

Ian Reader Religion in Contemporary Japan

Religion Contemporary Japan Pr

Ioannis Gaitanidis

Religion Contemporary Japan Pr:

Religion in Contemporary Japan Ian Reader, 1991-04-01 What role does religion play in contemporary Japanese society and in the lives of Japanese people today This text examines the major areas in which the Japanese participate in religious events the role of religion in the social system and the underlying views within the Japanese religious world Through a series of case studies of religion in action at crowded temples and festivals in austere Zen meditation halls at home and at work at dramatic fire rituals it illustrates the immense variety energy and colour inherent in Japanese religion It also discusses the continued relevance and responses of religion in a rapidly modernizing and changing society *Religion and Politics in Contemporary Japan* Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level **The Category of 'Religion' in Contemporary Japan** Mitsutoshi Horii, 2018-04-17 This book critically examines the term religion sh ky as a social category within the sociological context of contemporary Japan Whereas the nineteenth century construction of sh ky has been critically studied by many the same critical approach has not been extended to the contemporary context of the Japanese language discourse on sh ky and Temple Buddhism This work aims to unveil the norms and imperatives which govern the utilization of the term sh ky in the specific context of modern day Japan with a particular focus upon Temple Buddhism The author draws on a number of popular publications in Japanese many of which have been written by Buddhist priests In addition the book offers rich interview material from conversations with Buddhist priests Readers will gain insights into the critical deconstruction the historicization and the study of social classification system of religion in terms of its cross cultural application to the contemporary Japanese context The book will be of interest to students and scholars across a range of disciplines including Japanese Studies Buddhology Religious Studies Social Anthropology and Sociology **Handbook of Contemporary Japanese Religions** , 2012-09-03 Representing work by some of the leading scholars in the field the chapters of this handbook survey the transformation and innovation of religious traditions and practices in contemporary Japan Readers will find lively scholarly studies about changes in the traditional institutions of Buddhism and Shinto vivid examples of social activism as well as the so called new religions examination of the relationship between religion and the state and analysis of the religiosity of individuals encompassed by spirituality pilgrimage and tourism and the marketing of religions This groundbreaking collection of scholarly papers helps to

map out the fascinating complexity and dynamism of religion in contemporary Japanese society and culture **Japanese New Religions in Global Perspective** Peter B Clarke, Peter B. Clarke, 2013-11-05 Since the 1960s virtually every part of the world has seen the arrival and establishment of Japanese new religious movements a process that has followed quickly on the heels of the most active period of Japanese economic expansion overseas This book examines the nature and extent of this religious expansion outside Japan **Religion and Psychotherapy in Modern Japan** Christopher Harding, Iwata Fumiaki, Yoshinaga Shin'ichi, 2014-09-15 Since the late nineteenth century religious ideas and practices in Japan have become increasingly intertwined with those associated with mental health and healing This relationship developed against the backdrop of a far broader and deeply consequential meeting between Japan's long standing Chinese influenced intellectual and institutional forms and the politics science philosophy and religion of the post Enlightenment West In striving to craft a modern society and culture that could exist on terms with rather than be subsumed by western power and influence Japan became home to a religion psy dialogue informed by pressing political priorities and rapidly shifting cultural concerns This book provides a historically contextualized introduction to the dialogue between religion and psychotherapy in modern Japan In doing so it draws out connections between developments in medicine government policy Japanese religion and spirituality social and cultural criticism regional dynamics and gender relations The chapters all focus on the meeting and intermingling of religious with psychotherapeutic ideas and draw on a wide range of case studies including how temple and shrine cures of early modern Japan fared in the light of German neuropsychiatry how Japanese Buddhist theories of mind body and self cultivation negotiated with the findings of western medicine how Buddhists Christians and other organizations and groups drew and redrew the lines between religious praxis and psychological healing how major European therapies such as Freud's fed into self consciously Japanese analyses of and treatments for the ills of the age and how distress suffering and individuality came to be reinterpreted across the twentieth and early twenty first centuries from the southern islands of Okinawa to the devastated northern neighbourhoods of the Tohoku region after the earthquake tsunami and nuclear disasters of March 2011 Religion and Psychotherapy in Modern Japan will be welcomed by students and scholars working across a broad range of subjects including Japanese culture and society religious studies psychology and psychotherapy mental health and international history Spirits and Animism in Contemporary Japan Fabio Rambelli, 2019-05-23 This book draws attention to a striking aspect of contemporary Japanese culture the prevalence of discussions and representations of spirits tama or tamashii Ancestor cults have played a central role in Japanese culture and religion for many centuries in recent decades however other phenomena have expanded and diversified the realm of Japanese animism For example many manga anime TV shows literature and art works deal with spirits ghosts or with an invisible dimension of reality International contributors ask to what extent these are cultural forms created by the media for consumption rather than manifestations of traditional ancestral spirituality in their adaptations to contemporary society Spirits and Animism in Contemporary Japan

considers the modes of representations and the possible cultural meanings of spirits as well as the metaphysical implications of contemporary Japanese ideas about spirits. The chapters offer analyses of specific cases of animistic attitudes in which the presence of spirits and spiritual forces is alleged and attempt to trace cultural genealogies of those attitudes. In particular, they present various modes of representation of spirits in contemporary art, architecture, visual culture, cinema, literature, diffuse spirituality, while at the same time addressing their underlying intellectual and religious assumptions.

