

Russia Looks At America

Milla Fedorova

Russia Looks At America:

Russia Looks at America Robert V Allen, 1988 *Imagining America* Alan M. Ball, 2004-09-09 In *Imagining America* historian Alan M Ball explores American influence in two newborn Russian states the young Soviet Union and the modern Russian Republic Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as quickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore

Russian and American Cultures Konstantin V. Kustanovich, 2018-11-15 Russia is a great country both in terms of size and its achievements It is the largest country in the world and perhaps the richest one as well if one counts all its natural resources combined The Russian population is well educated and its sciences and technology are quite advanced It is also a country with political legal and economic systems similar to those in Western Europe and North America What then prevents it from joining the community of Western democratic societies What makes it always slide back into the habitual mode of authoritarianism nationalism and permeating corruption even when formal democratic institutions and structures are installed Why does it stubbornly resist any attempts to promote democracy and liberalism Is it because some curse hangs over the country and it always ends up in the hands of a bad government The author of this book is convinced that the Russian government is just a derivative of the entire population the entire culture The book is thus devoted to Russian culture in comparison with Western cultures and the United States in particular The author begins this juxtaposition at the dawn of Russian history the Christianization of Russia in the late tenth century Religion played a tremendous role in shaping Russian tradition from the tenth through the seventeenth centuries Choosing Greek Orthodoxy Russia made the first and decisive step away from Western Christianity inheriting the Byzantine kind of authoritarianism and banning not only the religious doctrine but also all knowledge coming from the West including Latin The author also demonstrates how serfdom and the agricultural commune which lasted virtually into the twentieth century fostered the culture of collectivism nationalism and legal nihilism The book's last part explores the psychology of Russian perceptions of the United States a crucial factor in the relationships between the two countries Russian culture the author contends persists due to inculcating children during the early childhood socialization thus passing values and myths from generation to generation This book represents a truly interdisciplinary project employing ideas and research results from such disciplines as cultural and psychological anthropology social psychology psychology of child development sociology semiology law and history of Russia and Russian religion

Russia and America George Ginsburgs, Oles M. Smolansky, 1993-09-09 As we move into the post Cold War era American and Russian leaders need to rethink their basic

assumptions about security about foreign policy priorities and about essential political alignments including first and foremost their relationship with one another This volume intended for anyone interested in international affairs as well as for classroom use examines a range of critical issues and their implications for U S Russian relations *Russia, America, the Bomb and the Fall of Western Europe* Brian May, 2024-01-01 First published in 1984 *Russia America the Bomb and the Fall of Western Europe* offers a dual approach to unilateral nuclear disarmament While it systematically analyzes and rejects stock arguments for retaining nuclear weapons from the supposed threat of Soviet invasion to fears of Finlandization and the loss of mineral resources it examines the issue within the context of Western Europe s historic fall This is described with the help from Arnold Toynbee Plato and Marx Brian May argues that if West European civilization is to survive it must find the moral strength to stand on its own feet make its own accommodation with the USSR and abandon dependence on its offshoot on the other side of the Atlantic whose policies could lead to its destruction This book will be of interest to students of geopolitics international relations security studies and history *The American Steppes* David Moon, 2020-04-02 Explores the transnational movements of people plants agricultural sciences and techniques from Russia s steppes to North America s Great Plains *A Russian Paints America* Pavel P. Svin'in, Marina Swoboda, William Whisenhunt, 2008-10-17 Pavel Petrovich Svin in 1787 88 1839 was a painter diplomat and journalist who spent two years as part of the first Russian diplomatic mission to the United States Soon after returning to Russia Svin in published a travel narrative of his experiences

Transnational Russian-American Travel Writing Margarita Marinova, 2012-05-22 In this study Marinova examines the diverse practices of crossing boundaries tactics of translation and experiences of double and multiple political and national attachments evident in texts about Russo American encounters from the end of the American Civil War to the Russian Revolution of 1905 Marinova brings together published writings archival materials and personal correspondence of well or less known travelers of diverse ethnic backgrounds and artistic predilections from the quintessential American Mark Twain to the Russian Jewish ethnographer and revolutionary Vladimir Bogoraz from masters of realist prose such as the Ukrainian born Vladimir Korolenko and the Jewish Russian American Abraham Cahan to romantic wanderers like Edna Proctor Isabel Hapgood or Grigorii Machtet By highlighting the reification of problematic stereotypes of ethnic and racial difference in these texts Marinova illuminates the astonishing success of the Cold War period s rhetoric of mutual hatred and exclusion and its continuing legacy today **Russian-American Dialogue on Cultural Relations, 1776-1914** Norman E. Saul, Richard D. McKinzie, 1997 *Russian American Dialogue on Cultural Relations 1776 1914* the third volume in the *Russian American Dialogues* series provides English translations of the best Russian scholarship on cultural relations Each essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals

during the nineteenth century and the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914 brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations

A Companion to the American Revolution Jack P. Greene, J. R. Pole, 2008-04-15 A Companion to the American Revolution is a single guide to the themes events and concepts of this major turning point in early American history Containing coverage before during and after the war as well as the effect of the revolution on a global scale this major reference to the period is ideal for any student scholar or general reader seeking a complete reference to the field Contains 90 articles in all including guides to further reading and a detailed chronological table Explains all aspects of the revolution before during and after the war Discusses the status and experiences of women Native Americans and African Americans and aspects of social and daily life during this period Describes the effects of the revolution abroad Provides complete coverage of military history including the home front Concludes with a section on concepts to put the morality of early America in today's context

Yankees in Petrograd, Bolsheviks in New York Milla Fedorova, 2013-03-15 Yankees in Petrograd Bolsheviks in New York examines the myth of America as the Other World at the moment of transition from the Russian to the Soviet version The material on which Milla Fedorova bases her study comprises a curious phenomenon of the waning nineteenth and early twentieth centuries pilgrimages to America by prominent Russian writers who then created travelogues The writers' missions usually consisted of two parts the physical journey which most of the writers considered as ideologically significant and the literary fruit of the pilgrimages Until now the American travelogue has not been recognized and studied as a particular kind of narration with its own canons Arguing that the primary cultural model for Russian writers' journey to America is Dante's descent into Hell Fedorova ultimately reveals how America is represented as the country of dead souls where objects and machines have exchanged places with people where relations between the living and the dead are inverted

U.S. Disengagement from Latin America : Compromised Security and Economic Interests United States. Congress. House. Committee on Foreign Affairs. Subcommittee on the Western Hemisphere, 2014

Russian/Soviet Studies in the United States, Amerikanistika in Russia Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of

research interests were typically determined by the political and social debates in scholars native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty first centuries In both parts the role of the human factor in the study of mutual representations is elucidating

The Long Lasting Journey Leo Pevsner,2013-06-24 Over three thousand years separate the exodus of biblical Jews from the land of Egypt and the last wave of Jewish migrants to exit Russia Today hundreds of thousands of Russian Jews find themselves in the United States Israel and elsewhere What made them depart this time around What country are they loyal to And finally who is a Russian Jew The Long Lasting Journey is about a people in quest of a better destiny The story is written against the backdrop of dramatic political developments in two world superpowers in the second half of the twentieth century Historical and social conditions of the past century have formed the distinct culture of Soviet Jews an educated ambitious secular and yet conservative people For these people the journey is a cultural integration to a new society a society with a social order polar opposite from that of their own It is also about the principle fiber of a people with a split identity They are deeply rooted in Russian culture but maintain an elusive difference from the Russian majority they consider themselves Jewish but are essentially distant from Judaism they carry on an American way of life but their mind set alienates them from the US mainstream A mixture of personal divisive experiences focused observations and subjective reflections about these people of the last exodus determined the substance of this first person narrative The Long Lasting Journey outlines the cultural merits left behind in one world and found in another

Building a new New World Jean-Louis Cohen,2021-01-12 An essential exploration of how Russian ideas about the United States shaped architecture and urban design from the czarist era to the fall of the U S S R Idealized representations of America as both an aspiration and a menace played an important role in shaping Russian architecture and urban design from the American Revolution until the fall of the Soviet Union Jean Louis Cohen traces the powerful concept of Amerikanizm and its impact on Russia s built environment from early czarist interest in Revolutionary America through the spectacular World s Fairs of the 19th century to department stores skyscrapers and factories built in Russia using American methods during the 20th century Visions of America also captivated the Russian avant garde from El Lissitzky to Moisei Ginzburg and Cohen explores the ongoing artistic dialogue maintained between the two countries at the mid century and in the late Soviet era following a period of strategic competition This first major study of Amerikanizm in the architecture of Russia makes a timely contribution to our understanding of modern architecture and its broader geopolitics

Presenting America's World Tamar Y. Rothenberg,2016-12-05 National Geographic magazine is probably the most visible and popular expression of geography in the USA Presenting America s World presents a critical analysis of the world portrayed by National Geographic

from its formative years in the nineteenth century through to 1945 It situates the National Geographic Society's development within the context of a new American overseas expansionism interrogates the magazine as America's ubiquitous source of wholesome exotica and erotica examines the ways in which it framed the world for its millions of readers and questions its participation in the cultural work of US global hegemony The book argues that National Geographic successfully employed strategies of innocence a contradictory stance of representation which simultaneously asserts innocence either the innocence of just watching or the innocence of altruistic behaviour while naturalizing Western hegemony Presenting America's World not only considers the world that National Geographic presented to its readers but also examines the magazine's own institutional world of writers photographers and editors Particular attention is paid to Gilbert H Grosvenor the magazine's editor for over 50 years Maynard Owen Williams a writer and photographer who worked on nearly 100 articles from 1919 to 1960 and Harriet Chalmers Adams a freelancer explorer and Pan American activist who contributed 21 articles

