Religion Spirituality And Aging A Social Work Perspective

Carol A. Miller

Religion Spirituality And Aging A Social Work Perspective:

Religion, Spirituality, and Aging Harry R. Moody, 2005 Book attempts to demonstrate how spirituality and religion can improve an older person's quality of life

Religion, Spirituality, and Aging Harry R. Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

Methods in Religion, Spirituality & Aging James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and

social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation *Spirituality, Religion, and Aging* Holly Nelson-Becker, 2017-02-01 Spirituality Religion and Aging Illuminations for Therapeutic Practice by Holly Nelson Becker is a highly integrative book written for students professionals in aging ministers and older adults themselves Readers will gain the knowledge and skills they need to assess engage and address the spiritual and religious needs of older persons Taking a fresh approach that breaks new ground in the field the author discusses eight major world religions and covers values and ethics theories interventions health and caregiving depression and anxiety dementia and the end of life Meditations and exercises throughout the book allow readers to expand and explore their personal understanding of spirituality Referencing the latest research the book includes assessments and skill based tools designed to help practitioners enhance the mental health of older people

Social Work with the Aged and Their Families Roberta R. Greene, Colleen Galambos, Harriet L. Cohen, Nancy Greene, 2016-11-30 Social Work with the Aged and Their Families presents the functional age model FAM of intergenerational treatment an integrative theoretical framework for social workers practicing with older adults and their families In keeping with the Council on Social Work Education s curriculum mandate of 2015 social workers are now encouraged to use human behavior theories in working with their geriatric clients This fourth edition incorporates much needed additional techniques to address the mental health assessments of the elderly FAM addresses the assessment of older adults biological psychological socio cultural and spiritual age It also incorporates an evaluation of the family system family roles and family development in this assessment Interventions at the individual family group and community levels are discussed This volume augmented with recent concepts related to successful aging spirituality and resiliency presents the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging It is an indispensable text for those training in social work practice with the elderly or those currently in practice

Religion, belief and social work Sheila Furness, Philip Gilligan, 2009-11-18 This book examines how religion and related beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks available to them The authors argue that social workers need to understand these phenomena so that they can become more confident in challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives of many is emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in Practice series style the book allows readers to explore issues in depth It focuses on knowledge transmission and the encouragement of critical reflection on practice Each chapter is built around real life case scenarios using a problem based learning approach This book is the first to deal with social work and religion so comprehensively and will therefore be essential reading not only for social work students but also for practitioners in a range of areas social work academics and researchers in the UK and beyond

The Spiritual Dimension of Ageing, Second Edition Elizabeth MacKinlay, 2017-02-21 People are asking more and more questions about life and meaning as they are growing older and living for longer There are increasing opportunities to engage with spiritual well being later in life This book provides a comprehensive study of spirituality and ageing with newly updated material on recent developments in this field

Handbook of Theories of Aging Vern L. Bengtson, Vern L. Bengtson, PhD, Richard Settersten, 2016-05-28 This state of the art handbook will keep researchers and practitioners in gerontology abreast of the newest theories and models of aging. With virtually all new contributors and content this edition contains 35 chapters by the most highly respected luminaries in the field. It addresses theories and concepts built on cumulative knowledge in four disciplinary areas: biology, psychology, social sciences, and policy and practice, as well as landmark advances in transdisciplinary science. With its explicit focus on theory, the handbook is unique in providing essential knowledge about primary explanations for aging, spanning from cells to societies. The chapters in the third edition place a strong emphasis on the future of theory development, assessing the current state of theories and providing a roadmap for how theory can shape research and vice versa in years to come. Many chapters also address connections between theories and policy or practice. Each set of authors has been asked to consider how theories in their area address matters of diversity and inequalities in aging and how theories might be revised or tested with these matters in mind. The third edition also contains a new section, *Standing on the Shoulders of Giants*, which includes personal essays by senior gerontologists who share their perspectives on the history of ideas in their fields and on their experiences with the process and prospects of developing good theory. **Hallmarks of the Third Edition:** Highlights important gains in transdisciplinary theories of aging; Emphasizes the future of theory development; Provides insight on theory development from living legends in gerontology; Examines what human diversity and inequality mean for aging theories; Emphasizes interconnections between theory, research, intervention, and policy; Underscores international issues with greater representation of international authors; Includes section introductions by the editors and associate editors that summarize theoretical developments; **Key Features:** Highlights variability and diversity in aging processes from the cellular level of biological aging to the societal level of public policy; Provides insight on theory development from living legends in gerontology; Offers intergenerational, interdisciplinary, and international perspectives; Disseminates a forward thinking, future oriented focus in theory development.