Modern Japan Louis G. Perez, R. W. Purdy, 2024-05-30 Organized by theme, this comprehensive encyclopedia examines all aspects of life in Japan from geography and government to food and etiquette and much more. Japan, or the Land of the Rising Sun, is home to more than 126 million people, nearly 10 million of whom live in Tokyo alone. How did this tiny island nation become such a powerhouse in the 21st century and where will it go from here? *Modern Japan* examines history and contemporary life through thematic entries organized into chapters covering such topics as geography, history, government and politics, economy, religion, and thought, social classes and ethnicity, gender, marriage and sexuality, education, language, etiquette, literature and drama, art and architecture, music and dance, food, leisure and sports, and media and popular culture. Each chapter contains an overview of the topic and alphabetized entries on examples of each theme. A chronology covers from prehistoric times to the present, and special appendices offer profiles of a typical day in the life of representative members of Japanese society, key facts and figures about Japan, and a holiday chart. This volume is ideal for students researching Japan as well as general readers interested in learning more about the country.

Religion and Society in Modern Japan Mark Mullins, Susumu Shimazono, Paul Loren Swanson, 1993 Designed for classroom study, this anthology provides the students with interpretations and perspectives on the significance of religion in modern Japan. Emphasis is placed on the sociocultural expressions of religion in everyday life rather than on religious texts or traditions. A particular strength of this collection is the combination of current Japanese and Western scholarship.

Modern Japan Mikiso Hane, 2018-03-09 Integrating political events with cultural, economic, and intellectual movements, *Modern Japan* provides a balanced and authoritative survey of modern Japanese history. A summary of Japan's early history, emphasizing institutions and systems that influenced Japanese society, provides a well-rounded introduction to this essential volume, which focuses on the Tokugawa period to the present. The fifth edition of *Modern Japan* is updated throughout to include the latest information on Japan's international relations, including secret diplomatic correspondence recently disclosed on WikiLeaks. This edition brings Japanese history up to date in the post-9/11 era, detailing current issues such as the impact of the Gulf Wars on Japanese international relations, the March 2011 earthquake, tsunami, and subsequent nuclear accident, the recent tumultuous change of political leadership, and Japan's current economic and global status. An updated chronological chart, list of prime ministers, and bibliography are also included.

On Being Nonreligious in Contemporary Japan Ian Reader, Clark Chilson, 2025-06-12 Challenging the notion of the nonreligious in Japan, being religious through tradition and institution, this book demonstrates how negativity and

antipathy for religion relate to religious decline in Japan today Why do most Japanese say they are nonreligious mushukyo Since the 1990s scholars have answered this key question for understanding religion in contemporary Japan as follows although the Japanese say they are nonreligious because they do not identify with a particular religious tradition or institution they are in fact religious through their traditional practices New Year's visits to Shinto Shrines Buddhist mortuary rites and festivals matsuri are typically seen as customs rather than as religious Challenging this answer this book argues that many Japanese say they are nonreligious because they actually dislike religion and want to distance themselves from it To support this argument the book explores how religion is in decline in Japan today Demonstrating how negative images of religion are produced in the mainstream media in popular culture and by various groups and people this book also explores specific case studies such as anti cult organizations lawyers government agencies intellectuals and religious organizations Ian Reader and Clark Chilson argue that popular negative images and perceptions about religion create an ecology of dislike which encourages disassociation from religion and exacerbates problems for religions today Overall this book provides a new perspective on religion in contemporary Japan that has implications for our understanding of secularization in the modern world

Shinto, Nature and Ideology in Contemporary Japan Aike P. Rots, 2017-09-07 Shinto Nature and Ideology in Contemporary Japan is the first systematic study of Shinto's environmental turn The book traces the development in recent decades of the idea of Shinto as an ancient nature religion and a resource for overcoming environmental problems The volume shows how these ideas gradually achieved popularity among scientists priests Shinto related new religious movements and eventually the conservative shrine establishment Aike P Rots argues that central to this development is the notion of chinju no mori the sacred groves surrounding many Shinto shrines Although initially used to refer to remaining areas of primary or secondary forest today the term has come to be extended to any sort of shrine land signifying not only historical and ecological continuity but also abstract values such as community spirit patriotism and traditional culture The book shows how Shinto's environmental turn has also provided legitimacy internationally influenced by the global discourse on religion and ecology in recent years the Shinto establishment has actively engaged with international organizations devoted to the conservation of sacred sites Shinto sacred forests thus carry significance locally as well as nationally and internationally and figure prominently in attempts to reposition Shinto in the centre of public space

Spirituality and Alternativity in Contemporary Japan Ioannis Gaitanidis, 2022-10-20 This book critically analyses the creation and effects of spirituality as both discourse and practice in Japan It shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this new spirituality culture by spiritual therapists who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field and by the cruel optimism of an increasingly precarious workforce placing its hopes in the imagined alternative that the supirichuaru represents Ioannis

