Russian Revolution Of 1917 Contemporary Accounts

Scott C. Dulebohn

Russian Revolution Of 1917 Contemporary Accounts:

The Russian Revolution of 1917, 1971 Contains primary source material
The Russian revolution of 1917: contemporary accounts Dimitri Sergius Von Mohrenschildt,
The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state
Russia in the Age of Modernisation and Revolution 1881 - 1917 H. Rogger, 2014-07-30 Hans Rogger's study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years
Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989
The Russian Revolution of 1917. Contemporary accounts. [Ed. by] D. von Mohrenschildt, 1971
Russia, the Roots of Confrontation Robert Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma It springs from the thesis that Russia's national character and its international relations can be understood only in light of the traumas and triumphs privation and privileges that the country weathered under the tsars and the Soviets
Reading Russian Sources George Gilbert, 2020-01-20 Reading Russian Sources is an accessible and comprehensive guide that introduces students to the wide range of sources that can be used to engage with Russian history from the early medieval to the late Soviet periods Divided into two parts the book begins by considering approaches that can be taken towards the study of Russian history using primary sources It then moves on to assess both textual and visual sources including memoirs autobiographies journals newspapers art maps film and TV enabling the reader to engage with and make sense of the burgeoning number of different sources and the ways they are used Contributors illuminate key issues in the study of different areas of Russia's history through their analysis of source materials exploring some of the major issues in using different source types and reflecting recent discoveries that are changing the field In so doing the book orientates students within the broader methodological and conceptual debates that are defining the field and shaping the way Russian history is studied Chronologically wide ranging and supported by further reading along with suggestions to help students guide their own enquiries Reading Russian Sources is the ideal resource for any student undertaking research on Russian history
The Russian Revolution Daniel R. Brower, 1979
The Course of Russian History, 5th Edition

Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history *Dear Comrades Vladimir N.*

Brovkin, 2013-09-01 This presentation of previously unpublished documents from the Hoover Institution Library Archives draws a dramatic picture of the Russian Civil War and the establishment of the Communist dictatorship as witnessed by members of the Russian Social Democratic Workers Party or Mensheviks When the opposing Bolsheviks consolidated their power to emerge as the ruling party of the 1917 revolution the political influence of the Mensheviks was swept away and most were driven to exile in Siberia The historic power struggle that raged as the two parties vied for supremacy in postimperial Russia comes to light through these accounts not official party statements but vivid reports letters and eyewitness testimonies by Mensheviks ordinary citizens from diverse walks of life and different parts of the Soviet Union Together these materials create a mosaic of individual portraits and circumstances that illustrate the conflicts struggles and repression during the period of Soviet politics under Lenin The primary source documents skillfully edited and translated by Vladimir N Brovkin show the formation of a new mentality among Communist rulers and a new relationship to the workers one that replaced multiparty competition with unquestioning obedience military discipline and intolerance **Bourgeois**

Liberty and the Politics of Fear Marc Mulholland, 2012-10-04 An examination of state building class conflicts revolutions and fear of revolutions from the English Civil War of the 1640s to the invasion of Iraq in 2003 and the Great Recession from 2003 Sheds new light on key topics and events and offers a fully substantiated argument about the interplay of bourgeois liberty and proletarian democracy *Six Weeks in Russia, 1919* Arthur Ransome, 2012-02-02 But for Swallows and Amazons

some of Arthur Ransome's earlier writings would be better known The extraordinary success Ransome achieved as a children's writer from the 1930s until his death in 1967 perhaps inevitably eclipsed his earlier work but in the case of his two books and pamphlet on the Russian revolutions of 1917 and the tumultuous events that followed that is a great loss it can be said unequivocally that these writings are on a par perhaps even exceeding such classics as John Reed's *Ten Days that Shook the World* Arthur Ransome knew Russia He lived there from 1914 to 1918 almost all the time He taught himself Russian and

became a foreign correspondent for the liberal Daily News and Manchester Guardian More than that he came to know many of the Bolshevik leaders like Lenin Trotsky and Checherin almost as personal friends and indeed married Trotsky s secretary Evgenia Petrovna Shelepina Arthur Ransome as a commentator on the Russian scene at the most convulsive moment in its history is unique Unlike famous visitors like H G Wells though his marvellous book Russia in the Shadows shouldn t be overlooked and Bertrand Russell his was no brief journalistic inspection and unlike other reporters such as John Reed Victor Serge and Alfred Rosmer there was no tendentiousness in what he wrote they were convinced revolutionaries Ransome although not unsympathetic to the Bolshevik cause was a more objective recorder Six Weeks in Russia The Crisis in Russia and the pamphlet The Truth about Russia constitute the best contemporary writing about Russia at the time of the Bolshevik takeover They were reissued in the early 1990s with an introduction by Paul Foot which has been retained for the Faber Finds reissue of Six Weeks in Russia otherwise they have been out of print since first published **The Russian**

