Chandrashu and the Legend of Myth Neeraj Mehra, 2018-11-16 A civilization turned to ruins An early phase of history torn to pieces A person whose fury could choke the valiant was cursed and tormented by the grief of his beloved Allure Rise was a small peaceful village until war came to them Chandrashu whose destiny was greater than everything saw his village turned to ruins He fought with his people against those who were named Creatures Many wars were to take place all of Chandrashu's loved ones would die and nothing can change his fate With the realization that he is the greatest legend of his era and maybe the final will he succeed or will he have to face destruction Many things will be revealed during his journey and an ancient promise of love will be made Maybe he will succeed but if not destruction is inevitable Yet if he is successful he will realize that being a legend isn't enough A Collection of Pamphlets on Religious and Moral Subjects Relating to Great Britain, 1847 *Legend and Belief* Linda Dégh, 2001-11-14 Industrial advancement has not changed the basic fragility of human life and the commercialization and consumer orientation of the mass media has actually helped legends travel faster and farther Legends are communicated not only orally face to face but also in the press on radio and television on countless Web sites and by e mail perpetuating new waves of the culture of fear BOOK JACKET
