M. Hess,2009-01-15 Paradox and surprise face those who pursue deeper spiritual practice theological wisdom and even a
religious calling into the ministry Unbeknownst to incoming students the pursuit of theological education in established
institutions today furthers a faith that is recognizable in delight and compassion even as it may just as easily deform it into a

moral duty and autonomous professionalism so divisive in today's religious ecology. How may those drawn into ministry formation today receive its deep theological treasures and sustain a vibrant faith with a theologically expressive delight able to companion the suffering of self and others? Artisanal Theology explores the paradoxes and surprises that await those walking in the worlds of theological education, the local congregation, the academy, the tradition, denomination. Part handbook, part witness, it offers guidance for the path of intentional formation within contemporary institutions of theological education whose riches may be mined in a disciplined spiritual stewardship and grounded in radically covenantal companionship. Just like artisanal bread blends the classical methods of bread baking with modern conveniences, so an artisanal theology relies upon the personal and communal touch of human relationship amidst the contemporary forms of programmatic theological education. An artisanal theology offers an articulate and traditionally rooted faith perspective grounded in covenantal companionships sustained in contexts of church tradition and most importantly, practice. Ultimately, an artisanal theology witnesses beyond the anticipated political divides to the Triune God among us, known in a theologically expressive delight able to companion the suffering of self and others.

New Feminist Christianity Mary E. Hunt, Diann L. Neu, 2012-01-01

Powerful insights from ministers, theologians, activists, leaders, artists, and liturgists who are shaping the future. Christianity has been a source of the oppression of women as well as a resource for unleashing women's full humanity. Feminist analysis and practice have recognized this. Feminist Christianity is reshaping religious institutions and religious life in more holistic, inclusive, and justice-focused ways. From the Introduction: Feminism has brought many changes to Christian religious practice. From inclusive language and imagery about the Divine to an increase in the number of women ministers, Christian worship will never be the same. Yet even now, there is a lack of substantive structural change in many churches and complacency within denominations. The contributors to this book are the thought leaders who are shaping and being shaped by the emerging directions of feminist Christianity. They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world. Taken together, their voices offer a starting point for building new models of religious life and worship. Topics covered include: feminist Theological Visions, Scriptural Insights, Ethical Agendas, Liturgical and Artistic Frontiers, Ministerial Challenges.

Tarot Shadow Work Christine Jette, 2000

In *Tarot Shadow Work*, Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go. She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories and then go beyond discovery to use the cards as tools for healing. This is part of the work that needs to be done with tarot in this new century. Rachel Pollack, author of *78 Degrees of Wisdom* and the forthcoming *Shining Tribe Tarot*. Deep within our psyches, the unconscious holds our forbidden feelings, secret wishes, and creative urges. Over time, these dark forces take on a life of their own and form the shadow, a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it. The shadow takes its shape from a menagerie of archetypes, each

recognizable throughout time and around the world troubling characters who thrive within our persona The shadow is sabateur martyr victim addict sadist masochist or tyrant all the dark figures that prey on the lighter qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves Tarot Shadow Work shows you how to free yourself from the shackles of the shadow s power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves
