Risen Steven D. Mathewson, 2013-01-15 What would happen if believers truly grasped how the resurrection of Jesus changes not just their own standing with God but that it changes everything In the spirit of John Piper's Fifty Reasons Why Christ Came to Die Steven D Mathewson unpacks the New Testament Scriptures that speak of the reasons Jesus was raised from the dead In fifty brief chapters he offers readers faith filled meditations on the primary passages on the resurrection taking these ancient truths and applying them to contemporary life With compelling insight he shows why Jesus not only had to die but why his resurrection was necessary and how our lives change when we understand and embrace this essential truth of the Christian faith **Risen Indeed!** Tom Kingery, 2022-08-04 Tom Kingery shares meditations on the resurrection of our Lord and Savior Jesus Christ in this book that complements his other groundbreaking works focusing on faith The book is like a gallery of images and thoughts highlighting Scripture and Christ's miraculous rising from the dead Every snapshot delves into resurrection stories from the Gospels such as the story of the Prodigal Son's return In that story Jesus gives us a new way of looking at life with its failures and triumphs When we can see beyond the shortcomings in someone's life and overcome that dead to me attitude someone's existence takes on a whole new meaning Likewise we can gain a new way of looking at death Even when someone is no longer with us our memories can bring them back to life and they can remain present in very real ways we can feel resurrection Explore life's unknowns consider what the world would be like if Jesus had never risen from the dead and discover why you should never fear dying with the meditations in **Risen Indeed** **Just What I Needed** Adrean Young, 2021-03-01 What started out as a morning message for a few friends to help encourage on their weight loss journey has become a daily revelation of what God wants to interject into your life Just What I Needed is not exclusively a book of inspirational messages Pastor Adrean R Young has prayed over and allowed God to speak through this collection of Spirit filled anecdotes which he assures were messages to him first Unlike traditional devotionals this book emphasizes trusting God to give the reader which one to read each day It is an enjoyable change from the usual devotionals that have been repeated for years With the added song to confirm the meaning it is unique and a must have You will enjoy the word of the day from Pastor A **The Lord Is Risen He Is Risen Indeed! He Really Is** Richard Sheffield, 1998 Richard Sheffield's preaching is stimulating and unique Whenever I am burdened or under pressure his pithy insights into the Gospel of our Lord refresh my spirit They sometimes also sting my soul to pay attention to more significant things in life than preoccupying problems He is also a courageous preacher when he says things we all think or doubt and dare not to express He handles life's misgivings kindly and cleanly so that listening to him is a religious experience This comes about because he came to the temple of religion through the corridors of commerce and knows the real world of his laymen Under his gentle manner there is the fire of Peter Thomas and St Paul all of whom also preached with integrity and conviction Bryant Kirkland Minister Emeritus Fifth Avenue Presbyterian Church New York New York At first glance the Easter title may seem out of

place for a book half full of sermons for Lent But Richard Sheffield argues and preaches that the sermon for Easter Day is really the sermon for every day in the life of a Christian The Lord Is Risen is really the only sermon we have or need to have How we live out our lives in response to that central fact of our faith fills the sermons in Lent as well as Easter with hope Hope in the here and now as well as in the hereafter Rev Sheffield has little patience with those who would turn the good news about God into the bad news about us and it shows He writes Belief is more than just ascertaining the facts and figures of faith Or figuring out the best way to keep God happy long enough to get into heaven Belief is living life now certain of the love of God in Jesus Christ for you and me Living life unafraid even of death itself Richard L Sheffield is senior pastor of Market Street Presbyterian Church Lima Ohio He holds a Master of Divinity degree from Princeton Theological Seminary and an M B A degree from the University of Chicago He is a candidate for the Doctor of Ministry degree at Louisville Presbyterian Theological Seminary

The Risen Lord & The Eternal Word Frank J DePolo,2003-10 **The Light Risen in Darkness** Antoinette Bourignon,1703 New Life in the Risen Christ Jonathan A. Powers,2023-05-26 Baptism is a foundational rite and sacrament of the church Over the centuries the significance of baptism for Christian life and faith has been confirmed by the church but baptism remains a highly controversial topic Numerous disagreements exist between denominations and faith traditions including the various descendants of the original Methodist movement over the doctrine and practice of baptism Who can be baptized Why is baptism done What does the rite mean New Life in the Risen Christ A Wesleyan Theology of Baptism seeks to address confusion over baptism and offer a coherent treatment of the sacrament from a Wesleyan theological perspective Distinguished scholars from around the world are brought together in this volume to examine the writings of John Wesley and offer scholarly reflections on topics related to the sacrament of baptism Their work is an invitation to remember and be thankful for baptism as the sign of divine grace that initiates Christians into a new reality life in the risen Christ

Global Warming and the Risen Lord Jim Ball,2010 Global Warming and the Risen LORD moves beyond the old debates about climate change to a new conversation focusing on the tremendous opportunities there are and the biblical and spiritual resources we have been given to meet this threat Filled with inspirational stories and sobering scientific research Rev Ball shows us that global warming is one of the major challenges of our time but one that can be overcome by following the Risen LORD

