Reichard, 2021-05-14 Set in the 1980s against a backdrop of the AIDS crisis deindustrialization and the Reagan era this book tells the story of one individual s defiant struggle against his community the city of Kokomo Indiana At the same time as teenage AIDS patient Ryan White bravely fought against the intolerance of his hometown to attend public school one of Kokomo s largest employers Continental Steel filed for bankruptcy significantly raising the stakes of the fight for the city s livelihood and national image This book tells the story of a fearful time in our recent history as people in the heartland endured massive layoffs coped with a lethal new disease and discovered a legacy of toxic waste Now some 30 years after Ryan White s death this book offers a fuller accounting of the challenges that one city reckoned with during this tumultuous period *The Loyal Atlantic* Jerry Bannister, Liam Riordan, 2012-01-01 Adding to a dynamic new wave of scholarship in Atlantic history The Loyal Atlantic offers fresh interpretations of the key role played by Loyalism in shaping the early modern British Empire This cohesive collection investigates how Loyalism and the empire were mutually constituted and reconstituted from the eighteenth century onward Featuring contributions by authors from across Canada the United States and the United Kingdom The Loyal Atlantic brings Loyalism into a genuinely international focus Through cutting edge archival research The Loyal Atlantic contextualizes Loyalism within the larger history of the British Empire It also details how far from being a passive allegiance Loyalism changed in unexpected and fascinating ways especially in times of crisis Most importantly The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalism in the wider Atlantic world **The Big Red Fox** Peter McSherry, 1999-09 Norman Red Ryan escaped from Kingston Penitentiary twice first by force and then years later by gulling the credulous into believing that he was reformed Lethal Decisions Arthur J. Ammann, 2021-04-30 This first person account by one of the pioneers of HIV AIDS research chronicles the interaction among the pediatric HIV AIDS community

regulatory bodies governments and activists over more than three decades After the discovery of AIDS in a handful of infants in 1981 the next fifteen years showed remarkable scientific progress in prevention and treatment although blood banks drug companies and bureaucrats were often slow to act 1996 was a watershed year when scientific and clinical HIV experts called for treating all HIV infected individuals with potent triple combinations of antiretroviral drugs that had been proven effective Aggressive implementation of prevention and treatment in the United States led to marked declines in the number of HIV related deaths fewer new infections and hospital visits and fewer than one hundred infants born infected each year Inexplicably the World Health Organization recommended withholding treatment for the majority of HIV infected individuals in poor countries and clinical researchers embarked on studies to evaluate inferior treatment approaches even while the pandemic continued to claim the lives of millions of women and children Why did it take an additional twenty years for international health organizations to recommend the treatment and prevention measures that had had such a profound impact on the pandemic in wealthy countries The surprising answers are likely to be debated by medical historians and ethicists At last in 2015 came a universal call for treating all HIV infected individuals with triple combination antiretroviral drugs But this can only be accomplished if the mistakes of the past are rectified The book ends with recommendations on how the pediatric HIV AIDS epidemic can finally be brought to an end *Roadschooling* Ryan Mary Lois

Sennewald,2007-11-19 What do you get when you combine an independent minded sixty year old mother with her adventurous seventeen year old son who hit the road together for his junior year Consider the offbeat year when Mary Lois Sennewald and Ryan Costello left home to pursue learning in the wider world Throwing conformity to the winds the pair set out in August 2002 in a 1987 Volkswagen campervan wandering up the Mississippi across Canada to Newfoundland down through New England farther down into southern Mexico concluding in Colorado high country In this provocative memoir of foibles and family astonishment missteps and magical moments they share what they learned In so doing they challenge preconceptions about education freedom and the necessities for a good life By turns funny poignant and heart warming *Roadschooling* Ryan Learn as We Go is about a young man on the brink of adulthood peering into the world and a mother insisting on doing his schooling her way It is also about survival relative sanity and compassion in very close quarters Most of all it is about laughing at fear seeking wisdom and knowledge wherever one lands and having a great time no matter where the road leads *Must Love Otters* Eliza Gordon,2020-05-01 Hollie Porter is the chairwoman of Generation Disillusioned At 25 she s saddled with a job she hates a boyfriend who s all wrong for her and a vexing inability to say no She s already near her breaking point so when one caller too many kicks the bucket during Hollie s 911 shift she cashes in the Sweethearts Spa Stay gift certificate from her dad and heads to Revelation Cove British Columbia One caveat she s going solo Any sweethearts will have to be found on site Hollie hopes to find her beloved otters in the wilds of the Great White North but instead she s providing comic relief for staff and guests alike Even Concierge Ryan a former NHL star with bad knees and broken dreams

can't stop her from stumbling from one misadventure to another. Just when Hollie starts to think that a change of venue doesn't mean a change in circumstances, the island works its charm and she starts to think she might have found the rejuvenation she so desperately desires. But then an uninvited guest crashes the party, forcing her to step out of the discomfort zone where she dwells and save the day and maybe even herself in the process.

**Furl that Banner** David O'Connell, 2006. In 1879, Abram J. Ryan's name was a household name in the South, especially after the publication of his book *Father Ryan's Poems*. Republished a year later with a new title *Poems Patriotic, Religious, and Miscellaneous* and under the imprint of a Baltimore publisher with a national distribution network, it would go through forty editions until 1929. The two most important poems were *The Conquered Banner* (1865) and *The Sword of Robert Lee* (1866). These works were committed to memory by three generations of school children in the South until about the middle of the twentieth century. Margaret Mitchell, who knew them by heart, included Ryan as a character in *Gone With the Wind* because of her admiration for his work. Ryan was the editor of the *Banner of the South*, an anti-Reconstruction newspaper in Augusta, Georgia, and popularized the term *Lost Cause*. His outspoken views with regard to the policies of the federal government caused him to lose the support of the paper's owner, Bishop Verot of Savannah. When the paper was closed down, he moved to Mobile, Alabama, serving as a parish priest for ten years. He also spent three of these years (1872-1875) as the editor of the Catholic weekly of New Orleans, the *Morning Star* and *Catholic Messenger*. Until now, no one has been able to understand why Ryan left the quiet life of retirement in Mississippi to begin preaching around the country to raise money. Based on the study of the heretofore unknown correspondence between Ryan and two nuns in a Carmelite convent in New Orleans, Ryan became convinced that he could save his soul by devoting the last years of his life to paying off the mortgage on their convent. Tragically, he worked himself to death in this endeavor. This book is the first to place the Ryan story in its proper place. Publisher's website.
