Aleksandr Sergeevich Pushkin

Russian Romantic Fiction:

Russian Romantic Fiction John Mersereau, 1983 Russian fiction was born in the age of Pushkin and in a remarkably short period of time the Russian novel became one of the glories of world literature This book tells part of the story of how this happened Of course Pushkin Gogol and Lermontov are the primary figures of the Romantic era and Mr Mersereau devotes many pages to them But it is the context of their works which is the main subject of this history the entire development of Russian prose from the start of the 19th century until 1852 This background makes the appearance of such masterpieces as *Dead Souls* *A Hero of Our Time* *The Captain's Daughter* and *The Queen of Spades* more understandable but none the less amazing Page 4 of cover *Russian Romantic Fiction* John Mersereau, 1983 Russian fiction was born in the age of Pushkin and in a remarkably short period of time the Russian novel became one of the glories of world literature This book tells part of the story of how this happened Of course Pushkin Gogol and Lermontov are the primary figures of the Romantic era and Mr Mersereau devotes many pages to them But it is the context of their works which is the main subject of this history the entire development of Russian prose from the start of the 19th century until 1852 This background makes the appearance of such masterpieces as *Dead Souls* *A Hero of Our Time* *The Captain's Daughter* and *The Queen of Spades* more understandable but none the less amazing Page 4 of cover *George Sand and the Nineteenth-century Russian Love-triangle Novels* Dawn D. Eidelman, 1994 Mauprat features Edmee a self actualizing woman as hero protagonist Here the notion of fiction of relationship emerges as male Russian authors created tragic idealized woman characters who could never really live up to the terrible perfection with which they were endowed [Reference Guide to Russian Literature](#) Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Russian Love Stories** Nadezhda L. Peterson, 2009 Russian Love Stories offers a broad range of narrative styles philosophical agendas and points of view from writers who insist on making love be it familial love or between strangers carnal or platonic real or imagined central in the lives of their characters Although all the authors represented were born in the Soviet period each was molded by a particular set of shared practices and beliefs and all offer a distinctive perspective on their experience The selections are evenly divided between men and women writers and those working in Russia or abroad This anthology is anchored in the period from the middle of the twentieth century to the present offering the reader an insider's view of Soviet and post Soviet life Yet the writer's position sometimes from within that time sometimes from the perspective of a backward glance at the past is emphatically that of an outsider **Russian Romance** Aleksandr Sergeevich Pushkin, 1875 *The Cambridge Companion to the Classic Russian Novel* Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world *The Cambridge Companion to the Classic Russian*

Doubt, Atheism, and the Nineteenth-Century Russian Intelligentsia Victoria Frede, 2011-09-08 The autocratic rule of both tsar and church in imperial Russia gave rise not only to a revolutionary movement in the nineteenth century but also to a crisis of meaning among members of the intelligentsia Personal faith became the subject of intense scrutiny as individuals debated the existence of God and the immortality of the soul debates reflected in the best known novels of the day Friendships were formed and broken in exchanges over the status of the eternal The salvation of the entire country not just of each individual seemed to depend on the answers to questions about belief Victoria Frede looks at how and why atheism took on such importance among several generations of Russian intellectuals from the 1820s to the 1860s drawing on meticulous and extensive research of both published and archival documents including letters poetry philosophical tracts police files fiction and literary criticism She argues that young Russians were less concerned about theology and the Bible than they were about the moral political and social status of the individual person They sought to maintain their integrity against the pressures exerted by an autocratic state and rigidly hierarchical society As individuals sought to shape their own destinies and searched for truths that would give meaning to their lives they came to question the legitimacy both of the tsar and of Russia's highest authority God
