

Sacred Sites Christian Perspectives On The Holy Land

Amos S. Ron, Dallen J. Timothy

Sacred Sites Christian Perspectives On The Holy Land:

Sacred Sites Webster T. Patterson, 2004 Explores the history and archaeology of authentic and significant Biblical locations in the context of sound scriptural and theological scholarship Intended as much for the armchair traveler as for visitors to the Holy Land its unique gift is to bring the scriptural passages to life Rather than simply referring the reader to Biblical chapter and verse the author provides the full scriptural text with a matching visual For those who have already visited the are this book can help them relive the experience of a lifetime For others it can serve as a vicarious pilgrimage

Pilgrimage and Tourism to Holy Cities Maria Leppakari, Kevin A Griffin, 2016-11-30 This book covers the ideological motives and religious perceptions behind travel to sites prescribed with sanctity in Judaism Christianity and Islam It covers sites that have drawn pilgrims and religious tourists to them for hundreds of years and seeks to provide an understanding of the complex world of religiously motivated travel Beginning with contemporary perspectives of pilgrimage across these religions it then discusses management aspects such as logistics infrastructure malevolent behaviour and evangelical volunteers Written by subject experts this book addresses cultural sustainability for researchers and practitioners within religious tourism religious studies geography and anthropology Seeking out the Land: Land of Israel Traditions in Ancient Jewish, Christian and Samaritan Literature (200 BCE - 400 CE) Ze'ev Safrai, 2018-05-07 Seeking out the Land describes the study of the Holy Land in the Roman period and examines the complex connections between theology social agenda and the intellectual pursuit Holiness as a theological concept determines the intellectual agenda of the elite society of writers seeking to describe the land as well as their preoccupation with its physical aspects and their actual knowledge about it Ze'ev Safrai succeeds in examining all the ancient monotheistic literature both Jewish and Christian up to the fourth century CE and in demonstrating how all the above mentioned factors coalesce into a single entity We learn that in both religions with all their various subgroups the same social and religious factors were at work but with differing intensity

Views of Jerusalem and the Holy Land Steven Brooke, 2020-05-16 Views of Jerusalem and the Holy Land is an essential and unique guide to the significant sites of Jewish Christian and Muslim pilgrimage such as the Western Wall the Church of the Holy Sepulchre the Dome of the Rock and the Stations of the Cross Its richly informed text over 180 photographs and detailed captions make this book an invaluable reference as well as a meticulously crafted photographic record of late twentieth century Jerusalem and the Holy Land Steven Brooke is an internationally recognized leader in the photography of architecture landscape and design Winner of the Rome Prize from the American Academy in Rome and a faculty member of the University of Miami School of Architecture he has photographed over 40 books on architecture and design

Protecting the Sacred, Creating Peace in Asia-Pacific Chaiwat Satha-Anand, 2017-07-05 Using case studies from the Middle East South Asia Southeast Asia and the Pacific Basin this book examines the global trend of violence against religious places and figures The contributors believe attacks on sacred places to be particularly damaging to peace and

harmony because of the centrality of religion in many Asian and Pacific countries A diverse range of topics are covered including an empirical exploration of the global trends of violence against sacred spaces attacks against and policies toward holy sites in Israel and the Palestinian Territories the fate of Indian Islamic monuments after India gained independence in 1947 the Christian community's response to the increasing Islamization of Malaysia and the future of communalism in Malaysia Africa and Australia are also referenced in the work Taken together this volume explores the importance of protecting sacred spaces holy symbols and religious people as a crucial element in fostering peace in the world and especially the Asia Pacific region The contributors argue that much of the violence in the world is rooted in politics of religious identity

The Politics of Sacred Places Nimrod Luz, 2023-09-07 The Politics of Sacred Places is a study of the socio political dimensions of sacred sites in Israel Palestine drawing on over 20 years of in depth ethnographic research which introduces cutting edge theories on secularization struggles for recognition and diversity issues This book focuses on contemporary sacred sites and their socio political meanings for minorities within a hegemonic and a secularizing state system It argues that sacred places provide a space that is less scrutinized by the state and where alternative visions of the socio political may be produced A plethora of sites and case studies are examined including the rural shrine of Maqam abu al Hijja in the lower Galilee the Mosque of Hassan Bek in the heart of Tel Aviv Jaffa and the most disputed sacred place in the region the Haram al Sharif in Jerusalem These sites are explored through mostly a phenomenological lens and in various contexts from the individual body to the global This book offers a critical analytical study of the socio political aspects of sacred sites in contemporary societies within the broader understanding of scale and the spatial turn in the study of religion