Revolution Robert Vincent Daniels,1972 Lenin Ronald Clark,2011-09-28 In this accomplished biography of Vladimir Lenin Ronald Clark fills in the gap left by political economic and social historians Lenin s personality Clark introduces readers to Lenin the man an enthusiastic mountaineer with a sardonic sense of humor an affectionate husband with a long rumored affair Clark examines and describes the personality of one of the most dedicated and single minded political leaders of the 20th century **Canadian-American Slavic Studies** ,1973 A quarterly journal devoted to Russia and East Europe

The Russian Revolution Richard Pipes,2011-07-13 A groundbreaking inclusive history of the Russian Revolution for those who want to discover what really happened to Russia The New York Times Book Review A monumental study Wall Street Journal enthralling in its narrative of a movement whose purpose in the words of Leon Trotsky was to overthrow the world The Russian Revolution draws conclusions that have aroused great controversy Richard Pipes argues convincingly that the Russian Revolution was an intellectual rather than a class uprising that it was steeped in terror from its very outset and that it was not a revolution at all but a coup d etat the capture of governmental power by a small minority **October** China

Miéville,2018-05-22 Multi award winning author China Mi ville captures the drama of the Russian Revolution in this engaging retelling of the events that rocked the foundations of the twentieth century Village Voice In February of 1917 Russia was a backwards autocratic monarchy mired in an unpopular war by October after not one but two revolutions it had become the world s first workers state straining to be at the vanguard of global revolution How did this unimaginable transformation take place In a panoramic sweep stretching from St Petersburg and Moscow to the remotest villages of a sprawling empire Mi ville uncovers the catastrophes intrigues and inspirations of 1917 in all their passion drama and strangeness Intervening in long standing historical debates but told with the reader new to the topic especially in mind here is a breathtaking story of humanity at its greatest and most desperate of a turning point for civilization that still resonates loudly today **Toward a United States of Russia** Dimitri Sergius Von Mohrenschildt,1981 A comprehensive survey of the

federal regional trend in nineteenth century Russian political and social thought and action The author shows conclusively that the decentralizing federal democratic trend in the nineteenth century was stronger than is generally realized Marx and Marxism Gregory Claeys, 2018-04-24 A new biography of Karl Marx tracing the life of this titanic figure and the legacy of his work Karl Marx remains the most influential and controversial political thinker in history He died quietly in 1883 and a mere eleven mourners attended his funeral but a year later he was being hailed as the Prophet himself whose name and writings would endure through the ages He has been viewed as a philosopher economist historian sociologist political theorist even a literary craftsman But who was Marx What informed his critiques of modern society And how are we to understand his legacy In Marx and Marxism Gregory Claeys a leading historian of socialism offers a wide ranging accessible account of Marx's ideas and their development from the nineteenth century through the Russian Revolution to the present After the collapse of the Soviet Union his reputation seemed utterly eclipsed but now a new generation is reading and discovering Marx in the wake of the recurrent financial crises growing social inequality and an increasing sense of the injustice and destructiveness of capitalism Both his critique of capitalism and his vision of the future speak across the centuries to our times even if the questions he poses are more difficult to answer than ever

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Russian Revolution Of 1917 Contemporary Accounts**

In some sort of inundated with displays and the cacophony of immediate interaction, the profound energy and psychological resonance of verbal art often disappear in to obscurity, eclipsed by the continuous assault of noise and distractions. However, situated within the lyrical pages of **Russian Revolution Of 1917 Contemporary Accounts**, a interesting function of fictional brilliance that pulses with raw emotions, lies an memorable trip waiting to be embarked upon. Published with a virtuoso wordsmith, this interesting opus courses visitors on a mental odyssey, delicately revealing the latent potential and profound affect embedded within the intricate web of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is central subjects, dissect their captivating writing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
