Rembrandt His World

Gary Schwartz

Rembrandt His World:

Rembrandt and His World Christopher White, 1964 A pictorial biography of the artists including reproductions of paintings and drawings as well as etchings **Rembrandt's Universe** Gary Schwartz, 2006 On the occasion of the 400th anniversary of Rembrandt's birth here is the ultimate book on Rembrandt's art and life his work as an artist his family friends and patrons his place in European culture by one of the world's best known writers on Dutch art Designed to be the Rembrandt book of first resort this complete and accessible volume will be an invaluable work of reference and vital reading for art lovers art students and museum goers *Rembrandt and His World. [With Plates, Including Portraits and Facsimiles and Illustrations.]*. Christopher White (of the British Museum.), 1964 **Rembrandt's Passion Series** Simon McNamara, 2015-05-13 Rembrandt's Passion Series is the name given to five paintings of similar size and format executed over a six year time frame 1633-39 The works were commissioned by Frederick Hendrick Prince of Orange and Stadtholder of the United Provinces for his gallery at The Hague Although each of the paintings depicts a traditional scene from the Passion of Christ they do not form anything like a complete Passion Cycle Seven years later Hendrick ordered a further two works of the same size and format of subjects from the Nativity of Christ Six of the seven paintings now hang in the Alte Pinakothek Munich As the works were executed between Rembrandt's well documented early Leiden period and his rapid rise to prominence as a portraitist in Amsterdam the works have not attracted the scholarly attention they might although the commission was undoubtedly the most prestigious of the young Rembrandt's career Rembrandt's Passion Series is the first monograph to focus solely on this important group of paintings by the most famous artist of the Dutch Golden Age In it Simon McNamara traces the history of the commission by way of extant documentation places the works in a seventeenth century Dutch religious milieu and shows how the series is both reflective of contemporary theological exegesis and embedded in theoretical artistic debates of the age The book also highlights the extraordinary nature of the self images seen in three of the paintings and discusses the legacy of the series in later graphic works by Rembrandt and in paintings by his pupils In doing so Rembrandt's Passion Series presents a series of unifying factors both stylistically and thematically for the works that allows the Passion Series to be properly and finally called a series Rembrandt's Jews Steven Nadler, 2024-05-31 A fascinating moment in both the history of Jewish Christian relations and the history of art Michael Zell author of *Reframing Rembrandt* A Pulitzer Prize Finalist There is a popular and romantic myth about Rembrandt and the Jewish people One of history's greatest artists we are often told had a special affinity for Judaism With so many of Rembrandt's works devoted to stories of the Hebrew Bible and with his apparent penchant for Jewish themes and the sympathetic portrayal of Jewish faces it is no wonder that the myth has endured for centuries Rembrandt's Jews examines both the legend and the reality of Rembrandt's relationship to Jews and Judaism In his elegantly written and engrossing tour of Jewish Amsterdam Steven Nadler tells stories of the artist's portraits of Jewish sitters of his mundane and often contentious dealings with his neighbors

in Amsterdam's Jewish quarter and of the city's tolerant setting for Sephardic and Ashkenazic Jews fleeing persecution in other parts of Europe Looking at other Dutch artists Nadler reveals the remarkable relationship between Dutch and Jewish cultures in the period evidenced in the dispassionate even ordinary ways in which Jews and their religion are represented far from the demonization and grotesque caricatures the iconography of the outsider so often found in depictions of Jews during the Middle Ages and the Renaissance Through his close look at paintings etchings and drawings in his discussion of intellectual and social life during the Dutch Golden Age and even through his own travels in pursuit of his subject Nadler takes the reader through Jewish Amsterdam then and now a trip that under ever threatening Dutch skies is full of colorful and eccentric personalities fiery debates and magnificent art

Rembrandt's Ghost in the New Machine Bill H.

Ritchie,2024-03-06 Mac was on his way to a Halloween Party dressed like his hero Rembrandt To complete his costume he took his miniature etching press and a printing plate The plate however had a magical effect and landed him on a dung boat in Amsterdam's harbor It was now 1660 not 2012 Join Mac on the events that followed his unhappy travel in time as he was picked up by a Madam Lucky she dumped him at Rembrandt's neighbor However he was drawn into the complications of Rembrandt's fallen desparate state Can Mac help his hero make a comeback Or will the murderous Madam have her way with poor old Mac

Readings in the Canon of Scripture David Jasper,2009-06-23 Canonical criticism is not a recognized branch of biblical studies granting new focus to questions of the authority and truth of the scriptural writings Developed within a critical sense of the dominant historical critical tone of biblical studies canonical criticism as it has been pursued by the American scholars Brevard S Childs and James A Sanders stands as witness to the theological necessity of a more literary approach to the Bible This book both criticizes the canonical enterprise and takes it much further into readings of the canon from the perspective not only of literature but also art and in particular the biblical art of Rembrandt In addition it remains acutely conscious of the contemporary environment of our reading within the political concerns of feminist criticism popular absorption in film and the narratives of the screen and finally the crisis or crises which characterize the so called postmodern condition What emerges is at once highly critical of traditional strategies of canonization and at the same time constructive and concerned to recover the Bible for our own time in readings which move outside the limited academic concerns of the biblical critic or the institutions of the church and religious community

The World's Progress Delphian Society,1911

The World's Progress ... Delphian Society, Chicago,1913 The Visible World Thijs Weststeijn,2008 How did painters and their public speak about art in Rembrandt's age This book about the writings of the painter poet Samuel van Hoogstraten one of Rembrandt's pupils examines a wide variety of themes from painting practice and theory from the Dutch Golden Age It addresses the contested issue of Dutch realism and its hidden symbolism as well as Rembrandt's concern with representing emotions in order to involve the spectator Diverse aspects of imitation and illusion come to the fore such as the theory behind sketchy or rough brushwork and the active role played by the viewer's imagination Taking as its starting point discussions in

Rembrandt's studio this unique study provides an ambitious overview of Dutch artists' ideas on painting

Unveiling the Magic of Words: A Report on "**Rembrandt His World**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
