Remembering Dixie Susan T. Falck, 2019-08-23 Nearly seventy years after the Civil War Natchez Mississippi sold itself to Depression era tourists as a place Where the Old South Still Lives Tourists flocked to view the town s decaying antebellum mansions hoopskirted hostesses and a pageant saturated in sentimental Lost Cause imagery In *Remembering Dixie The Battle to Control Historical Memory in Natchez Mississippi 1865 1941* Susan T Falck analyzes how the highly biased white historical memories of what had been a wealthy southern hub originated from the experiences and hardships of the Civil War These collective narratives eventually culminated in a heritage tourism enterprise still in business today Additionally the book includes new research on the African American community s robust efforts to build historical tradition most notably the ways in which African Americans in Natchez worked to create a distinctive postemancipation identity that challenged the dominant white structure Using a wide range of late nineteenth and early twentieth century sources many of which have never been fully mined before Falck reveals the ways in which black and white Natchezians of all classes male and female embraced reinterpreted and contested Lost Cause ideology These memory making struggles resulted in emotional internecine conflicts that shaped the cultural character of the community and impacted the national understanding of the Old South and the Confederacy as popular culture Natchez remains relevant today as a microcosm for our nation s modern day struggles with Lost Cause ideology Confederate monuments racism and white supremacy Falck reveals how this remarkable story played out in one important southern community over several generations in vivid detail and richly illustrated analysis

The ^AUnfinished Bombing Edward T. Linenthal, 2003-05-01 On April 19 1995 the bombing of the Alfred P Murrah Federal Building in Oklahoma City shook the nation destroying our complacent sense of safety and sending a community into a tailspin of shock grief and bewilderment Almost as difficult as the bombing itself has been the aftermath its legacy for Oklahoma City and for the nation and the struggle to recover from this unprecedented attack In *The Unfinished Bombing* Edward T Linenthal explores the many ways Oklahomans and other Americans have tried to grapple with this catastrophe Working with exclusive access to materials gathered by the Oklahoma City National Memorial Archive and drawing from over 150 personal interviews with family members of those murdered survivors rescuers and many others Linenthal looks at how the bombing threatened cherished ideas about American innocence sparked national debate on how to respond to terrorism at home and abroad and engendered a new bereaved community in Oklahoma City itself Linenthal examines how different stories about the bombing were told through positive narratives of civic renewal and of religious redemption and more negative narratives

of toxicity and trauma He writes about the extraordinary bonds of affection that were created in the wake of the bombing acts of kindness empathy and compassion that existed alongside the toxic legacy of the event The Unfinished Bombing offers a compelling look at both the individual and the larger cultural consequences of one of the most searing events in recent American history

Memory's Daughters Susan Stabile,2018-09-05 A renowned literary coterie in eighteenth century Philadelphia Elizabeth Fergusson Hannah Griffiths Deborah Logan Annis Stockton and Susanna Wright wrote and exchanged thousands of poems and maintained elaborate handwritten commonplace books of memorabilia Through their creativity and celebrated hospitality they initiated a salon culture in their great country houses in the Delaware Valley In this stunningly original and heavily illustrated book Susan M Stabile shows that these female writers sought to memorialize their lives and aesthetic experience a purpose that stands in marked contrast to the civic concerns of male authors in the republican era Drawing equally on material culture and literary history Stabile discusses how the group used their writings to explore and at times replicate the arrangement of their material possessions including desks writing paraphernalia mirrors miniatures beds and coffins As she reconstructs the poetics of memory that informed the women s lives and structured their manuscripts Stabile focuses on vernacular architecture penmanship souvenir collecting and mourning Empirically rich and nuanced in its readings of different kinds of artifacts this engaging work tells of the erasure of the women s lives from the national memory as the feminine aesthetic of scribal publication was overshadowed by the proliferating print culture of late eighteenth century America
