Russian Foreign Policy

Jeffrey Mankoff

Russian Foreign Policy:

Russian Foreign Policy Olga Oliker, 2009 As Russia's economy has grown so have the country's global involvement and influence which often take forms that the United States neither expects nor likes The authors assess Russia's strategic interests and goals examining the country's domestic policies economic development security goals and worldview They assess implications for U.S. interests and present ways that Washington could work to improve its relations with Moscow

Russian Foreign Policy Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U.S. power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

The Sources of Russian Foreign Policy Assertiveness Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet

times The challenges to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness As a result Russia is becoming more committed to Eurasian integration and nurturing relations with China This book further argues that Russia's relations with the post Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus The role of domestic factors in the country's foreign policy such as authoritarianism regime vulnerability and the role of political factions is also examined *Russia's Foreign Policy* Andrei P. Tsygankov, 2006-05-25 Exploring Soviet Russian international relations this book compares foreign policy formation under Gorbachev Yeltsin and Putin Showing how Moscow's policies have shifted with each leader's vision of Russia's national interests it also evaluates the successes and failures of Russia's foreign policies *United Government and Foreign Policy in Russia, 1900-1914* David MacLaren McDonald, 1992 In 1904 a small distant war brought Russia to the brink of internal collapse and yet within ten years the country embroiled itself in an incomparably larger conflict close to home How the war with Japan and its aftermath actually steered Russia toward such an unlikely fateful decision is the subject of David McDonald's book an analysis of Russian foreign policy on the eve of World War I *Russia's Foreign Policy* Aldo Ferrari, Eleonora Tafuro Ambrosetti, 2021-06-09 Who decides what in Moscow The answer is not always Vladimir Putin However when explaining Russia's foreign policy the consolidation of Putin's autocratic tendencies and his apparent stability despite many economic and political challenges have contributed at least in the West to an excessive Putin centrism and the relative neglect of other agents of domestic politics As a result many facets of the country's foreign policy decisions are misunderstood or shrouded under a thin veil of vagueness and secrecy This Report attempts to fill this gap exploring the evolving distribution of political and economic power under the surface of Putin's leadership to assess the influence of different lobbies on Russia's foreign policy All of the contributions in the volume underline the complexity of Russia's decision making process beneath the surface of a monolithic and increasingly personalistic government **Russian Foreign Policy** Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study **Russian Foreign Policy** Jeffrey Mankoff, 2011-09-22 Introduction the guns of August Contours of Russian foreign policy Bulldogs fighting under the rug the making of Russian foreign policy Resetting expectations Russia and the United States Europe between integration and confrontation Rising China and Russia's Asian

vector Playing with home field advantage Russia and its post Soviet neighbors Conclusion dealing with Russia s foreign policy reawakening

Perspectives on Russian Foreign Policy (Enlarged Edition) Stephen J. Blank, Strategic Studies Institute, U.S. Army War College, 2013-05-21 The essays gathered here represent a panel at SSI s annual Russia conference in 2011 They focus on the analysis of Russian foreign policy both on its material side or actual conduct as well as on the cognitive bases of Russian thinking about international affairs and Russian national security They span much of the gamut of that foreign policy and also show its strong linkages to the Russian historical tradition and to the imperatives of Russian domestic development

Russian Foreign Policy Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22 In a truly contemporary analysis of Moscow s relations with its neighbors and other strategic international actors Gvosdev and Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others

Russian Foreign Policy After the Cold War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia s foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin s reform agenda and 2 Russia s geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski s study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government

Explaining Russian Foreign Policy Behavior Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind Russia s international conduct in the post Soviet era examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism Eurasianism derzhavniki realpolitik geopolitics neo Marxism radical nationalism and post positivism The Russian post Soviet threat perceptions and national security doctrines are studied The author critically assesses the evolution of Russian foreign policy decision making over the last 25 years and analyzes the roles of various governmental agencies interest groups and subnational actors Concluding that a foreign policy consensus is gradually emerging in contemporary Russia Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity Alexander Sergunin argues that Russia s current domestic situation defined by numerous socio economic inter ethnic demographic environmental