A Pragmatic Approach to Religion And Sustainability Deepanjali Mishra, Jeffery D Long, 2024-09-20 This volume outlines various religious practices followed across the global south and highlights their correlation to sustainability. It features more than 30 chapters from scholars across diverse disciplines including philosophy, economics, ethics, theology, sociology, ritual studies, and education. The interdisciplinary volume mines religious rituals and practices for answers that could aid and alleviate unsustainable lifestyles. Delving deep into the cultural practices of tribal religions in India, the book highlights humanistic elements to establish sustainable ways of thinking, feeling, acting, and being. Including perspectives from Buddhism, Judaism, Hinduism, Christianity, and tribal religious traditions, this book is a must for scholars interested in sustainability and religion in the global south.

Elder Abuse and Mistreatment Joanna Mellor, Patricia Brownell, 2013-04-15 Provide the most effective service possible to help victims of this growing social problem. *Elder Abuse and Mistreatment* is a comprehensive overview of current policy issues, new practice models, and up to

date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world Elder Abuse and Mistreatment incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in Elder Abuse and Mistreatment include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners

Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

Nursing for Wellness in Older Adults Carol A. Miller, 2009 Now in its Fifth Edition this text provides a comprehensive and wellness oriented approach to the theory and practice of gerontologic nursing Organized around the author's unique functional consequences theory of gerontologic nursing the book explores normal age related changes and risk factors that often interfere with optimal health and functioning to effectively identify and teach health promotion interventions The author provides research based background information and a variety of practical assessment and intervention strategies for use in every clinical setting Highlights of this edition include expanded coverage of evidence based practice more first person stories new chapters and clinical tools such as assessment tools recommended by the Hartford Institute of Geriatric Nursing

Handbook of Social Work in Health and Aging Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume. These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization. As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families. The volume's 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging. A truly monumental resource this handbook represents the best research on health and aging available to social workers today.

Human Behavior Theory Roberta R. Greene, Nancy Kropf, 2017-07-12 As American society becomes increasingly diverse social workers must use a variety of human behavior frameworks to understand their clients culturally complex concerns. This text applies specific human behavior theories to diversity practice. They show how human behavior theory can be employed in interventions in the life problems of diverse client populations at the individual group social network and societal levels. Several groups are examined. They include minority groups ethnic groups women older adults members of certain social classes affected by economic and educational disadvantage especially those living in poverty people with developmental disabilities people of varying sexual and gender orientations and religious groups. Case studies that illustrate social work practice in the area are highlighted. The case studies include Social Work Practice within a Diversity Framework The Social Work Interview Symbolic Interactionism Social Work Assessment Meaning and Language Erikson's Eight Stages of Development Role Theory and Social Work Practice A Constructionist Approach Risk Resilience and Resettlement Addressing Diverse Family Forms Small Group Theory Natural Social Networks Power Factors in Social Work Practice. This volume will be a fundamental resource for practitioners and an essential tool for training.

Science and the World's Religions Patrick McNamara Ph.D., Wesley J. Wildman, 2012-07-19 This trio of volumes contains essays that explore vital existential moral or metaphysical issues surrounding the relationship between the sciences and the world's religions. In Science and the World's Religions experts with scientific and religious backgrounds explore vital existential or practical issues drawing on whatever sciences are relevant and engaging at least two religious traditions. The multidisciplinary essays exhibit rigorous intellectual scholarly thinking but are written to clearly communicate to educated adult lay readers. The first volume addresses questions about the origins and purpose of the cosmos and the human project. The second volume investigates the roles of religion and spirituality in human existence considering issues ranging from the brain and religious experience to the human life cycle. The third