Covenant Brothers Daniel G. Hummel, 2019-04-30 Weaving together the stories of activists American Jewish leaders and Israeli officials in the wake of the establishment of the state of Israel in 1948 *Covenant Brothers* portrays the dramatic rise of evangelical Christian Zionism as it gained prominence in American politics Israeli diplomacy and international relations after World War II According to Daniel G Hummel conventional depictions of the Christian Zionist movement the organized political and religious effort by conservative Protestants to support the state of Israel focus too much on American evangelical apocalyptic fascination with the Jewish people Hummel emphasizes instead the institutional international interreligious and intergenerational efforts on the part of Christians and Jews to mobilize evangelical support for Israel From missionary churches in Israel to Holy Land tourism from the Israeli government to the American Jewish Committee and from Billy Graham's influence on Richard Nixon to John Hagee's courting of Donald Trump Hummel reveals modern Christian Zionism to be an evolving and deepening collaboration between Christians and the state of Israel He shows how influential officials in the Israeli Ministry of Religious Affairs and Foreign Ministry tasked with pursuing a religious diplomacy that would enhance Israel's standing in the Christian world combined forces with evangelical Christians to create and organize the vast global network of Christian Zionism that exists today He also explores evangelicalism's embrace of Jewish concepts

motifs and practices and its profound consequences on worshippers political priorities and their relationship to Israel Drawing on religious and government archives in the United States and Israel Covenant Brothers reveals how an unlikely mix of Christian and Jewish leaders state support and transnational networks of institutions combined religion politics and international relations to influence U S foreign policy and eventually global geopolitics

Explorations in a Christian Theology of Pilgrimage Craig Bartholomew, Fred Hughes, 2021-11-18 Many Christians go on pilgrimage whether to Jerusalem Rome Santiago or some other destination but few think hard about it from the perspective of their faith This book fills that gap looking at the biblical and theological elements in pilgrimage and asking how we could do pilgrimage differently Exploring the current resurgence of pilgrimage from a Christian viewpoint this book seeks to articulate a theology of pilgrimage for today Examination of pilgrimage in the Old and New Testaments provides a grounding for thinking through pilgrimage theologically Literary missiological and sociological perspectives are explored and the book concludes by examining how such a theology could change our practice of pilgrimage today raising such questions as how tourism to the Holy Land should reflect the situation in the region today Pilgrims students and all interested in contemporary pilgrimage will find this accessible book a valuable articulation of the different elements in a Christian theology of pilgrimage

Echoes of Conflict: A Fresh Perspective on Middle Eastern Battles Pasquale De Marco, 2025-05-16 In Echoes of Conflict A Fresh Perspective on Middle Eastern Battles we journey into the heart of the Israeli Palestinian conflict a struggle that has captivated the world s attention for decades Through a comprehensive examination of key moments and major players we unravel the complexities of this enduring dispute shedding new light on the challenges that lie ahead and the enduring hope for peace Our exploration begins with the historical roots of the conflict tracing the origins of Zionism and Arab nationalism and examining the impact of major wars and diplomatic initiatives We delve into the human toll exacted by decades of strife exploring the stories of resilience and reconciliation the hopes and aspirations of Israelis and Palestinians often shattered by cycles of violence and mistrust We confront the obstacles to peace from the unresolved status of Jerusalem to the ongoing Israeli occupation of Palestinian territories from the rise of extremism to the enduring legacy of historical grievances Yet amidst the echoes of conflict we also discover glimmers of hope in grassroots initiatives the power of education and cultural exchange and the potential for interfaith dialogue to bridge divides and foster understanding With clarity and objectivity we analyze the role of international actors the United States the European Union the Arab League and the United Nations in shaping the conflict s trajectory We examine the challenges and prospects of the two state solution the viability and implications of a one state solution and the need for regional cooperation and integration Echoes of Conflict is a thought provoking and timely exploration of one of the world s most pressing conflicts It is a call for a renewed commitment to peace a plea for bold leadership innovative diplomacy and unwavering determination from all sides It is an enduring hope for a future where Israelis and Palestinians can live together in peace and security where the echoes of conflict are silenced

