Bangkok Bound Ellen Boccuzzi, 2012-12-01 With the acceleration of global migration literature by migrant writers has emerged as a powerful medium for describing the ways in which global forces are experienced at the personal level Migrant literature offers a compelling counter narrative to abstract visions of globalization grounding large scale processes in real life stories of individuals In Thailand migrant writers have documented the social and cultural impacts of fifty years of rural urban migration through hundreds of stories poems and novels *Bangkok Bound* is the
