Rendezvous at Midway Pat Frank, Joseph D. Harrington, 1972 **Rendezvous at Midway** Pat Frank, Joseph Daniel Harrington, 1968 **Rendezvous at Midway** Pat Frank, Joseph Daniel Harrington, 1967 **Miracle at Midway** Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 New York Times bestseller The true story of the WWII naval battle portrayed in the Roland Emmerich film is something special among war histories Chicago Sun Times Six months after Pearl Harbor the seemingly invincible Imperial Japanese Navy prepared a decisive blow against the United States After sweeping through Asia and the South Pacific Japan's military targeted the tiny atoll of Midway an ideal launching pad for the invasion of Hawaii and beyond But the US Navy would be waiting for them Thanks to cutting edge code breaking technology tactical daring and a significant stroke of luck the Americans under Adm Chester W Nimitz dealt Japan's navy its first major defeat in the war Three years of hard fighting remained but it was at Midway that the tide turned This stirring even suspenseful narrative is the first book to tell the story of the epic battle from both the American and Japanese sides Newsday **Miracle at Midway** reveals how America won its first and greatest victory of the Pacific war and how easily it could have been a loss **The Battle for Hell's Island** Stephen L. Moore, 2016-11-01 From the author of *Pacific Payback* the true story of how a patchwork band of aviators saved Guadalcanal during WWII November 1942 Japanese and American forces fight for control of Guadalcanal a small but pivotal island in the South Pacific The Japanese call it Jigoku no Shima Hell's Island Amid a seeming stalemate a small group of U S Navy dive bombers is called upon to help determine the island's fate When their carriers are lost they are forced to operate from Henderson Field a small dirt and gravel airstrip on Guadalcanal They help form the Cactus Air Force tasked with making dangerous flights from their jungle airfield while holding the line against Japanese air assaults warship bombardments and sniper attacks from the jungle When the Japanese launch a final offensive to take the island these dive bomber jocks answer the call of duty turning back an enemy warship armada fighter planes and a convoy of troop transports **The Battle for Hell's Island** reveals how command of the South Pacific and the outcome of the Pacific War depended on control of a single dirt airstrip and the small group of battle weary aviators sent to protect it with their lives **INCLUDES PHOTOS** ***Battle Stations*** Stephen L. Moore, 2021-11-02 The true story of the valiant men who gave their all to save the aircraft carrier USS Yorktown and changed the course of the Pacific War On June 4 1942 six months after the attack on Pearl Harbor Yorktown's crew began the carrier's final battle against Japan's infamous aircrafts Hotshot fighter pilot Lieutenant Scott McCuskey attacked from the air in his Wildcat becoming the Navy's second ever ace in a day Carpenter Boyd McKenzie worked tirelessly to repair Yorktown before a fresh air strike Critically injured gun crew member George Weise fought for his life as the ship threatened to capsize Meanwhile Pharmacist's Mate Second Class Warren Heller raced to save the lives of bloodied gunners and sailors by evacuating them before time ran out The stories of these heroes and many other brave servicemen bring the gripping narrative of Yorktown's final thirty days to life as she fights in the near