by the songs of coexistence If you like this book write a review on google books Contemporary Christian Travel Amos S. Ron,Dallen J. Timothy,2018-11-01 This book is the first to examine the depth complexity and uniqueness of global Christian pilgrimage travel and tourism and how they manifest in terms of both supply and demand It explores the places and spaces of production and consumption of this increasingly important tourism phenomenon The volume considers the foundational elements of the attractiveness of places according to Christian thinking spirit of place scriptural connections art and architecture contrived themed environments programmed events volunteer travel opportunities and visiting local communities by way of solidarity tourism and mission work It includes a wide range of examples from Europe the Middle East Asia Africa Latin America and North America and will be of interest to researchers and students in religious studies tourism pilgrimage studies geography anthropology and Christianity studies *Sacred Fury* Charles Selengut,2017-01-12 From ISIS attacks to the conflict between Israel and Palestine *Sacred Fury* explores the connections between faith and violence in world religions Author Charles Selengut looks at religion as both a force for peace and for violence and he asks key questions such as how religious is this violence and what drives the faithful to attack in the names of their beliefs Revised throughout the third edition features new material on violence in Buddhism and Hinduism the rise of ISIS lone wolf terrorists and more This up to date edition draws on a variety of disciplines to comprehend forms of religious violence both historically and in the present day The third edition of *Sacred Fury* is an essential resource for understanding the connections between faith and violence Religious Human Rights in Global Perspective John Witte,Johan D. van der Vyver,2023-07-24 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion *Religious Human Rights in Global Perspective Religious Perspectives* are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University Choreographies of Shared Sacred Sites Elazar Barkan,Karen Barkey,2014-11-11 This anthology explores the dynamics of shared religious sites in Turkey the Balkans Palestine Israel Cyprus and Algeria indicating where local and national stakeholders maneuver between competition and cooperation coexistence and conflict Contributors probe the notion of coexistence and the logic that underlies centuries of sharing exploring when and why sharing gets interrupted or not by conflict and the policy consequences These essays map the choreographies of shared sacred spaces within the framework of state society relations juxtaposing a site s political and religious features and exploring whether sharing or contestation is primarily religious or politically motivated Although religion and politics are intertwined phenomena the contributors to this volume understand the category of religion and the political as devices meant to distinguish between the theological and confessional aspects of religion and the political goals of groups Their comparative approach better represents the transition

in some cases of sites into places of hatred and violence while in other instances they remain noncontroversial The essays clearly delineate the religious and political factors that contribute to the context and causality of conflict at these sites and draw on history and anthropology to shed light on the often rapid switch from relative tolerance to distress to peace and calm

International Perspective on Indigenous Religious Rights Claude Gélinas, Raphaël Mathieu Legault-Laberge, Sébastien Lebel-Grenier, 2023-12-18 What is the status of indigenous religious rights in the world today Despite important legal advances in the protection of indigenous religious beliefs and practices at the international and national levels there are still many obstacles to the full implementation of these provisions Using a unique large scale comparative approach this book aims to identify the fundamental issues that characterize the law of indigenous religions in several countries as well as certain avenues that may prove useful in state implementation of the provisions of the United Nations Declaration on the Rights of Indigenous Peoples regarding practice promotion transmission protection and access to spiritual heritage