America's Abandoned Sons Robert S. Miller, 2012-06-19 QUOTE Tens of thousands of America's WWII Korean Conflict and Vietnam War military servicemen ended up as hostages secretly hijacked into the USSR Today this regrettable saga is still one of America's most closely guarded secrets As WWII ended Stalin captured all of Germany's eastern areas in which tens of thousands of captured American POWs were then being detained by Hitler's armed forces Stalin secretly held them as hostages and denied any knowledge of them as the Cold War began Their status unknown Washington eventually declared them dead when in fact they were still alive in captivity Thousands more were lost the same way when the Korean War ended China and the USSR secretly exploited these hostages for intelligence purposes and then also disposed of them Vietnam saw still more held back by Hanoi after that conflict ended for the same reasons again Today these abandoned sons a few of whom may still be alive in captivity as you read this are considered one of Washington's most closely guarded secrets Now is time to expose this secret and end this unfortunate Cold War saga *North American Strategic Defense in the 21st Century*: Christian Leuprecht, Joel J. Sokolsky, Thomas Hughes, 2018-04-25 The protection of the homeland is the top priority for U S national security strategy Strategic defense however has been an overlooked dimension in the vast literature on the U S strategic posture with even less attention given to the necessity and dynamics of security collaboration within North America Drawing on the expertise of scholars from the U S Canada and Mexico the book offers a wide range of perspectives on recent trends in and future prospects for the military and political evolution of North American strategic defense North American strategic defense is a topic too often taken for granted as this excellent book shows that is a mistake In the 21st century perhaps even more than the 20th it will be an issue of cardinal importance to both the United States and Canada Eliot A Cohen Robert E Osgood Professor of Strategic Studies Johns Hopkins School of Advanced International Studies NORAD's binational command is unique and this timely and ambitious book examines its continued relevance to North American defense against a host of new global threats It broadens the focus of what we mean by North American defense contemplates

how we might include Mexico in various regional security arrangements and considers the dynamics of expanded North American interdependence in the Trump era Laura Dawson Director of the Canada Institute Woodrow Wilson International Center for Scholars North American Strategic Defense in the 21st Century is an important book This edited volume brings together a galaxy of stars both rising and established with outstanding credentials regarding NORAD and associated matter in the study of security This original and well written volume is the first of its kind since the Cold War long overdue and impressive in contents The chapters cover both panoramic issues and more specific matters and the collection is essential reading for academics policy makers and the general public Patrick James Dornisfe Dean s Professor School of International Relations University of Southern California Concord and Conflict Norman E. Saul,1996 Between 1867 the year of the Alaskan purchase and the beginning of World War I Russian and American dignitaries diplomats businessmen writers tourists and entertainers crossed between the two countries in surprisingly great numbers Concord and Conflict provides the first comprehensive investigation of this highly transformational and fateful era in Russian American relations Excavating previously unmined Russian and American archives Norman Saul illuminates these fifty significant and open years of association between the two countries He explores the flow and fluctuation of economic diplomatic social and cultural affairs the personal and professional conflicts and scandals and the evolution of each nation s perception of the other **American Wars, American Peace** Philip D. Beidler,2007 As a writer Philip D Beidler has often drawn on his combat experience in Vietnam and his deep engagement with American popular culture His essays tap these sources in powerful truth telling ways In American Wars American Peace another voice emerges distinct yet also tied to Beidler s wartime memories and his love of literature film and music It is the voice of one of the baby boom progeny of the Greatest Generation who at home and abroad became the foot soldiers not just in Vietnam but in the Peace Corps the civil rights movement the women s movement and beyond Beidler has experienced enough of history to question the kinds of peace that one empire after another has tried to impose on the world at whatever immense costs As he reflects on terrorism patriotism geopolitics sacrifice propaganda and more Beidler revisits his generation s inherited vision of national purpose and he asks what happened These essays are a sobering wake up call for even the most informed and conscientious citizen

Thank you for downloading **Russia Looks At America**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Russia Looks At America, but end up in harmful downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they cope with some malicious bugs inside their computer.

Russia Looks At America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia Looks At America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia Looks At America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia Looks At America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russia Looks At America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Looks At America is one of the best book in our library for free trial. We provide copy of Russia Looks At America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Looks At America. Where to download Russia Looks At America online for free? Are you looking for Russia Looks At America PDF? This is definitely going to save you time and cash in something you should think about.