volume tackles controversies in which both religion and science are stakeholders showing how both can deepen understanding and enrich human experience Together these three books present readers with powerful tools that enable them to think through the challenge of integrating science with their religious beliefs and spiritual practices *THE ART AND SCIENCE OF PURPOSEFUL CULTURES* Dr. Shibani Belwalkar, 2020-06-27 1 1 An introduction to Workplace Spirituality Spirituality in the workplace has been receiving increasing attention in literature since the 1990 s Several popular books on spirituality and leadership Conger 1994 Bolman Crossman 2015 spirituality and ethics Ayoun Rowe Cohen The Telegraph 2015 Globally companies are embracing the endeavor to gain competitive advantage through what could be understood as the appropriation of workplace spirituality Lips Wiersma et al 2009 By addressing employees as complete humans i e the recognition of their physical emotional and spiritual needs Dehler Welsh 2003 organizations can open themselves to transformation Fry 2003 stated that if organizations are to improve their effectiveness then spiritual leadership must be understood for its capability to increase the intrinsic motivation of men by recognizing and incorporating the three elements of humans body mind and spirit Fry and colleagues moreover claim to have established empirically that practitioners of spirituality at the workplace will experience greater psychological and physical well being Fry 2003

Spiritual Diversity in Social Work Practice Edward R. Canda, Leola Dyrud Furman, 2010 Weaving together interdisciplinary theory and research as well as the results from a national survey of practitioners the authors describe a spiritually oriented model for practice that places clients challenges and goals within the context of their deepest meanings and highest aspirations Using richly detailed case examples and thought provoking activities this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice It presents definitions and conceptual models of spirituality and religion draws connections between spiritual diversity and cultural gender and sexual orientation diversity and offers insights from Buddhism Christianity Confucianism Hinduism Indigenous religions Islam Judaism Existentialism and Transpersonal theory Eminently practical it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support transformation and resilience such as meditation mindfulness ritual forgiveness and engagement of individual and community based spiritual support systems Multidimensional Approach to Quality of Life Issues Braj Raj Kumar Sinha, 2019-08-27 This comprehensive volume provides a broad overview of quality of life issues covering a wide geographical region North America Europe parts of Africa East Asia and South Asia Spread over more than 25 chapters it includes the latest findings from these regions to provide a multidisciplinary account of the major dimensions of quality of life and therefore has a vast scope The volume is divided into four thematic parts theoretical dimension Demographic dimension socio cultural and economic dimensions and urban and environment related dimensions Extensive maps diagrams and tables accompany the discussions and facilitate understanding This is an indispensable reference and serves the interest of students and scholars of human geography

economics demography sociology anthropology social work and philosophy It is particularly useful for those engaged in further research on quality of life issues *Climate Change in an Aging Society* Harry R. Moody, 2024-12-03 *Climate Change in an Aging Society* is the first book fully devoted to the impact of climate change on those who are old today and those who will be old in decades to come In doing so Moody focuses on issues of critical importance aging in place health and age in a warming world responsibility for the climate crisis options for climate conscious consumers planning for investment for a green retirement and opportunities for political action The number of Americans aged over 65 is projected to rise from 17% to 21% By 2060 nearly one in four Americans will be 65 or older By 2050 however average temperatures in the USA could rise by as much as 3 C and extreme weather events are likely to become more frequent and severe Despite these alarming projections and the likelihood that climate change will cause serious health issues among the elderly little attention has been devoted to the impact of climate change on this demographic Employing a life course perspective and a cross generational approach Moody assesses the impact of climate change on those who are old today and those who will be old in years to come Challenging both climate complacency and climate defeatism the book adopts as its clarion call HERE NOW YOU HOPE Written in an engaging personal style with highlighting case studies of influential eco elders this urgent book will be of great interest to students and scholars with interests in climate change gerontology and environmental and social policy

Religion Spirituality And Aging A Social Work Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion Spirituality And Aging A Social Work Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion Spirituality And Aging A Social Work Perspective has opened up a world of possibilities. Downloading Religion Spirituality And Aging A Social Work Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion Spirituality And Aging A Social Work Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion Spirituality And Aging A Social Work Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion Spirituality And Aging A Social Work Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion Spirituality And Aging A Social Work Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion Spirituality And Aging A Social Work Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
