

Religion and Social Justice S. Thakur, 1996-10-04 This book is a philosophical examination of the relationship between religion and social justice Its main thesis is that since the primary purpose of religion is the moral and spiritual transformation of human nature it ought not to be construed as a direct instrument of social justice on earth as it is by Liberation theologians for example as well as by many liberal Christians and Jews Indirectly however religion may well be a pre condition of social justice For it can be argued that without the counteracting effects of the moral and spiritual values prescribed by religion the liberal vision of individual rights and social justice may be self defeating Humanity is best served if this liberal vision is counterbalanced by the completely contrary utopia enshrined in the biblical idea of the kingdom of God and its equivalents in the other great religions of the world Religion and Social Justice Shivesh Chandra Thakur, 1996

Christian Faith and Social Justice: Five Views Vic McCracken, 2014-06-19 The Judeo Christian tradition testifies to a God that cries out demanding that justice roll down like waters righteousness like an ever flowing stream Amos 5 24 Christians agree that being advocates for justice is critical to the Christian witness And yet one need not look widely to see that Christians disagree about what social justice entails What does justice have to do with healthcare reform illegal immigration and same sex marriage Should Christians support tax policies that effectively require wealthy individuals to fund programs that benefit the poor Does justice require that we acknowledge and address the inequalities borne out of histories of gender and ethnic exclusivity Is the Christian vision distinct from non Christian visions of social justice Christians disagree over the proper answer to these questions In short Christians agree that justice is important but disagree about what a commitment to justice means Christian Faith and Social Justice makes sense of the disagreements among Christians over the meaning of justice by bringing together five highly regarded Christian philosophers to introduce and defend rival perspectives on social justice in the Christian tradition While it aspires to offer a lucid introduction to these theories the purpose of this book is more than informative It is purposefully dialogical and is structured so that contributors are able to model for the reader reasoned exchange among philosophers who disagree about the meaning of social justice The hope is that the reader is left with a better understanding of range of perspectives in the Christian tradition about social justice **Religion and Social**

Justice For Immigrants Pierrette Hondagneu-Sotelo, 2006-10-18 Religion has jumped into the sphere of global and domestic politics in ways that few would have imagined a century ago Some expected that religion would die as modernity flourished Instead it now stares at us almost daily from the front pages of newspapers and television broadcasts Although it is usually stories about the Christian Right or conservative Islam that grab headlines there are many religious activists of other political persuasions that are working quietly for social justice This book examines how religious immigrants and religious activists are working for equitable treatment for immigrants in the United States The essays in this book analyze the different ways in which organized religion provides immigrants with an arena for mobilization civic participation and

solidarity Contributors explore topics including how non Western religious groups such as the Vietnamese Caodai are striving for community recognition and addressing problems such as racism economic issues and the politics of diaspora how interfaith groups organize religious people into immigrant civil rights activists at the U S Mexican border and how Catholic groups advocate governmental legislation and policies on behalf of refugees Christianity and Social Justice Jon Harris,2022-03-04 Christianity and Social Justice is everything Christians need to understand and answer the social justice movement in one book From its history secular manifestations and Christian variations Jon Harris thoroughly describes the movement shows how it threatens orthodoxy and offers powerful responses **Religion as social justice (lects.)**. Malcolm MacCallum,1915 The Wiley-Blackwell Companion to Religion and Social Justice Michael D. Palmer,Stanley M. Burgess,2020-04-13 The Wiley Blackwell Companion to Religion and Social Justice brings together a team of distinguished scholars to provide a comprehensive and comparative account of social justice in the major religious traditions The first publication to offer a comparative study of social justice for each of the major world religions exploring viewpoints within Christianity Islam Judaism Hinduism Buddhism and Confucianism Offers a unique and enlightening volume for those studying religion and social justice a crucially important subject within the history of religion and a significant area of academic study in the field Brings together the beliefs of individual traditions in a comprehensive explanatory and informative style All essays are newly commissioned and written by eminent scholars in the field Benefits from a distinctive four part organization with sections on major religions religious movements and themes indigenous people and issues of social justice from colonialism to civil rights and AIDS through to environmental concerns **Religion and Social Justice** Sherwood Eddy,1927

Social Justice and the Churches John D'Arcy May,2014-12-31 Social justice is not just a matter of applying well known first principles shared by all Christian traditions As these papers by representatives of seven Australian Churches show Christian approaches to social justice are strikingly distinctive both in their starting points and in the positions arrived at on urgent matters of human rights sexual ethics and economic justice Led off by the well known Jesuit human rights advocate Professor Frank Brennan the book includes contributions by Fr Max Vodola Roman Catholic Revd Gerard Rose Churches of Christ Revd Geoff Pound Baptist Revd Raymond Cleary Anglican Mark Zirnsak Uniting Church Major Jenny Begent Salvation Army and Fr Shenouda Boutros Coptic Orthodox Church with concluding reflections by Margaret Coffey ABC Radio National This book is the work of the Yarra Institute for Religion and Social Policy an independent ecumenical organisation promoting scholarship and research on Christian social traditions as they bear on current concerns Launched in 2009 by Professor Brian Howe the Yarra Institute is committed to engaging with our broader culture collaboratively to promote human wellbeing The authors of these chapters come from seven of the Christian traditions which have theological Colleges comprising the University of Divinity in Melbourne *Christian Faith and Social Justice* Vic McCracken, The Judeo Christian tradition testifies to a God that cries out demanding that justice roll down like waters righteousness like an ever flowing

stream Amos 5 24 Christians agree that being advocates for justice is critical to the Christian witness And yet one need not look widely to see that Christians disagree about what social justice entails What does justice have to do with healthcare reform illegal immigration and same sex marriage Should Christians support tax policies that effectively require wealthy individuals to fund programs that benefit the poor Does justice require that we acknowledge and address the inequalities borne out of histories of gender and ethnic exclusivity Is the Christian vision distinct from non Christian visions of social justice Christians disagree over the proper answer to these questions In short Christians agree that justice is important but disagree about what a commitment to justice means Christian Faith and Social Justice makes sense of the disagreements among Christians over the meaning of justice by bringing together five highly regarded Christian philosophers to introduce and defend rival perspectives on social justice in the Christian tradition The positions advocated and critiqued are libertarianism political liberalism liberation theology feminism and virtue ethics While it aspires to offer a lucid introduction to these theories the purpose of this book is more than informative It is purposefully dialogical and is structured so that contributors are able to model for the reader reasoned exchange among philosophers who disagree about the meaning of social justice The hope is that the reader is left with a better understanding of range of perspectives in the Christian tradition about social justice
