J. Appasamy and his Reading of Rāmānuja Brian Philip Dunn, 2016-12-01 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A. J. Appasamy 1891-1975 Appasamy developed what he called a bhakti devotional approach to Christian theology bringing his own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian Rāmānuja Dunn's exposition here is of Appasamy's distinctive adaptation of Rāmānuja's Body of God analogy and its application to a bhakti reading of John's Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and Rāmānuja in their respective Anglican and rivai-ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai-ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today Beliefs that Matter William Adams Brown, 1928 The Christian observer [afterw.] The Christian observer and advocate , 1846 Apologizing for God Mark S. McLeod-Harrison, 2011-03-31 If radical postmodernism offers nothing more than arbitrary fictions and modernism is coldly but meaninglessly objective where is reality Apologizing for God argues that reality rests in the lives we live in history In other words it argues that living as understood on the basis of the incarnational nature of Christianity is an appropriate response to our current cultural situation Partly philosophical partly theological and deeply Christian Apologizing for God explores the importance of living in the presence of God as revealed in the autobiographies of our lives Although not autobiographical in the strict sense this book is an apologetic for the truth of Christianity explained through one Christian philosopher's understanding of our
