Religious Worship In Norfolk:

Religious Worship in Norfolk Janet Ede, Norma Virgoe, 1998 **The National Church in Local Perspective** Jeremy Gregory, Jeffrey Scott Chamberlain, 2003 The political social and economic role of the Church in the various regions of England identifying common themes and highlighting regional differences **The Origins of Primitive Methodism** Sandy Calder, 2016 The Primitive Methodist Connexion's mature social character may have been working class but this did not reflect its social origins **Rural Society and the Anglican Clergy, 1815-1914** Robert Lee, 2006 A vivid and accessible reappraisal of the frequently uneasy relationship between the Victorian clergyman and his congregation The conduct of divine service was only one item on the agenda of the nineteenth century clergyman He might have to sit on the magistrates bench or concern himself with business as a farmer or landowner or attend a meeting of the Poor Law guardians He would in all probability be closely involved with the day to day running of the local school and he would almost certainly be the principle administrator of the parochial charities While some of these roles were clearly predestined to bring him into conflict with certain members of his flock others seem ostensibly designed to operate in their interests None however seem to have earned him much in the way of devotion and respect instead each of them at one time or another attracted the direct hostility of parishioners most particularly those attached to dissenting and or radical groups This book is a detailed exploration of the relationship between Anglican clergymen and the inhabitants of rural parishes in the nineteenth century Taking Norfolk as a focus the author examines the many and profound ways in which the Victorian Church affected the daily lives and political destinies of local communities **Reports from Select Committees of the House of Lords and Evidence** Great Britain. Parliament. House of Lords, 1838 *A Victorian Dissenter* David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett's eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett's doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett's views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery **Norfolk's Pilgrim Routes** Andy Bull, 2025-08-15 Rediscovered the ancient pilgrim routes in Norfolk and picks out the people and places linked with them on the way With this book readers and walkers today can explore the full breadth of Norfolk's rich pilgrim history *The Church institution circular* , 1863 **Journals of the House of Lords** Great Britain

House of Lords,1810