back to back Battles of Coral Sea and Midway Through unpublished memoirs and interviews with Yorktown's last surviving veterans acclaimed author Stephen L Moore offers up a new and compelling amount of a pivotal month in World War II while honoring the courage of those who served *The Silver Waterfall* Brendan Simms, Steven McGregor, 2022-05-17 Eighty years after the stunning and decisive battle a revelatory new history of Midway The Battle of Midway was on paper an improbable victory for the smaller less experienced American navy and air force so much so that it was quickly described as a miracle Yet fortune favored the Americans at Midway and the conventional wisdom has it that the Americans lucky streak continued as the war in the Pacific turned against the Japanese This new history demonstrates that luck let alone miracles had little to do with it In *The Silver Waterfall* Brendan Simms and Steven McGregor show how the efforts of America's peacetime navy combined with creative innovations made by designers and industrialists were largely responsible for the victory The Douglas Dauntless Dive Bomber a uniquely conceived fighting weapon delivered a brutally accurate attack the Japanese quickly came to dread Told through a vivid narrative Simms and McGregor show how the course of the war in the Pacific was dramatically altered emphasizing the crucial combination of a culture of innovation a brilliant contribution from immigrants and a vital intelligence coup that allowed the navy to orchestrate the devastating attack on the Japanese and dominate the Pacific for good *The Ship that Held Line* Lisle Rose, 2012-10-11 The American fleet aircraft carrier Hornet is widely acknowledged for the contributions she made to the war effort The Doolittle Raid launched from the Hornet's deck inaugurated America's Pacific counteroffensive and transformed the aircraft carrier into one of the world's prime strategic weapon systems She was one of three carriers to participate in the victory at Midway and the fighting around Guadalcanal Through the experiences of this key warship and the eyes of her crew and the aviators who flew from her deck Lisle Rose recreates the first desperate year of the war in the Pacific He tells how the Hornet was molded into a deadly weapon of war how the ship was fought and ultimately lost and what it was like to live aboard her at a time when the fate of the United States depended on the Navy's tiny carrier fleet In chronicling the carrier's operational history the author contends that the fate of the Hornet's air group at Midway remains one of the great controversies in modern naval history and that the ship's importance in helping to keep the Japanese juggernaut at bay during the most critical period of the Pacific war is incontestable His arguments ring true today as the controversy continues Rose succeeds both in letting the reader see things the way the men of the Hornet did and in placing their experiences in a broad historical context **Pacific Payback** Stephen L. Moore, 2015-06-02 Deeply researched and well written By far the most detailed account of USS Enterprise's dive bombers and their decisive role at the Battle of Midway Sunday December 7 1941 dawned clear and bright over the Pacific But for the Dauntless dive bomber crews of the USS Enterprise returning to their home base on Oahu it was a morning from hell Flying directly into the Japanese ambush at Pearl Harbor they lost a third of their squadron and witnessed the heart of America's Navy broken and smoldering on the oil slicked waters below The next six months from Pearl Harbor to the Battle

of Midway a dark time during which the Japanese scored victory after victory this small band of aviators saw almost constant deployment intense carrier combat and fearsome casualties Many were killed by enemy Zero fighters antiaircraft fire or deadly crash landings in the Pacific while others were captured and spent years in POW camps Yet the Enterprise's Dauntless crews would be the first to strike an offensive blow against Japanese installations in the Marshall Islands would be the first to sink a Japanese warship and would shepherd the Doolittle Raiders bombing of Tokyo Not until Midway though would Dauntless crews get the chance to settle the score and change the course of World War II Drawing on dozens of new interviews and oral histories author Stephen L Moore brings to life inspiring stories of individual sacrifice and bravery and the sweeping saga of one of America's greatest triumphs INCLUDES PHOTOS *World War II in the Pacific* William A. Renzi, Mark D. Roehrs, 2015-06-01 World War II laid the groundwork for much of the international system that exists today especially in the Pacific Rim This brief but comprehensive survey of the War in the Pacific incorporates both United States and Japanese perspectives providing a global approach to the Asian theater of the conflict Drawing on decades of new scholarship and written in an engaging narrative style this book traces United States Japanese relations from the late nineteenth century to the war's end in 1945 It covers every aspect of the war and gives special attention to ongoing historical debates over key issues The book also provides new details of many facets of the conflict including expansionism during the 1930s events and policies leading up to the war the importance of air power and ground warfare military planning and strategic goals the internment of Japanese Americans in the U S Allied plans and disputes over Russian participation the decision to drop the atomic bomb and conditions for surrender **Major Fleet-Versus-Fleet Operations in the Pacific War, 1941-1945** Milan N. Vego, 2016 A detailed study of three major naval operations of World War II These three initiated by imperial Japan took place in the Pacific and resulted in the battles of the Coral Sea Midway Aleutians and the Philippine Sea All the cases provide ample background on the geographic and strategic context of the operations as well as an account of the unfolding of the action utilizing much primary source material in especially American and Japanese archives Provided by publisher **The American Experience in World War II: The atomic bomb in history and memory** Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set *The American Experience in World War II* For a complete list of the volume titles in this set see the listing for *The American Experience in World War II* ISBN 0 415 94028 1 *The First Team* John B

