Russias Evil Plan:

Prophecy Wayne J. Bentley, 2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> Russia's Hawaiian Adventure, 1815-1817 Richard A. Nothing is as it seems Cinzia Palmacci,2024-03-20 I wanted to title this book Russia and Ukraine Nothing is as it seems because of this crisis which involves two Eastern European territories so much tormented and threatened you will never have a clear and truthful picture especially by the mainstream media In truth in addition to the official narrative and compliant with the single thought to which the mainstream has always accustomed us it is there something in the history of these two territories involved in the crisis that escapes even to large networks The key to everything is the story Few know that current Ukraine was the ancient kingdom of Khazaria because the history of the people Kazaro was deliberately erased from the news so that it would not appear in any history textbook And there's a reason From the Khazar people descends the Zionism which even from a genetic point of view has nothing to do with lineage Jewish native of Palestine The Zionists have become the rulers of the world through methods that are questionable to say the least They are the masters of finance world and political and media power belongs to them pharmaceutical and military Zionists are the architects of the most unbridled globalism of which the Great Reset or Great Reset is the most hateful expression and controversial They are behind the most repressive and cruel ideologies in history communism Bolshevism Nazism etc But in this historical context increasingly tumultuous world a part of the global axis of power has become through the diabolical plan implemented by the Zionists and cherished for centuries The hatred of the West that orbits and serves American interests has identified an enemy Russia

Democracy or Demon-Crazy? Rev. Patrick E. Quainoo,2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man s laws and not God s law therefore there is no absolute truth that exists in democracy but absolute truth in God s law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God Alexander Bestuzhev-Marlinsky and Russian Byronism Lewis

Anthony Glenn Cross, 1971 *The Complete Black Book of Russian Jewry* Vasily Grossman, 2017-07-12 The Complete Black Book of Russian Jewry is a collection of eyewitness testimonies, letters, diaries, affidavits, and other documents on the activities of the Nazis against Jews in the camps, ghettos, and towns of Eastern Europe. Arguably the only apt comparison is to The Gulag Archipelago of Alexander Solzhenitsyn. This definitive edition of The Black Book, including for the first time materials omitted from previous editions, is a major addition to the literature on the Holocaust. It will be of particular interest to students, teachers, and scholars of the Holocaust and those interested in the history of Europe. By the end of 1942, 1.4 million Jews had been killed by the Einsatzgruppen that followed the German army eastward; by the end of the war, nearly two million had been murdered in Russia and Eastern Europe. Of the six million Jews who perished in the Holocaust, about one third fell in the territories of the USSR. The single most important text documenting that slaughter is The Black Book, compiled by two renowned Russian authors, Ilya Ehrenburg and Vasily Grossman. Until now, The Black Book was only available in English in truncated editions. Because of its profound significance, this new and definitive English translation of The Complete Black Book of Russian Jewry is a major literary and intellectual event. From the time of the outbreak of the war, Ehrenburg and Grossman collected the eyewitness testimonies that went into The Black Book. As early as 1943, they were planning its publication; the first edition appeared in 1944. During the years immediately after the war, Grossman assisted Ehrenburg in compiling additional materials for a second edition, which appeared in 1946 in English as well as Russian. Since the fall of the Soviet regime, Irina Ehrenburg, the daughter of Ilya Ehrenburg, has recovered the lost portions of the manuscript sent to Yad Vashem. The texts are recovered.

Victory in 2024: George Washington's Last War MMXXIV Don Ray Hope, 2014-10-29 Don Ray Hope has unlocked how similar events repeat with mathematical precision throughout history. God designed His perfect universe this way. Thus, with mathematics, you can predict the future. The forecasts of Washington, Daniel, Ezekiel, Jesus, and other prophets are arranged in a specifically dated timeline, and the future of America is laid out in stunning detail. America is at a turning point. Most Americans will not live to see 2024, will you? The guideposts are contained herein. The families that own the Federal Reserve are the same families that nearly one hundred years ago inflated the German mark to worthlessness. The result was WWII and the destruction of Germany. The USA shall suffer the same fate. The dollar will collapse. WWIII will break out, and the US government will collapse and be destroyed. The truth God told George Washington via an Angel at Valley Forge was that later America will rise from the ashes of this war, and that America's Victory is guaranteed.
