Handbook of Children, Culture, and Violence Nancy E. Dowd, Dorothy G. Singer, Robin Fretwell Wilson, 2005-11-23 The Handbook of Children Culture and Violence provides a comprehensive interdisciplinary examination of childhood violence that considers children as both consumers and perpetrators of violence as well as victims of it This Handbook is the first single volume to consider situations when children are responsible for violence rather than focusing exclusively on occasions when they are victimized

Communication, Commerce and Power Edward A. Comor, 2016-01-06 In this history of US based direct broadcast satellite developments the United States and other nation states are shown to be the ultimate arbiters of their ongoing histories In making this now unfashionable argument Edward A Comor directly challenges recent academic work that tends to privilege global processes over national and argues that the contemporary world order is being shaped primarily by transnational rather than nation state based forces In testing this orientation with empirical research on US foreign communication policy since 1960 Communication Commerce and Power compels academics and policy makers to rethink commonplace assumptions about the characteristics and potentials of the contemporary and future international political economy
