The reluctant Ally. Austria's policy in the Austro-Turkish War, 1737-1739 Karl Andrew Roider (jr),1972 **The Reluctant Ally** Karl Andrew Roider,1972 The Reluctant Ally Karl A. Roider (jr.),1972 *The Banat of Temesvar* Timothy Olin,2025-02-04 This book explores the establishment and development of a multi ethnic frontier society on the Habsburg Ottoman border in the historic region of the Banat today divided between Romania Yugoslavia and Hungary After it passed from Ottoman to Habsburg control in the early eighteenth century the Habsburgs sought to settle the region with Western and Central European migrants mainly though not exclusively German speakers from the Holy Roman Empire Historian Timothy Olin argues that this policy led to destabilizing demographic changes and laid the foundations for the ethno religious tensions that characterized the region through the twentieth century and beyond Imperial authorities used colonists as a means to ensure the loyalty and stability of the province and to prevent Hungarian Ottoman collusion Their settlement beginning in the 1710s and lasting until the 1820s led to government sponsored displacement and resettlement of many local villages In the process of narrating the history of the region Olin argues that the land empires of Europe engaged in forms of settlement that fit the larger patterns of colonial rule in other parts of Europe and the world and demonstrates that the movement of settlers and the culture they brought with them began a process of Europeanization in the borderlands of the continent and helped solidify Europe s boundaries **A Military Revolution?** Jeremy Black,1991-11-11 In this radical reassessment Jeremy Black challenges many of the established assumptions about the so called Military Revolution of 1560 1660 He argues that it is far from clear that a military revolution did occur during this period Indeed there is more evidence to suggest that the description could be applied more accurately to the following hundred years This book also re examines the relationship between military strength and domestic stability Rather than seeing the latter as the consequence of the former Dr Black argues that it makes more sense to see the former as a result of the latter **The Crimean Tatars** Brian Glyn Williams,2016 The pearl in the tsar s crown Dispossession the loss of the Crimean homeland Dar al Harb the nineteenth century Crimean Tatar migrations to the Ottoman Empire Vatan the construction of the Crimean fatherland Soviet homeland the nationalization of the Crimean Tatar identity in the USSR Surgun the Crimean Tatar exile in Central Asia Return the Crimean Tatar migrations from Central Asia to the Crimean Peninsula **History of the Balkans: Volume 1** Barbara Jelavich,1983-07-29 Volume I discusses the history of the major Balkan nationalities It describes the differing conditions experienced under Ottoman and Habsburg rule but the main emphasis is on the national movements their successes and failures to 1900 and the place of events in the Balkans in the international relations of the day From Reich to Revolution Peter H. Wilson,2019-10-10 German history after the Reformation is often seen as a confusing period of political failures before the emergence of powerful states like Prussia give some coherence to the national story The inability of Emperor Charles V to solve Germany s political and religious problems by 1558 seems to condemn the country to the chaos of the
