## **Russian Opera:**

The Russian Opera Rosa Newmarch, 2022-09-15 In *The Russian Opera* Rosa Newmarch provides an insightful exploration of Russian operatic traditions tracing their evolution from the early 18th century to the 20th century. Employing a scholarly yet accessible literary style, she interweaves historical analysis with vivid descriptions of operatic works and figures, allowing readers to engage deeply with the cultural nuances of Russian art. Newmarch's examination emphasizes the significant influences of national identity and folk traditions on the operatic form, contributing to a richer understanding of the genre within the broader context of European music and cultural movements. Rosa Newmarch was a prominent musicologist and a passionate advocate for Russian music during a time of growing Western interest in Eastern art forms. Born in 1857 in England, she developed a keen interest in the intricacies of Russian cultural expressions, which led her to translate and promote the works of key Russian composers including Tchaikovsky and Rimsky-Korsakov. Her firsthand experiences and deep-rooted knowledge of both English and Russian cultural spheres are vividly reflected in her writing, offering a unique perspective that bridges both worlds. This book is highly recommended for musicologists, students, and enthusiasts alike. Newmarch's passion and expertise illuminate the complexities of Russian opera, making it an essential read for anyone looking to understand the interplay between music, culture, and history in this captivating genre.

*Bewitching Russian Opera* Inna Naroditskaya, 2018-11-01 In *Bewitching Russian Opera: The Tsarina from State to Stage*, author Inna Naroditskaya investigates the musical lives of four female monarchs who ruled Russia for most of the eighteenth century: Catherine I, Anna Elizabeth, and Catherine the Great. Engaging with ethnomusicological, historical, and philological approaches, her study traces the tsarinas' deeply invested interest in musical drama as each built theaters, established drama schools, commissioned operas and ballets, and themselves wrote and produced musical plays. Naroditskaya examines the creative output of the tsarinas across the contexts in which they worked and lived, revealing significant connections between their personal creative aspirations and contemporary musical theatrical practices and the political and state affairs conducted during their reigns. Through contemporary performance theory, she demonstrates how the opportunity for role playing and costume changing in performative spaces allowed individuals to cross otherwise rigid boundaries of class and gender. A close look at a series of operas and musical theater productions from Catherine the Great's fairy tale operas to Tchaikovsky's *Pique Dame* illuminates the transition of these royal women from powerful political and cultural figures during their own reigns to a marginalized and unreal Other under the patriarchal dominance of the subsequent period. These tsarinas successfully fostered the concept of a modern nation and collective national identity, only to then have their power and influence undone in Russian cultural consciousness through the fairy tale operas of the 19th century that positioned tsarinas as magical and dangerous figures, rightfully displaced and conquered by triumphant heroes on the stage and by the new patriarchal rulers in the state. Ultimately, this book demonstrates that the theater served as an experimental space for these imperial women in which they

rehearsed probed and formulated gender and class roles and performed on the musical stage political ambitions and international conquests which they would later enact on the world stage itself Bewitching Russian Opera Inna Naroditskaya, 2012-02-16 Overture Russia's imperial prima donnas Russian Minervas staging empire The play of possibilities serfs enacting aristocrats countesses playing peasants Catherine the Empress ario making tales into princely operas Oleg at the roots of Russian historical opera Interlude to patria and nation Ruslan and Liudmila the princess the witch and the dwarf Rusalka water power and women Mlada and the spellbinding female circle Sadko he is the hero The inescapable Queen
