Stevenson, 2009-10-02 Robert Louis Stevenson has always been a writer's writer Contemporaries like Arthur Conan Doyle and Henry James were awed by his kaleidoscopic invention and the flawless English of his prose while later authors like Somerset Maugham and Robertson Davies drawn to the physical and psychological exotica of his subject introduced him into their own writing a quasi postmodernist way of elevating their own status by alluding to his achievement and doffing their hats at the same time Yet Stevenson was also and perhaps foremost a reader's writer a phrase that has less currency but far greater reach Jorge Luis Borges offered it as his belief that Stevenson brought happiness to more people than any other author although the observation was admittedly made before the age of the megamarket paperback The great Argentinean who late in life could refer to details from Stevenson's earliest short stories with astonishing accuracy clearly derived immense pleasure in conjuring up fictions that he read as a young man His example illuminates an experience shared by all sorts and conditions of Stevenson readers they remember him or come to him from the profusion of his compositions and even from forms like cinema that his work was subsequently incorporated into One reader might have a dim memory of a line
