Riverboat Seduction:

Riverboat Seduction Caroline Bourne, 1992 Deliah Wickley's beloved plantation is on the auction block and arrogant riverboat gambler Grant Emerson plans to be its next owner. The fiery beauty vows to win back her precious home even if she has to marry the rogue to do it in name only of course. But at Grant's first kiss her schemes begin to falter. **South to A New Place** Suzanne W. Jones, Sharon Monteith, 2002-11-01 Taking Albert Murray's *South to a Very Old Place* as a starting point contributors to this exciting collection continue the work of critically and creatively remapping the South through their freewheeling studies of southern literature and culture. Appraising representations of the South within a context that is postmodern, diverse, widely inclusive and international the essays present multiple ways of imagining the South and examine both new places and old landscapes in an attempt to tie the mythic southern balloon down to earth. In his foreword an insightful discussion of numerous Souths and the ways they are perceived. Richard Gray explains one of the key goals of the book to open up to scrutiny the literary and cultural practice that has come to be known as regionalism. Part I Surveying the Territory theorizes definitions of place and region and includes an analysis of southern literary regionalism from the 1930s to the present and an exploration of southern popular culture. In *Mapping the Region* essayists examine different representations of rural landscapes and small towns, cities and suburbs as well as liminal zones in which new immigrants make their homes. Reflecting the contributors' transatlantic perspective *Making Global Connections* challenges notions of southern distinctiveness by reading the region through the comparative frameworks of Southern Italy, East Germany, Latin America and the United Kingdom and via a range of texts and contexts from early reconciliation romances to Faulkner's fictions about race to the more recent parody of southern mythmaking. Alice Randall's *The Wind Done Gone*. Together these essays explore the roles that economic, racial and ideological tensions have played in the formation of southern identity through varying representations of locality moving regionalism toward a new place in southern studies. **Riverboat Reckoning** Jon Sharpe, 2014 All aboard for danger. Skye Fargo is working his way up and down the Mississippi River looking to stop a band of deadly river rats from destroying a valuable riverboat line. But it won't be easy because the truth behind the attacks leads to a conspiracy with more twists and turns than the mighty Mississippi itself. *Brimstone Seduction* Barbara J. Hancock, 2016-10-01 BETWEEN DESTINY AND DESIRE Damnation is John Severne's inheritance and stalking the accursed his legacy. Kat D'Arcy has her own ill-starred birthright. The strange gift that runs along her maternal line dooms her to a life trapped between daemons and those who pursue them. But Severne is unlike any daemon hunter she's ever known. The Brimstone in his blood arouses every fiber of her being. For Severne Kat is the key to his salvation until she becomes much more than that. As the ultimate danger closes in on them both Severne must decide if he can abuse Kat's trust and betray his own heart. *Love Gifts* Tanure Ojaide, 2013 *Love Gifts* is a love sequence, the poetic rendering of the relationship between the minstrel and his muse over a long period. The poet uses the relationship of the two personages to investigate the human

condition hence the poems deal with dreams desires frustrations hopes contentment and seeking meaning in life The poetic canvas links the two figures to other relationships and happenings of their time in an all embracing manner In a way minstrel and muse lovers are in these songs sharing a unique relationship with readers as they affirm their humanity and tell the complicated passage they navigate hourly and daily as members of a particular society The relationship develops from the inexperience of neophytes unsteady in their ways to the stage of adepts who are sure of themselves and their rites The poems are thus a sort of courtship sequence Eveleen's Seduction Christine Young,2021-02-01 A WHISPER OF SEDUCTION A
