And when Rainbow's crushed body is found in the graveyard of Saint Eata's church there is very little surprise or sorrow but much speculation as to whom the murderer could be. Rainbow Valley L. M. Montgomery, 2014-09-09 Anne's wonderful lively children found a special place all their own. Rainbow Valley was the perfect spot to play, to dream and to make the most unusual friends like the Merediths. They were two girls and two boys who had no mother. What they did have was a minister father who was looking for a wife but so far had found nothing but heartbreak. Between the minister courting a young spinster and the escapades of the restless children the town was bubbling with scandal. But in the end the warmth and laughter of Anne of Green Gables taught all an unforgettable lesson of love. *Monsoon Rainbow* Jayashree Thatte Bhat, 2014-08-08 Immigrants to Canada bring with them their own culture and traditions which instill infinite patience and devotion. However their artificial demands produce responses of unimaginable magnitude in various situations. From an award-winning writer these stories depict a stunning portrait of real people represented by various characters take place in Canada and shed light on real life experiences. We share in the pain of an arranged marriage, we feel the agony of the exploitation and degradation of an outwardly assertive woman at the hands of her sadistic husband, we are humbled by the steadfast care of a highly educated woman who faithfully and lovingly tends to her mentally unstable and insecure husband. Although about immigrants from India and the characters displaying an impact of only Indian traditions these stories can be projected to represent experiences of most Canadian immigrants for this commonality has no boundaries of any place, time, religion, color, creed or race. It inevitably draws upon shared human experiences of love, hate, work, worries and dreams and thus to the predicaments of entire mankind. Rainbow Valley Lucy Maud Montgomery, 2024-01-18 In *Rainbow Valley* Lucy Maud Montgomery continues the cherished narrative of the Anne of Green Gables series, weaving a rich tapestry of childhood experiences, friendships and the inevitable passage of time. Set against the idyllic backdrop of Avonlea, this novel employs a lyrical and nostalgic prose style that captures the innocent joys and poignant struggles of its youthful characters. Montgomery's keen observations reflect not only the beauty of nature but also the complex social dynamics of a close-knit community showcasing people facing life's trials with resilience and humor. Through the lens of Anne's children and their friends, the story explores themes of love, loss and the importance of imagination in shaping one's identity. Montgomery, a Canadian author celebrated for her vivid storytelling, drew heavily on her own experiences of rural life in Prince Edward Island. Her personal history of struggle and yearning for creativity is evident in the way she crafts her characters' relationships; they are imbued with warmth and authenticity that resonate with readers of all ages. *Rainbow Valley* serves not only as a continuation of Anne's legacy but also as a testament to Montgomery's literary

prowess and her understanding of human emotions This book is highly recommended for readers who appreciate coming of age stories steeped in rich character development and evocative landscapes Whether you are revisiting the adventures of Anne s family or discovering them for the first time Rainbow Valley offers heartfelt insights into the beauty of childhood and the enduring nature of friendship making it a perfect addition to the library of any literary enthusiast *The Rainbow* David Herbert Lawrence,1995 Set in the rural midlands of England this tale recounts the lives of three generations of the Brangwen family When Tom Brangwen marries a Polish widow Lydia Lensky and adopts her daughter Anna as his own he is unprepared for the conflict and passion that erupts between them Rainbow Family Collections Jamie Campbell Naidoo,2012-04-13 As one of the only highly praised resources on this important topic this thoughtfully compiled book examines and suggests picture books and chapter books presenting LGBTQ content to children under the age of 12 Highlighting titles for children from infancy to age 11 Rainbow Family Collections examines over 250 children s picture books informational books and chapter books with LGBTQ content from around the world Each entry in Rainbow Family Collections supplies a synopsis of the title s content lists awards it has received cites professional reviews and provides suggestions for librarians considering acquisition The book also provides a brief historical overview of LGBTQ children s literature along with the major book awards for this genre tips on planning welcoming spaces and offering effective library service to this population and a list of criteria for selecting the best books with this content Interviews with authors and key individuals in LGBTQ children s book publishing are also featured **The Rainbow and Women in Love** D.
