

ROBBERS ROGUES AND RUFFIANS

True Tales of the Wild West
HOWARD BRYAN
Foreword by Tony Hillerman

Robbers Rogues And Ruffians True Tales Of The Wild West In New Mexico

Raymond W. Barber, Patrice Bartell

Robbers Rogues And Ruffians True Tales Of The Wild West In New Mexico:

Robbers, Rogues, and Ruffians Howard Bryan,1991 Authentic accounts of outlaws and desperadoes of the western frontier based on newspaper accounts and interviews with pioneers who knew them **Outlaw Tales of New Mexico**

Barbara Marriott,2012-03-06 True stories of the Land of Enchantment s most infamous crooks culprits and cutthroats

Badasses of the Old West Erin H. Turner,2009-09-18 *Badasses of the Old West* brings together thirty six tales of the worst and best robbers rustlers and bandits who shaped the history of the Wild West in one compelling volume From the famous such as Billy the Kid and the Wild Bunch to the lesser known but still colorful and wicked Charles Brown and Bud Stevens Here are just some of the fascinating and forbidding faces you ll meet Bud Stevens whose murder of a cattle king s son rang a death knell for an entire South Dakota town William Quantrill the terror of Civil War era Missouri Legendary bandits Frank and Jesse James Cold blooded Sam Brown who sneered while cutting out a man s heart but screamed in terror when the tables turned Jack Slade a composite of gentleman and murderer who was such an enigma across much of the West that he charmed both Mark Twain and Buffalo Bill Dust off your six shooter and settle into your saddle because this collection compiles the stories of the most notorious black hat wearers of a notorious age Roadside New Mexico David Pike,2015-08

This revised and expanded edition of *Roadside New Mexico* provides additional information about these sites and includes approximately one hundred new markers sixty five of which document the contribution of women to the history of New Mexico

The Deadliest Outlaws Jeffrey Burton,2009 In the late nineteenth century Tom Ketchum and his brother Sam formed the Ketchum Gang with other outlaws and became successful train robbers In their day these men were the most daring of their kind and the most feared Eventually Tom Ketchum was caught and sentenced to death for attempting to hold up a railway train He became the first individual and the last ever to be executed for a crime of this sort Jeffrey Burton has been researching the story of the Ketchum Gang for more than forty years He sorts fact from fiction to provide the definitive truth about Ketchum and numerous other outlaws including Will Carver and Butch Cassidy *The Deadliest Outlaws* initially was published in a limited run of one hundred paperback copies in England This second edition in hardcover contains additional material and photographs not found in the earlier printing *Ride the Devil's Herd* John

Boessenecker,2020-03-17 The story of how a young Wyatt Earp and his brothers defeated the Old West s biggest outlaw gang by the New York Times bestselling author of *Texas Ranger Wyatt Earp* is regarded as the most famous lawman of the Old West best known for his role in the Gunfight at the O K Corral in Tombstone Arizona But the story of his two year war with a band of outlaws known as the Cowboys has never been told in full The Cowboys were the largest outlaw gang in the history of the American West After battles with the law in Texas and New Mexico they shifted their operations to Arizona There led by Curly Bill Brocius they ruled the border robbing rustling smuggling and killing with impunity until they made the fatal mistake of tangling with the Earp brothers Drawing on groundbreaking research into territorial and federal government

records John Boessenecker's *Ride the Devil's Herd* reveals a time and place in which homicide rates were fifty times higher than those today. The story still bears surprising relevance for contemporary America involving hot button issues such as gang violence, border security, unlawful immigration, the dangers of political propagandists parading as journalists, and the prosecution of police officers for carrying out their official duties. Wyatt Earp saw it all in *Tombstone*. Praise for *Ride the Devil's Herd*: A Pim County Public Library Southwest Books of the Year 2021, A True West Reader's Choice for Best 2020 Western Nonfiction, Winner of the Best Book Award by the Wild West History Association. A marvelous book. By means of meticulous research and splendid writing, John Boessenecker has managed to do something never before attempted or accomplished: tying together the many violent clashes between lawmen and outlaws in the American southwest of the 1870-1890 period and showing how depredations by loosely organized gangs of outlaws actually threatened Manifest Destiny and the successful taming of the Wild West. Robert K. DeArment, author and historian. A rip-snortin' ramble across the bloodstained Arizona desert with Wyatt Earp and company. Boessenecker displays a fine eye for period detail. A pleasure for thoughtful fans of Old West history. revisionist without being iconoclastic. Kirkus Reviews. **He Rode with Butch and Sundance** Mark T.

