Road Home:

The Road Home John Keller, 2011-06-25 Dave and his buddies are on their way home from the war. They look forward to civilian life but have reservations. How will they be treated? Will they be accepted? Upon landing they are greeted by protesters who are very antagonistic to them because they are soldiers. Each goes his own way with experiences both good and bad. Their reintegration back into civilian life proves to be anything but easy, each one facing similar obstacles. It proves to be a long process, one that not everyone can overcome. Dave drives cross country to get home and ends up with a companion he didn't expect. Pete wonders if his parents will accept him now that he is crippled and has to walk with crutches. Joe goes with Pete and tries to encourage him all the while wondering what his homecoming will be like. All three have memories and nightmares to deal with. How well will they succeed? This book is about the heroes and victims of the horrific situations forced upon them and the results of how they deal with them. Their characters are fiction but their flashbacks are real and each one has a tremendous price to pay for their service.
