Taylor, 1988 *Russian Icons at Hillwood* Wendy R. Salmond, 1998 Hillwood was the Washington residence of Marjorie Merriweather Post 1887 1973 cereal heiress collector and philanthropist Mrs Post collected art throughout her life emphasizing only the finest French and Russian objects Today the collection of fine and decorative arts includes many exemplary pieces by some of Europe's most renowned artists cabinetmakers and goldsmiths Of particular note are dinner plates commissioned by Catherine the Great Easter eggs by Carl Fabergé and chalices and icons that evoke the splendor of imperial Russia as well as 18th century French tapestries furniture and Sevres porcelain The quality and quantity of the Russian art at Hillwood is unparalleled outside Russia **A Taste for Splendor** Anne Odom, 1998 Presents Russian objects in their European context allowing for the unique opportunity to rediscover the interaction of creative design between Russia and western Europe Commentary on about 250 objects from the Hillwood Museum is generously illustrated with colorplates and four essays provide historical social and artistic context for the objects and collector Marjorie Merriweather Post's activities Includes a catalogue of works as well as notes on art conservation at Hillwood Distributed by U of Washington Press Annotation copyrighted by Book News Inc Portland OR *Russian Imperial Porcelain at Hillwood* Anne Odom, 1999 From the collection of Marjorie Merriweather Post **Reclaiming and Redefining American Exhibitions of Russian Art** Roann Barris, 2023-08-23 This book examines the history of American exhibitions of Russian art in the twentieth century in the context of the Cold War Because this history reflects changes in museological theory and the role of governments in facilitating or preventing intercultural cooperation it uncovers a story that is far more complex than a chronological listing of exhibition names and art works Roann Barris considers questions of stylistic appropriations and influences and the role of museum exhibitions in promoting international and artistic exchanges Barris reveals that Soviet and American exchanges in the world of art were extensive and persistent despite political disagreements before during and after the Cold War It also reveals that these early exhibitions communicated contradictory and historically invalid pictures of the Russian or Soviet avant garde The book will be of interest to scholars working in art history museum studies and Russian studies *Fabergé Eggs* Will Lowes, Christel Ludewig McCanless, 2001 This work presents detailed technical descriptions of 66 Fabergé eggs as well as the stories of people involved in their making or presentation *Russian Glass at Hillwood* Hillwood Museum and Gardens, Karen L. Kettering, 2001 Pieces from the collection of Marjorie Merriweather Post **The Art Market and the Museum** Frances Fowle, MaryKate Cleary, 2025-04-03 This book considers how art market stakeholders including art dealers collectors and agents have shaped museum collections and affected exhibition practices since the mid nineteenth century Based on new archival research and data analysis it explores the role of dealers not only in selling directly to museums but in influencing

museum collecting priorities as well as potential donors It also examines the important but hitherto overlooked contribution of the female curator agent The book is divided into three sections which address the relationship between art dealers and museums women as art agents and influencers and the strategies of entrepreneurial collectors Featuring contributions from a wide range of international specialists in the market for decorative arts and antiquities as well as European modernism The Art Market and the Museum explores the origins and development of the modern Western art market and the global art networks that operated not only in Paris London and New York but in cities such as Glasgow Vienna Melbourne and Kansas City It is perfect reading for scholars and researchers on the history of the art market museum studies and art history more broadly
