**Islamic Revival Since 1988** Yvonne Y. Haddad, John L. Esposito, 1997-07-16 Designed as a useful reference tool to help students educators and diplomats maneuver through scholarly literature as well as primary sources published in English between 1989 and 1994 this work seeks to help the researcher make sense of the explosion of literature on this often contentious topic In addition to surveying the literature on Islamic revival worldwide it provides commentary on literature pertaining to important topics such as the role of women in Islam Islamic economics and the migration of Muslims to western Europe and North America This work is a continuation of the first edition published by Greenwood in 1991 I The Contemporary Islamic Revival R Governments policymakers and experts around the world are debating whether contemporary Islamic revival in particular Islamic Fundamentalism is a diverse and multifaceted phenomenon or a uniformly clear and present danger to be consistently and persistently repressed or eradicated Some propose that there are means of cooperation collaboration or co optation with those who adhere to it while others see it as a menace warning of a clash of civilizations and of an Islamic population explosion which poses a demographic threat to national security and world peace

**From the Beginning** Betty Jane Bailey, 1992 **Conflicts and Challenges in the Middle East** Ho-Don Yan, Oscar Bajo-Rubio, Diana S. Kwan, Fu-Lai Tony Yu, 2024-08-22 This book examines religious political and economic conflicts in the Middle East Written by experts and scholars from various fields it provides a better understanding of the interwoven impact among religious political and economic conflicts in the Middle East The contributions cover the most important and controversial issues in world affairs including confrontations between Christianity and Islam and between Sunnis and Shiites the disputes between Israel and Palestine the Russian Ukrainian War ISIS competition for oil resources the Muslim Brotherhood refugee entrepreneurs human trafficking and women's empowerment etc The book is an important reference

work on the Middle East It appeals to scholars and students of Middle East studies international relations peace and conflicts studies and related fields as well as practitioners and policymakers *The American Journal of Islamic Social Sciences* ,1999 **Politics in a Religious World** Eric Patterson,2011-09-29 Politics in a Religious World examines why US diplomacy often misunderstands if not ignores the role of religion in international conflicts After the Cold War it became evident that religion was a key factor in many conflicts including Bosnia Rwanda and Afghanistan However the US failed to correctly appreciate this role for example predicting the failure of the Iranian theocrats in 1979 Today most of the security and foreign relations challenges faced by the US are infused with religious factors from its relations with Iran to the Iraq war and jihadist terrorists Religion however can also play a transnational role when it comes to human rights conflict resolution and political mobilization Written by an expert in the field the book analyzes why the US deliberately avoids the religious dimension of international affairs and proposes a comprehensive approach to a religiously literate US foreign policy Politics in a Religious World addresses a needed area and will appeal to anyone studying US foreign policy as well as the interaction of religion and international affairs *CURRENT CONTENTS* ,1994 Bowker's Complete Video Directory 2001 ,2001

*Understanding the Volatile and Dangerous Middle East* Steven Carol,2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East* **Democracy Versus Dictatorship** Emmanuel Dolo,1996-05-07 This book is a study of the deportation of African Americans to Liberia and the oppression that this deportation caused It describes the tensions that developed between indigenous people and settlers Dolo details the events leading to the civil war He analyzes how Samuel Doe s 1980 coup foreshadowed the civil war as it embittered feelings of hate and prejudice Dolo goes on to probe the civil war itself describing the fierce opposition between Doe s forces and Charles G Taylor s National Patriotic Front Dolo argues that because of this civil war the Liberian nation was kept at a standstill In his attempt to point out the causes of the war Dolo hopes to lead Liberia and its crises toward the road of recovery Contents Dedication Acknowledgements Preface SOCIAL CULTURAL AND HISTORICAL OVERVIEW Introduction and Purpose Deconstructing Aspects of Liberia s Past POLITICAL LANDSCAPE Introduction The Tolbert Era

Political, Social, Religious and Economic Challenges in the Middle East and North Africa Flavia Cortelezzi, Alessandro Ferrari, Jinan Limam, 2025-12-23 A decade after the Arab springs the book aims to provide a concise perspective on the political social and economic challenges of the southern shore of the Mediterranean a decade after the Arab springs The volume both from a sociolegal and economic perspective aims to offer readers an analytical and up to date picture of the transformations in several particularly significant countries in the area under consideration The volume thus covers the entire north African and near Eastern coastal belt from Morocco to Lebanon and extends its focus into the Gulf In particular keeping in the background the Agenda 2020 2030 the book explores on the one side the role of the religious factor in the transformation of the constitutional orders and on the other the perspectives of economies of MENA region in the decade that followed the Arab springs In a different way the Arab springs were characterized from a constitutional point of view by the attempt at a different relationship between political power and religion This new arrangement particularly evident in the Tunisian Constitution but not absent in other contemporary experiences was associated with favorable and expanding economic prospects The book questions the relevance of this reading and how economic and political factors affected subsequent transformations The situation of each country is individual in that it differs depending on many factors starting with historical and geographical factors that have profoundly influenced social political and economic structures What is to be expected for the MENA region in the light of Agenda 2020 2030 Which are the major opportunities for growth and reform and which are the main risks By adopting a multidisciplinary approach this book will offer a comprehensive picture of the main political and economic challenges for MENA region *Spy Agencies, Intelligence Operations, and the People Behind Them* Britannica Educational Publishing, 2013-06-01 The idea of espionage might immediately bring to mind images of danger state secrets and cutting edge technologies While these can be elements of intelligence operations they do not provide a complete picture There are numerous methods intelligence agencies such as the CIA might employ to gather information and any number of threats that might be examined given the political climate of the day This compelling volume

examines the models intelligence agencies around the world have used both in the past and present notable individuals and the intelligence priorities of the Middle East and East Asia two of the most politically volatile regions in recent history