Smokov, 2012. The definitive biography of infamous western outlaw Harvey Alexander Logan, better known as Kid Curry. A violent conflict with a ranching neighbor in Montana caused him to flee to the Hole in the Wall valley in Wyoming, where he became involved in rustling and eventually graduated to bank and train robbing as a member of the Wild Bunch. This outlaw group was a melding of the best of the Hole in the Wall gang and Butch Cassidy's Powder Springs gang. Smokov shows that Curry was not the bloodthirsty killer that many have claimed. He contends that Curry was the actual train robbing leader of the Wild Bunch. **Bad Company and Burnt Powder** Bob Alexander, 2014-07-15. *Bad Company and Burnt Powder* is a collection of twelve stories of when things turned Western in the nineteenth-century Southwest. Each chapter deals with a different character or episode in the Wild West involving various lawmen, Texas Rangers, outlaws, feudists, vigilantes, lawyers, and judges. Covered herein are the stories of Cal Aten, John Hittson, the Millican boys, Gid Taylor, and Jim and Tom Murphy. Alf Rushing, Bob Meldrum, and Noah Wilkerson. P. C. Baird, Gus Chenoweth, Jim Dunaway, John Kinney, Elbert Hanks, and Boyd White and Eddie Aten. Within these pages, the reader will meet a nineteen-year-old Texas Ranger figuratively dying to shoot his gun. He does get to shoot at people but soon realizes what he thought was a bargain exacted a steep price. Another tale is of an old-school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado. He was tough, salty, and had no quarter for cow thieves or sympathy for any mealy-mouthed politicians. He cleaned house, maybe not too nicely, but unarguably successful, he was. Then there is the tale of an accomplished and unbeaten fugitive, well known and identified for murder of a Texas peace officer. But the Texas Rangers couldn't find him. County sheriffs wouldn't hold him. Slipping away from bounty hunters, he hit Owlhoot Trail. **Deadly Dozen** Robert K. DeArment, 2012-11-27. Think gunfighter and Wyatt Earp or Billy the Kid may come to mind, but what of Jim Moon, Joel Fowler, Zack Light? A host of other figures helped

forge the gunfighter persona but their stories have been lost to time In a sequel to his Deadly Dozen celebrated western historian Robert K DeArment now offers more biographical portraits of lesser known gunfighters men who perhaps weren't glorified in legend or song but who were rightfully notorious in their day DeArment has tracked down stories of gunmen from throughout the West characters you won't find in any of today's western history encyclopedias but whose careers are colorfully described here Photos of the men and telling quotations from primary sources make these characters come alive In giving these men their due DeArment takes readers back to the gunfighter culture spawned in part by the upheavals of the Civil War to a time when deadly duels were part of the social fabric of frontier towns and the Code of the West was real His vignettes offer telling insights into conditions on the frontier that created the gunfighters of legend These overlooked shooters never won national headlines but made their own contributions to the blood and thunder of the Old West people less than legends but all the more fascinating because they were real Readers who enjoyed DeArment's Deadly Dozen will find this book equally captivating as gripping as a showdown twelve times over

Writing the Southwest David King Dunaway, Sara L. Spurgeon, 2003 The accompanying CD provides excerpts from the interviews with the authors

New Mexico's Finest Don Bullis, 2000

Tascosa Frederick W. Nolan, 2007 The ranching boom of the 1880s made the Texas Panhandle town of Tascosa the cowboy capital of the world Through it passed many people good and bad who made history in the West Yet when the large ranches broke up Tascosa disappeared as quickly as it had risen Provided by publisher

The Bronco Bill Gang Karen Holliday Tanner, John D. Tanner, 2012-09-14 The short bloody career of Bronco Bill Walters and his gang captures the devil may care violence of the Wild West In this detailed narrative of the gang's crime spree in territorial New Mexico and Arizona two experts in outlaw history offer a gunshot by gunshot account of how some especially dangerous outlaws plied their trade in 1898 William Walters reached New Mexico Territory from Texas in the late 1880s and quickly gained a reputation for his ability to sit a horse and for his violent ways The Bronco Bill Gang skillfully dissects his propensity for trouble and shows how he soon found himself in the territorial penitentiary In the spring of 1898 after a sojourn stealing horses in Arizona Walters and four apprentice outlaws turned to armed robbery holding up passenger trains on the Santa Fe Railroad in Grants and Bel'n New Mexico By the time a Wells Fargo posse captured Bronco Bill two of the outlaws two deputies and a Navajo tracker had been killed in gunfights Anyone with a taste for western history or an interest in New Mexico and Arizona in the bad old days will find this book irresistible The authors attention to the ways Bill and his men fell into a life of crime shows us the real West where cowboys and gunmen could wind up on either side of the law The Bronco Bill Gang is the first book to explore this fabled band of outlaws who crisscrossed the American Southwest