Jesus Is Risen David Limbaugh,2018-10-02 Originally confined to a small circle of believers centered in Jerusalem Christianity s stunning transformation into the world s most popular faith is one of history s greatest most miraculous stories In Jesus Is Risen 1 national bestselling author David Limbaugh provides a riveting account of the birth of Christianity Using the Book of Acts and six New Testament epistles as his guide Limbaugh takes readers on an exhilarating journey through the sorrow and suffering as well as the joys and triumphs of the apostles and other key figures as Christianity bursts through the borders of Judea following the death resurrection and ascension of Jesus Christ Limbaugh particularly focuses on the crucial role that the Apostle Paul played in these historic events Facing incredible adversities

from arrests to shipwrecks to violent mobs and murder plots Paul overcomes countless obstacles as he travels far and wide to spread the Gospel In *Jesus Is Risen* you will discover How the apostles themselves disproved modern arguments that early Christians did not believe in Jesus divinity The true story behind the first conversion to Christianity by a Gentile The many underhanded ways Christianity s opponents tried in vain to stifle the Church in its infancy Paul s most effective techniques and arguments for bringing converts to Christ Throughout these pages Limbaugh s passion for the Bible is unmistakable and infectious Replete with deep insights into the actions arguments and challenges of the world s first Christian communities *Jesus Is Risen* is a faith affirming book for Christians at all stages of their faith walk *Life in a Risen Saviour; Being Discourses on the Argument of the Fifteenth Chapter of First Corinthians* Robert Smith Candlish,1858 **The Living Church** ,1942 *The Risen* David Anthony Durham,2017-04-18 It is one of the most storied uprisings of classical times Spartacus the visionary captive and gladiator used his toughness and charisma turn a prison break into a revolt that would threaten the Roman empire Now with verve and intelligence David Anthony Durham brings us a thrilling retelling that gives voice not only to Spartacus himself but also Astera Spartacus s oracle consort Nonus a Roman soldier working both sides of the conflict Laelia and Hustus two slave children drawn into the ranks of the rebellion Kaleb secretary to the Roman senator and commander saddled with the task of quashing the insurrection and many others in a vast spectacle of bloodshed heroism and treachery *Living Liturgy* Joyce Ann Zimmerman,Christopher W. Conlon,2009 Homilies for Weekdays Solemnities Feasts and Memorials is a requested and welcome addition to the first two volumes of weekday homilies by Father Don Talafous OSB Here he offers creative homily suggestions for solemnities feasts and obligatory memorials that fall on weekdays Readers will deeply appreciate the faithful representation of the Scripture readings and their practical applications for Christian living Don Talafous OSB PhD serves as alumni chaplain for Saint John s University in Collegeville Minnesota He is author of Homilies for Weekdays Year I and Homilies for Weekdays Year II *The Spirit's Relation to the Risen Lord in Paul* Mehrdad Fatehi,2000 Mehrdad Fatehi studies Paul s letters and shows that the risen Lord is featured in the religious experiences of Paul and the Pauline believers as the present and active lord of the new covenant community These experiences seem to point beyond the notion of a divine agent alongside God to a redefinition of the very concept of God in a way that it would include Christ within itself This is confirmed by the way Paul and the Pauline communities believed themselves to have experienced the risen Lord through God s Spirit In Judaism in general as well as in Paul the Spirit was not regarded as an entity distinct or separable from God but as God himself in his presence and action in and among his people Yet we have clear evidence in Paul s letters that the risen Christ was experienced and conceived of as being present and active through the Spirit bestowing grace and gracious gifts infusing wisdom communicating his will regenerating and transforming his people and dwelling in and among them all through the Spirit in a way which is best understood after the analogy of God s presence and work through the Spirit in Judaism In other words Paul s the Spirit of Christ is best

understood after the analogy of the Spirit of God Paul's application of the Spirit language to describe and interpret the Christians experiences of the risen Lord shows that Paul most probably presupposed a redefinition of monotheism in which Christ would be included within the Godhead *Jesus Becoming Jesus* Thomas Weinandy, 2018-04-06 *Jesus Becoming Jesus* presents a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within the Synoptic Gospels He does this

CHRISTIAN LIVING R. A. Torrey, Edward D. Andrews, 2016-08-14 **Living in the Eighth Day** John-Brian Paprock, 2006-10-04 Pastoral reflections and spiritual guidance from Eastern Orthodox Christian mission in contemporary America Written by American priest Father John Brian Paprock the reflections follow the year of holy seasons according to the Malankara Orthodox Syrian Church calendar Children's Liturgy of the Word 2016-2017: A Weekly Resource Mary A. DuQuaine, *We are Risen 1* Grant Barlow, 2008-07-18 This book is here for reproof I have written this book for the deceived church trapped in doctrines of dead men and beliefs held in the mind of separation This book will not be welcomed by those determined to say they are sinners against God but will be welcomed by those who want to remember how we are created in truth as innocent powerful offspring of the living God This book will heal your mind once you give yourself permission to read it and forget what sinners say about you for doing so This book will set your mind free to hear the One Voice and to make the One choice continuously Your time is UP and you simply must know your SELF the way you are known of God You are a Miracle waiting to happen **Men who Have Risen** James Hogg, 1859