and other problems dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals

Russian Foreign Policy Since 1990 Peter Shearman, 2018-02-12 A book which brings together leading experts on Russia's foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia's search for a new identity *Understandings of Russian Foreign Policy* Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia's decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen [The Foreign Policy of Russia](#) Robert H. Donaldson, Vidya Nadkarni, 2023-10-26 This text traces the lineage and development of Russian foreign policy with the insight that comes from a historical perspective Now fully updated the seventh edition incorporates new coverage of issues including relations with the major powers and with other post communist states with an emphasis on tensions with the United States and engagement with Ukraine Crimea and Syria International security issues including arms control sanctions and intervention continue to grow in importance Domestic and regional issues related to natural resource politics human rights Islamism and terrorism also persist Chronologically organized chapters highlight the continuities of Russia's behavior in the world since tsarist times as well as the major sources of change and variability over the revolutionary period wartime alliances and Cold War d tente the Soviet collapse and the first post communist decades The basic framework used in the book is a modified realism that stresses the balance of power and the importance of national interest and it identifies several factors both internal and external that condition Russian policy The interpretations are original and based on a mix of primary and secondary sources New to the Seventh Edition A new concluding chapter Russia Openly Confronts the Collective West Thoroughly updated coverage of Russia's bilateral relations with the United States and countries in Europe Asia Africa and Latin America Expanded discussion of Moscow's efforts to control the flow of information at home and abroad as it employs Russia's soft power assets Russian American relations especially with respect to continuing interference in the U S elections and to U S foreign policy concerns in the Far East Iran and Syria The full unfolding of the Ukraine crisis culminating in Russia's invasion of Ukraine Vladimir Putin's escalated claims of the superiority of Russian cultural values and more openly imperialistic ambitions Expanded coverage of Russia's relations with China and India now in a separate chapter on this strategic triangle Greater attention to the impact of climate change on Russian foreign policy including its heightened activity in the Arctic Significant new developments in the Middle East including the collapse of the

nuclear deal with Iran the expanded Russian role in the Syrian civil war and the growing complexity in Russian Turkish relations

Russia Between East and West Gabriel Gorodetsky, 2004-08-02 Gabriel Gorodetsky unravels President Putin's efforts to re-establish Russia's position as a major power attempting to reconcile Russia's traditional national interests with the newly emerging social and political entity taking shape at home *Russia's Foreign Policy* D. Cadier, M. Light, 2015-06-30 This edited volume analyses the evolution and main determinants of Russia's foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia's foreign policy since the beginning of Vladimir Putin's third presidential term

Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union *Russian Foreign Policy toward Missile Defense* Bilyana Lilly, 2014-08-21 This book is devoted to one of the central issues in U S Russian and NATO Russian relations ballistic missile defense Drawing on more than 2 000 primary sources interviews with Russian and NATO officials and a variety of Russian and Western publications this book offers an unparalleled in depth analysis of the reasons behind Russia's policy towards the construction of a U S ballistic missile defense in Europe It provides a critical assessment of the decision making mechanisms that shape Russia's position on ballistic missile defense as well as Russia's strategic relations with the United States and Russia's interaction with European and non European powers Lilly argues that contrary to Moscow's official claims during the Putin era Russian objections to the construction of ballistic missile defense in Europe have not been wholly dictated by security concerns To Russia missile defense is not purely an issue in and of itself but rather a symbol and instrument of broader political considerations At the international level the factors that have shaped Russia's response include Moscow's perception of the overall state of U S Russian relations the Kremlin's capacity to project influence and power abroad and NATO's behavior in the post Soviet space Domestically the issue of missile defense has been a facilitating instrument for strengthening Putin's regime and justifying military modernization Taken together these instrumental considerations and their fluctuating intensity in different periods prompt the Russian leadership to pursue contradictory policy approaches simultaneously On the one hand the Kremlin seeks U S cooperation while on the other hand it threatens retaliation and reinforces Russian offensive capabilities The result is Moscow's incoherence inconsistency and double speak over the issue of missile defense

Russian Foreign Policy Introduction

In today's digital age, the availability of Russian Foreign Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Foreign Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Foreign Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Foreign Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Foreign Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Foreign Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Foreign Policy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Foreign Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Foreign Policy books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Foreign Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Foreign Policy is one of the best book in our library for free trial. We provide copy of Russian Foreign Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Foreign Policy. Where to download Russian Foreign Policy online for free? Are you looking for Russian Foreign Policy PDF? This is definitely going to save you time and cash in something you should think about.