Jerusalem Testament Melanie May, 2010-02-22 This book bears powerful witness to the gospel of Jesus Christ and to the faith and hope of Palestinian Christians living in the Occupied Territories Melanie May introduces and presents the remarkable public statements made by the Jerusalem Heads of Churches over the course of two decades from 1988 to 2008 Through Jerusalem Testament the voices of Palestinian pastors speak out on behalf of their own people calling Christians

worldwide to a new covenant with their brothers and sisters in and around Jerusalem Book Jacket **Marketing Heritage** Yorke Rowan, Uzi Baram, 2004-09-01 What are the implications of mass tourism and globalization for the field of archaeology How does this change popular understandings of the past Increasingly archaeological sites worldwide are being commodified for a growing tourist trade At best expansion of programs can aid in the protection and historic preservation of sites and strengthen community identities However unchecked commercial development may undermine the integrity of these same sites replacing local interests with corporate ones economically and culturally Within this volume original case studies from well known sites in Cambodia Israel England Mexico and North America are presented to address the complex interaction between archaeology and nationalist political and commercial policies This book should appeal to archaeologists applied anthropologists tourism and economic development specialists and historic preservationists alike as well others with an interest in the preservation of archaeological sites as historic locales *Record of Christian Work* Alexander

McConnell, William Revell Moody, Arthur Percy Fitt, 1918 Includes music *Jerusalem and Other Holy Places as Foci of Multireligious and Ideological Confrontation*, 2020-12-07 Jerusalem and Other Holy Places as Foci of Multireligious and Ideological Confrontation brings together the papers that were read at an international conference at the Schechter Institute in Jerusalem in May 2018 The contributions to this volume develop a multi disciplinary perspective on holy places and their development rhetorical force and oft contested nature Through a particular focus on Jerusalem this volume demonstrates the variety in the study of holy places as well as the flexibility of geographic and historical aspects of holiness **Cultural and**

Heritage Tourism in the Middle East and North Africa Siamak Seyfi, C. Michael Hall, 2020-09-28 This is the first book to provide a comprehensive account of cultural and heritage tourism in the Middle East and North Africa MENA region and the many complexities that heritage sites and tourist attractions face The MENA region has long been regarded as the cradle of Western and Arab civilisation and is the home of many of the world's major religions Because of this the region is rich in heritage sites that serve as major tourist attractions and as icons of national cultural and religious identity However as this book examines heritage in the region is simultaneously highly contested and has even become a target for terrorism creating a situation that brought major challenges for heritage management and sustainable tourism development Many of the region's innumerable cultural sites are threatened in some cases by overuse in others by neglect and in many simply by the pressures of economic development This book is therefore of interest not only to heritage managers and policy makers but those academics who seek to address the delicate balance between tourism development communities and the tourists who visit such sites in a turbulent but highly significant region of the world

Wandering Monks, Virgins, and Pilgrims Maribel Dietz, 2005-01-01 Religious travelers were a common sight in the Mediterranean world during Late Antiquity and the early Middle Ages In fact as Maribel Dietz finds in *Wandering Monks, Virgins, and Pilgrims* this formative period in the history of Christianity witnessed an explosion of travel as both men and women took to the roads seeking spiritual meaning in a life of itinerancy Much of this early Christian religious travel was not focused on a particular holy place as in the pilgrimage of later centuries to Rome Jerusalem and Santiago de Compostela Rather the inspiration was more practical Travel was a way of escaping hostility or social pressures or of visiting living and dead holy people It was also a means of religious expression of homelessness and temporary exile The wandering lifestyle mirrored an interior journey an imitation of Christ and a commitment to the Christian ideal that an individual is only temporarily on this earth Women were especially attracted to religious travel In the centuries before the widespread cloistering of women a life of itinerancy offered an alternative to marriage and a religious vocation in a society that excluded women from positions of spiritual leadership Eventually ascetic travel gave way to full fledged pilgrimage Dietz explores how and why religious travel and monasticism diverged and altered so greatly She examines the importance of the Cluniac reform movement and the creation of the pilgrimage center of Santiago de Compostela in the emergence of a new model of religious travel goal centered long distance pilgrimage aimed not at monks but at the laity *Wandering Monks, Virgins, and Pilgrims* is essential reading for those who study the history of monasticism for it was in a monastic context that religious travel first claimed an essential place within Christianity It will also be important for anyone interested in pilgrimage and the role of women in the history of Christianity

Right here, we have countless ebook **Sacred Sites Christian Perspectives On The Holy Land** and collections to check out. We additionally present variant types and plus type of the books to browse.