Gaitanidis offers a new transdisciplinary conceptualisation of alternativivity that can be applied across and beyond the disciplines of religious studies media studies popular culture studies and the anthropology sociology of medicine

Bibliography of Japanese New Religious Movements Peter B Clarke,2013-12-16 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership **Bibliography of Japanese New Religions, with Annotations and an Introduction to Japanese New Religions at Home and Abroad** Peter Bernard Clarke,1999 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications braches worldwide and membership **Ritual Practice in Modern Japan** Satsuki Kawano,2005-03-31 National surveys indicate that most Japanese while professing no religious commitment frequently perform rituals They regularly tend their family home altars look after family graves participate in neighborhood festivals and visit Shinto shrines and Buddhist temples Are these rituals mere formalities Based on fourteen months of fieldwork in Kamakura city near Tokyo Satsuki Kawano examines the power of ritual and its relevance for modern urbanites She reveals the indebtedness of ritual to forms that create an elevated context and infuse the mundane with a sense of moral order By employing acts and environments common to everyday life Kawano argues ritual evokes morally positive values such as purity gratitude respect and indebtedness Rather than objectify morality in a sacred text or religious doctrine ritual embodies and emplaces a sense of what it means to be a good person and creates moments of personal significance and engagement In Kamakura belief is therefore a consequence and not a prerequisite of ritual engagement Ritual Practice in Modern Japan effectively challenges the widespread assumption that ritual in non Western societies has little moral significance and that with modernization traditional practices inevitably disappear This is a book that will interest scholars and students of cultural anthropology ritual studies and Japanese studies *Modern Japan, Student Economy Edition* Mikiso Hane,2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments *Religions in the Modern World* Christopher Partridge,Linda Woodhead,Hiroko Kawanami,2003-09-02 This comprehensive guide offers an unrivalled introduction to recent work in the study of religion from the religious traditions of Asia and the West to new forms of religion and spirituality such as New Age With an historical introduction to each religion and detailed analysis of its place in the modern world Religions in the Modern World is ideal for newcomers to the study of religion It incorporates case studies and anecdotes text extracts chapter menus and end of chapter summaries glossaries and annotated further reading sections Topics covered include religion colonialism and postcolonialism religious nationalism women and religion religion and globalization religion and authority the rise of new spiritualities Religions in the Modern World Linda Woodhead,2002 This comprehensive

guide offers an unrivalled introduction to recent work in the study of religion from the religious traditions of Asia and the West to new forms of religion and spirituality such as New Age With an historical introduction to each religion and detailed analysis of its place in the modern world Religions in the Modern World is ideal for newcomers to the study of religion It incorporates case studies and anecdotes text extracts chapter menus and end of chapter summaries glossaries and annotated further reading sections Topics covered include religion colonialism and postcolonialism religious nationalism women and religion religion and globalization religion and authority the rise of new spiritualities *The Teaching and Teachings of Temple Buddhism in Contemporary Japan* Stephen G. Covell, 2024-10-31 How have Buddhist teachings come to be in modern and contemporary Japan and how are they taught This pioneering work seeks to answer these questions by highlighting the public teachings of Temple Buddhism institutions in particular Temple Buddhism kindergartens and Buddhist secondary schools and colleges The community outreach provided by these Buddhist facilities is far greater than any other with the possible exception of funerals yet until now it has received little attention from scholars of Japanese religion After determining what is taught in Buddhist education and how Stephen Covell introduces readers to a select group of monks who undergo some of the most grueling practices in Japanese Temple Buddhism to determine if the public facing teachings of Buddhist education are unique or similar to those of elite Buddhist practitioners The teachings and sites of teaching examined here include but are not limited to classical doctrinal studies and temples focused on the education of Buddhist clergy Covell uncovers the arguments made by priests involved in morals education the dharma talks of famous ascetics and the ways in which laws and legal codes have changed Buddhist education He looks at what is taught on the ground online and in popular texts to discuss the current teachings embraced as Buddhism within the institutions of Temple Buddhism Among his numerous findings is such teachings and worldview are remarkably similar to those of New Religions and Buddhist lay movements as outlined by Japan religion scholars and government bodies in charge of education The Teaching and Teachings of Temple Buddhism in Contemporary Japan will be welcomed by students and scholars in Japanese religious studies and early childhood and higher education as well as those interested in current Buddhist practice and teachings in general

Religion Contemporary Japan Pr Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion Contemporary Japan Pr has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion Contemporary Japan Pr has opened up a world of possibilities. Downloading Religion Contemporary Japan Pr provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion Contemporary Japan Pr has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion Contemporary Japan Pr. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion Contemporary Japan Pr. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion Contemporary Japan Pr, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion Contemporary Japan Pr has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion Contemporary Japan Pr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion Contemporary Japan Pr is one of the best book in our library for free trial. We provide copy of Religion Contemporary Japan Pr in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion Contemporary Japan Pr. Where to download Religion Contemporary Japan Pr online for free? Are you looking for Religion Contemporary Japan Pr PDF? This is definitely going to save you time and cash in something you should think about.
