to take the sacramentality of the word of God seriously the preaching of the church has suffered negative consequences particularly failing to bring about divine participation with Jesus corporeal humanity in his living word In order to recover this sacramental reality this volume argues that one should consider the annunciation to Mary as the paradigm of the corporeal Christ taking up residence in the flesh of his hearer and delivering the fullness of the Godhead **Madame Blavatsky on the Trials and Triumph of Initiation** Helena Petrovna Blavatsky, 2018-03-17 1 The Origin of the Mysteries The last incarnation of one of seven Lords of the Flame was Baladeva Krishna s brother Hercules is none other than Baladeva in Greek dress In the Golden Age Esoteric Knowledge was common property Initiation arose later on from the necessity to limit the number of those who knew The Initiate s maxim was All for the people and with the people The old Initiates were real philosophers priests and healers They commemorated the secrets of their Mysteries in hieroglyphics Only those whose purity allowed them to look at the great Isis unveiled were admitted to the secrets of Nature and Man But what Gods and Angels had revealed Moses revealed and hid from the sight of the world 2 The Trial of the Sun Initiate Vishvakarman Hierophant or Logos Demiourgos cut off seven locks of the neophyte s long hair Second Sun s rays and replaced them with a crown of brambles thus making him Vikartana shorn of his rays The neophyte who can overcome the dreadful trials of Initiation on the cross of his worldly passions dies in the Chrestos condition freed from the clutches of matter before his second and triumphant birth in Spirit as Christos The Masonic rite of Initiation is based upon the construction of the Temple of Solomon a narrative modelled upon Egyptian and still earlier symbolisms Yet there never was an Occult Society however open and sincere that has not felt the hand of the Jesuit trying to pull it down by every secret means The Jesuits infected mankind with passivity ignorance and superstition in order to impose their Universal Despotism unopposed 3 The Mystery of the Sun of Initiation In the days of Aristotle few were the true Adepts left in Europe and even in Egypt Solus Sol Sun is The One and the Greek name for Helios the Most High But there is a great difference between our Sun and its prototype the Central Spiritual Sun 4 The Objects of the Mysteries Whether lesser or greater Mysteries have always been graded Theophany is the appearance of God to man Theopathy man s assimilation of his divine nature Theopneusty inspiration or rather the power to hear the Voice of God The last two are experienced when the neophyte passes through the crucifixion of flesh or matter The Grecian Mysteries were identical with the Initiations of Buddhist and Hindu Adepts In India the candidate of the third degree of Initiation has two Gurus But whether Eastern or Western the Initiate dares all and keeps silent Masonic Initiation was modelled on that of the Lesser Mysteries and remains an authority upon the three fundamental degrees The triple duty of a Mason is to study whence he comes what he is and whither he goes 5 Traces of the Mysteries The Round Towers in Ireland and Asia were connected with the Vishvakarman and Vikartana rites In later ages the Initiates of the Left Path and the anthropomorphists turned them into phallic monuments The key to the mystery of Initiation and to the real Christ not the blasphemous caricature of the Churches lies on the difference between the terms Chrestos and Christos There

were two Messiahs Chrest and Christ Jesus was an Initiate of the Egyptian Mysteries where the rite of the suffering Chrestos on his trial and second birth as Christos by regeneration were enacted It was on the seventh day the third of his ultimate trial that the Eastern neophyte arose as a regenerated man and returned to earth as triumphant conqueror of death a Hierophant Initiates are said to have crushed the serpent's head i.e. conquered their sensual nature The Egyptian Initiates held the Rose as symbol of Nature the mother and nourisher of man represented as a virgin woman The Brothers of the Rosy Cross as a symbol of sexual procreation The old Indian Mysteries of Initiation were brought to Greece by Orpheus nine millennia before Homer and Hesiod 6 The Last of the Mysteries in Europe Alesia Arles and Bibractis the last bastions of the Ancient Mysteries in Europe are no more Occult Wisdom is now replaced by absolute theocracy that displays its crowned priests to the ignorant masses Whatever else Cheops might have done he has not built the pyramid bearing his name Neither Solomon his temple nor Noah his arc for that matter The strict silence of the Initiates and the total loss of all written memorials of secret knowledge may explain why so little is known of the Ancient Mysteries Yet there is spiritual Alchemy and physical transmutation their cradle is to be sought in the most distant times 7 The Post Christian Successors to the Mysteries The Neo Platonic School of Ammonius Saccas became the successor of the Eleusinian Mysteries and herald of the Eastern Secret Teachings unveiling the long and laborious descent and re-ascent of the Divine Monad or Soul Each of us have to pass through the Valley of Thorns before he emerges into the plains of divine light and rest The Eclectic doctrines are strongly reflected in the Epistles of Paul and John the Evangelist For it is not Judaism and Christianity that remodelled the ancient Pagan Wisdom but rather the latter that put its heathen curb on the new faith and was further influenced by the Eclectic Theosophical system the direct emanation of the Wisdom Religion Ammonius Plotinus Iamblichus Proclus were prominent Theosophists though they never claimed the title All that is grand and noble in Christian theology comes from Neo Platonism Ammonius was a true Philaletheian one of us His Eclectic Theosophical School a precursor and prototype of the modern Theosophical Movement was made of the crumbs permitted to be gathered from the antediluvian lore Woe to those who mock Divine Knowledge and betray her secrets But those who are pure in thought and deed and have trust and confidence in their immortal spirit have nothing to fear
