Tucked into the southeast corner of BC the Kootenay Rockies are one of Canada's best kept outdoor adventure secrets. As you move west from the world famous peaks of the Rocky Mountains the crowds thin out and the opportunities for outdoor adventure grow. Forest covered mountains hide sun filled valleys where rainbow trout swim in sparkling streams and deer graze along the shoreline. A maze of logging roads extends deep into the backcountry offering access to countless campsites and hiking and mountain biking trails. In the winter the region is covered by a thick layer of dry fluffy snow affectionately referred to by the locals as champagne powder.
