largely untold story of how Arabic often understood in Africa and Asia as a language of Islamic ritual and precolonial commerce assumed a transregional role as an anticolonial literary medium in the nineteenth and twentieth centuries By examining how major writers and intellectuals across several generations grappled with the cultural asymmetries imposed by imperial Europe Lienau shows that Arabic as a cosmopolitan interethnic and interreligious language complicated debates over questions of indigeneity religious pluralism counter imperial nationalisms and emerging nation states Unearthing parallels from West Africa to Southeast Asia Sacred Language Vernacular Difference argues that debates comparing the status of Arabic to other languages challenged not only Eurocentric but Arabocentric forms of ethnolinguistic and racial prejudice in both local and global terms

Lives of the Great Languages Karla Mallette, 2021-09-17 The story of how Latin and Arabic spread across the Mediterranean to create a cosmopolitan world of letters In this ambitious book Karla Mallette studies the nature and behaviors of the medieval cosmopolitan languages of learning classical Arabic and medieval Latin as they crossed the Mediterranean Through anecdotes of relationships among writers compilers translators commentators and copyists Mallette tells a complex story about the transmission of knowledge in the period before the emergence of a national language system in the late Middle Ages and early modernity Mallette shows how the elite languages of learning and culture were only tenuously related to the languages of everyday life These languages took years of study to master marking the passage from intellectual childhood to maturity In a coda to the book Mallette speculates on the afterlife of cosmopolitan languages in the twenty first century the perils of monolingualism and the ethics of language choice The book offers insight for anyone interested in rethinking linguistic and literary tradition the transmission of ideas and cultural expression in an increasingly multilingual world
