Reading Robbe-Grillet James Dennis LeBlanc, 1979 **Les Goggles and Le Voyeur** B. G. Garnham, 1982 Minuit
Steve Spalding, 2023-06-06 How does a novel accrue value How do certain new and unknown authors and their works make their way from obscurity into the pantheon of the greats or at least the firmament of the stars Minuit examines the role played by French publishing house Editions de Minuit in altering the conception of literary France not once but twice The history of Les Editions de Minuit is an integral part of the history of the literary field in Minuit Spalding's work captures many of the cultural dimensions of literary production and dissemination at the height of France's post war intellectual and literary effervescence and again in the more recent period when Minuit became the vehicle for French literature's postmodern turn *Alain Robbe-Grillet* Dale Watson Fraizer, 1973 *Novel and Film* Bruce Morrisette, 1985-07 Post modern generative fiction Aesthetic response to novel and film The cinema a novel The case of Robbe Grillet International aspects of the Nouveau Roman Topology and the Nouveau Roman Modes of Point of view The alienated I Narrative You Interior duplication Games and game structures in Robbe Grillet The evolution of view point in Robbe Grillet *The Avant-Postman* David Vichnar, 2023-11-01 The Avant Postman explores a broad range of innovative postwar writing in France Britain and the United States Taking James Joyce's revolution of the word in *Ulysses* and *Finnegans Wake* as a joint starting point David Vichnar draws genealogical lines through the work of more than fifty writers up to the present including Alain Robbe Grillet B S Johnson William Burroughs Christine Brooke Rose Georges Perec Kathy Acker Iain Sinclair H L ne Cixous Alan Moore David Foster Wallace and many others Centering the exploration around five writing strategies employed by Joyce narrative parallax stylistic metempsychosis concrete writing forgery and neologising the logos the book reveals the striking continuities and developments from Joyce's day to our own **Leftovers** Ruth Cruickshank, 2020-01-31 The intrinsic ambivalence of eating and drinking often goes unrecognised In *Leftovers* Cruickshank's new theoretical approach reveals how representations of food drink and their consumption proliferate with overlooked figurative psychological ideological and historical interpretative potential Case studies of novels by Robbe Grillet Ernaux Darrieussecq and Houellebecq demonstrate the transferrable potential of re thinking eating and drinking **Outrage and Insight** David Walker, 1995-06-05 The Papin sisters two maids who shocked France by savagely butchering their mistress and her daughter Violette Nozières arrested for poisoning her mother and father The serial murderer Eugen Weidmann the last man to be publicly guillotined in France These sordid tales widely disseminated by the French press in articles known as the faits divers have inflamed the imaginations of French writers and intellectuals from Zola and de Beauvoir to Barthes Foucault and Lacan They are the basis for some of the most enduring characters in French fiction Julian Sorel Emma Bovary and Thérèse Desqueyroux and continue to enthrall readers on a daily basis This fascinating book is the only systematic study of the creative relationship between French writers and intellectuals and the faits divers In addition to finding inspiration in these items many French novelists

and intellectuals have been moved to comment on the psychological social and judicial issues to which they habitually give rise. The study of this phenomenon underscores the powerful hold the sensational has exerted on the nation's psyche and shows how the more lurid aspects of popular culture have fired the imaginations not only of the masses but of the intelligentsia as well.
