Katrin Zwirgmaier

Sacred Shakespearian Affinities Being Analogies Between The Writings Of The Psalmists And Of Shakespeare:

Sacred & Shakespearian Affinities Charles Alfred Swinburne,1890 Sacred & Shakespearian affinities, analogies between the writings of the Psalmists and of Shakespeare, by C.A. Swinburne Charles Alfred Swinburne,1890 **Sacred & Shakespearian Affinities, Being Analogies Between the Writings of the Psalmists and of Shakespeare** Charles Alfred Swinburne,1971 **Sacred and Shakespearian Affinities** Charles Alfred Swinburne,2005-05 Swinburne s 1890 study remains a unique work in Shakespeare studies for its comparative study of the analogies between the writings of the psalmists and Shakespeare arranged in the form of the texts of the psalms with the appropriate Shakespearean lines juxtaposed with those texts **The Victorian Cult of Shakespeare** Charles LaPorte,2020-11-05 How and why did Victorian culture make Shakespeare into a literary deity and his work into a secular Bible **Shakespeare, the Bible, and the Form of the Book** Travis DeCook,Alan Galey,2011-07-22 Why do Shakespeare and the English Bible seem to have an inherent relationship with each other How have these two monumental traditions in the history of the book functioned as mutually reinforcing sources of cultural authority How do material books and related reading practices serve as specific sites of intersection between these two textual traditions This collection makes a significant intervention in our understanding of Shakespeare the Bible and the role of textual materiality in the construction of cultural authority Departing from conventional source study it questions the often naturalized links between the Shakespearean and biblical corpora examining instead the historically contingent ways these links have been forged The volume brings together leading scholars in Shakespeare book history and the Bible as literature whose essays converge on the question of Scripture as source versus Scripture as process whether that scripture is biblical or Shakespearean and in turn explore themes such as cultural authority pedagogy secularism textual scholarship and the materiality of texts Covering an historical span from Shakespeare s post Reformation era to present day Northern Ireland the volume uncovers how Shakespeare and the Bible s intertwined histories illuminate the enduring tensions between materiality and transcendence in the history of the book **The Bible in Shakespeare** Hannibal Hamlin,2013-08-29 Despite the widespread popular sense that the Bible and the works of Shakespeare are the two great pillars of English culture and despite the long standing critical recognition that the Bible was a major source of Shakespeare s allusions and references there has never been a full length critical study of the Bible in Shakespeare s plays The Bible in Shakespeare addresses this serious deficiency Early chapters describe the post Reformation explosion of Bible translation and the development of English biblical culture compare the Church and the theater as cultural institutions particularly in terms of the audience s auditory experience and describe in general terms Shakespeare s allusive practice Later chapters are devoted to interpreting Shakespeare s use of biblical allusion in a wide variety of plays across the spectrum of genres King Lear and Job Macbeth and Revelation the Crucifixion in the Roman Histories Falstaff s anarchic biblical allusions and variations on Adam Eve and the Fall throughout Shakespeare s dramatic career from Romeo and Juliet

to *The Winter's Tale* *The Bible in Shakespeare* offers a significant new perspective on Shakespeare's plays and reveals how the culture of early modern England was both dependent upon and fashioned out of a deep engagement with the interpreted Bible. The book's wide ranging and interdisciplinary nature will interest scholars in a variety of fields: Shakespeare and English literature, allusion and intertextuality, theater studies, history, religious culture, and biblical interpretation. With growing scholarly interest in the impact of religion on early modern culture, the time is ripe for such a publication.