Lundstrom,2005-07-01 Hailed as one of the finest examples of aviation research this comprehensive 1984 study presents a detailed and scrupulously accurate operational history of carrier based air warfare From the earliest operations in the Pacific through the decisive Battle of Midway it offers a narrative account of how ace fighter pilots like Jimmy Thach and Butch O Hare and their skilled VF squadron mates called the first team amassed a remarkable combat record in the face of desperate odds Tapping both American and Japanese sources historian John B Lundstrom reconstructs every significant action and places these extraordinary fighters within the context of overall carrier operations He writes from the viewpoint of the pilots themselves after interviewing some fifty airmen from each side to give readers intimate details of some of the most exciting aerial engagements of the war At the same time he assesses the role the fighter squadrons played in key actions and shows how innovations in fighter tactics and gunnery techniques were a primary reason for the reversal of American fortunes After more than twenty years in print the book remains the definitive account and is being published in paperback for the first time to reach an even larger audience

Commander in Chief Eric Larrabee,2019-10-15 Few American presidents have exercised their constitutional authority as commander in chief with more determination than Franklin D Roosevelt He intervened in military operations more often and to better effect than his contemporaries Churchill and Stalin and maneuvered events so that the Grand Alliance was directed from Washington In this expansive history Eric Larrabee examines the extent and importance of FDR s wartime leadership through his key military leaders Marshall King Arnold MacArthur Vandergrift Nimitz Eisenhower Stilwell and LeMay Devoting a chapter to each man the author studies Roosevelt s impact on their personalities their battles sometimes with each other and the consequences of their decisions He also addresses such critical subjects as Roosevelt s responsibility for the war and how well it achieved his goals First published in 1987 this comprehensive portrait of the titans of the American military effort in World War II is available in a new paperback edition for the first time in sixteen years

Miracle at Midway Gordon William Prange,Donald M. Goldstein,Katherine V. Dillon,1983 With the infamy of Pearl Harbor still fresh in their minds the men of the U S Pacific Fleet waited for the Japanese Imperial Navy at Midway Island This time however the element of surprise had shifted and the American troops would be the victors of a battle that marked the turning point of the war in the Pacific Like At Dawn We Slept Miracle at Midway brings together eyewitness accounts from the men on both sides those who commanded and those who fought The sweeping narrative takes you into the thick of the action and shows exactly how American strategies and decisions led to America s triumphant victor and the crushing defeat of Japan Book jacket

Showdown in the Pacific War Ronald E. Martell,2015-03-06 Showdown in the Pacific War Nimitz and Yamamoto This unique book combines a carefully researched history with an easy to read analysis of the war in a fictional meeting between staff officers close to Admirals Chester Nimitz and Isoroku Yamamoto They trace the events leading to the Pacific War and the heroic struggles following the attack on Pearl Harbor to the eclipse of the Japanese war machine at Coral Sea Midway Guadalcanal and beyond Showdown reveals

Yamamotos opposition to Japans waging a war it could not win along with his planning of her early successes and Admiral Nimitzs patient and careful reversal of the Empires offensives Showdown presents an even handed view of the nations that waged combat in the early stages of historys most famous naval war Ron Martell has given us a new and very interesting look at World War II in the Pacific Instead of simply retelling history he puts the reader in a fictitious yet plausible latter day conference between two of the conflicts high ranking adversaries key staff officers of the American and Japanese navies Its a genuine page turner for any fan of World War II history Ronald Russell author of No Right to Win A Continuing Dialogue with Veterans of the Battle of Midway Showdown in the Pacific is a thoroughly enjoyable read If someone asks me for a single book to read on how the Pacific War started and then was fought for the first 18 months I will heartily recommend this one Thom Walla Editor and Host of The Battle of Midway RoundTable **Kinkaid of the Seventh Fleet** Gerald E. Wheeler,1995 *Battle Stations* Stephen L.
