Spirit We may tend to think of burnout as a modern problem but we can see that people in Jesus day felt their own kind of spiritual and emotional fatigue Why else would Jesus have said these comforting words Are you tired Worn out Burned out on religion Come to me Get away with me and you ll recover your life I ll show you how to take a real rest Walk with me and work with me watch how I do it Learn the unforced rhythms of grace I won t lay anything heavy or ill fitting on you Keep company with me and you ll learn to live freely and lightly Matt 11 28 30 The Message Even though he spoke these words more than two millennia ago Jesus call to rest and peace seem tailor made to fit this generation Author Kerri Weems had let the pace and rhythm of her life get out of control At first the consequences were only physical but they quickly impacted her spiritual life Since then God has been teaching her to walk in time with him he is teaching her to be led rather than driven In this book she opens up her life and shares this journey with the reader God s best for each of us is that we go the full distance of our race and not just crawl exhausted across the finish line God wants us to enjoy the race and cross the line with our heads held high a smile on our faces and our arms lifted in a double fist punch Getting to that moment is all about learning the rhythms of grace and pacing ourselves for the long run *Summary of Ruth Haley Barton's Sacred Rhythms* Everest Media,2022-03-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The experience of longing and desire reminds me that I am alive in ways that I want to be alive It reminds me that I am living my life as it is meant to be lived in God 2 There are times when I am aware of my brokenness and a longing for real fundamental change groans within me I want to live my life in such a way that there is more of this I want to be with friends and family and share from the heart 3 The question of desire is the most important question you will ever ask It is the most difficult and it may be the most dangerous but it is also the most important It is the longing within you for love for God and for a life lived as it should be lived 4 The question What do you want me to do for you is very personal and exposes the truest part of us It forces us to face our humanness and our need for God **Invitation to Retreat** Ruth Haley Barton,2018-09-18 When we choose retreat we make a generous investment in our friendship with Christ Seasoned spiritual director Ruth Haley Barton gently and eloquently leads us into an exploration of retreat as a key practice that opens us to God guiding us through seven invitations to retreat You will discover how to say yes to God s winsome invitation to greater freedom and surrender Rhythms of the Afro-Atlantic World Ifeoma C.K. Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I

didn't ask for or deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price The Black Body Meri Nana-Ama Danquah, 2011-01-04 What does it mean to have or to love a black body Taking on the challenge of interpreting the black body's dramatic role in American culture are thirty black white and biracial contributors award winning actors artists writers and comedians including voices as varied as President Obama's inaugural poet Elizabeth Alexander actor and bestselling author Hill Harper political strategist Kimball Stroud television producer Joel Lipman former Saturday Night Live writer Anne Beatts and singer songwriter Jason Lockett Ranging from deeply serious to playful sometimes hilarious musings these essays explore myriad issues with wisdom and a deep sense of history Meri Nana Ama Danquah's unprecedented collection illuminates the diversity of identities and individual experiences that define the black body in our culture
