Sacred And Profane Love Machine:

The Sacred and Profane Love Machine Iris Murdoch, 1974 This is a story of different loves and of how a man may need two women in such a way that he can be happy with neither Sacred and profane love are related opposites the one enjoyed renders the other necessary so that the ever unsatisfied heart swings constantly to and fro **The Sacred and Profane Love Machine** Iris Murdoch, 1984-03-06 Swinging between his wife and his mistress in the sacred and profane love machine and between the charms of morality and the excitements of sin the psychotherapist Blaise Gavender sometimes wishes he could divide himself in two Instead he lets loose misery and confusion and for the spectators at any rate a morality play rich in reflections upon the paradoxes of human life and the nature of the battle between sacred and profane love

Great World Writers Patrick M. O'Neil, 2004 This nicely illustrated reference for junior high and high school students offers 20 page profiles of 93 of the world's most influential writers of the twentieth century Arranged alphabetically each profile provides facts about the writer's life and works as well as a commentary on his or her significance discussion of political and social events that occurred during his or her lifetime a reader's guide to major works and events beliefs or traditions that inspired the writer's works **Sacred and Profane Love** Arnold Bennett, 1919 **Iris Murdoch and the Search for Human Goodness** Maria Antonaccio, William Schweiker, 1996-12 A HISTORY AND CRITIQUE OF THE WRITINGS OF IRIS MURDOCH Understanding Iris Murdoch Cheryl Browning Bove, 1993 Describes Murdoch as preoccupied with love art the possibility difficulty of doing good avoiding evil The Shadow of the Precursor Nena Bierbaum, 2011-10-18 A shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light from hitting that surface For writers and artists the shadows cast by their precursors can be either a welcome influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive haunting prohibitive presence one which threatens to engulf the successor Many writers and artists are affected by an anxious and ambiguous relationship with their precursors while others are energised by this relationship The role that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious and unconscious influences informing relations between texts and contexts between predecessors and successors The chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to Julia Kristeva's idea of intertextuality Do all texts contain references to and even quotations from other texts Do such references help shape how we read This multidisciplinary work includes chapters on the long shadows cast by Shakespeare Dante Scott Virgil and Ovid the shadows of colonial precursors on postcolonial successors the shadows cast over Kipling and Murdoch and chapters on other writers dramatists and filmmakers and their relationships with precursor figures With its focus on intertextual relationships this book contributes to the thriving fields of adaptation studies and studies of intertextuality *An Iris Murdoch Chronology* V. Purton, 2007-11-06 Iris Murdoch was the author of twenty six bestselling novels Her many love affairs her war work with

UNRRA her move from early communism to Thatcherism her later life as a secular saint her sad decline from Alzheimer's all these events are detailed in this accessible chronological account of a world famous and much loved British writer **Iris Murdoch's Comic Vision** Angela Hague, 1984 This study looks at the comic dimension and ironic tone of Iris Murdoch's work and argues that these elements are as important to an understanding of her novels as is her use of mythic patterns and philosophical ideas *On Rereading* Patricia Meyer Spacks, 2013-11-18 After retiring from teaching literature Patricia Meyer Spacks embarked on a year long project of rereading dozens of novels childhood favorites young adult fiction canonical works she didn't like guilty pleasures *On Rereading* records the surprising fascinating results of her personal experiment and raises a number of intriguing questions **Iris Murdoch** Elizabeth Dipple, 2019-10-01 Originally published in 1982 this brilliant study provides a perceptive and up to date assessment of the novels of Iris Murdoch up to and including *Nuns and Soldiers* published in 1980 *The Fire and the Sun* her book on Plato is also considered in depth It is not a critical biography but rather shows how massive Murdoch's literary career was at the time and what her contribution has been to aesthetics literary criticism the realistic novel and to the possibilities of ethical and religious action in a horror filled and secular age Above all the book is interested in forwarding Murdoch's cause among her readers It is not aimed simply at those who have read and studied all of her novels the text will appeal to the readers of only a few of them as well as literary scholars and students of contemporary fiction and modern culture **Iris Murdoch** Hilda D. Spear, 2006-10-23 Iris Murdoch produced twenty six novels in forty years The last of these *Jackson's Dilemma* was published in 1995 four years before her death Murdoch's interest in moral problems inclined her towards what could be seen as an unusual view of human character and human life leading her to create bizarre situations and offer unsettling solutions which frequently challenge and intrigue the reader This essential introduction to one of Britain's best known writers guides the reader through the full range of Murdoch's fictional output tracing basic patterns which run throughout Murdoch's work and showing how the novels help to elucidate one another The revised updated and expanded new edition takes into account certain details which have emerged following Murdoch's death in 1999 incorporates the latest scholarship and offers fuller treatment of a number of novels The second edition also gives more weight to the development of the moral discourse which is predominant in Murdoch's work From the mid sixties onwards Murdoch was intensely concerned with the problems of Good and Evil in a godless world In the later novels particularly those of the eighties and nineties she posited the possibility of mystic personalities who influence others from a position beyond the normal parameters of our world Hilda D Spear examines these mystic and mysterious fictions in the later chapters of her study and argues that *Jackson's Dilemma* should be viewed as Murdoch's unfinished novel [Listening to Iris Murdoch](#) Gillian Dooley, 2022-06-15 When we think of Iris Murdoch's relationship with art forms the visual arts come most readily to mind However music and other sounds are equally important Soundscapes music and other types of sound contribute to the richly textured atmosphere and moral tenor of Murdoch's

novels This book will help readers to appreciate anew the sensuous nature of Iris Murdoch's prose and to listen for all kinds of music sounds and silences in her novels opening up a new sub field in Murdoch studies in line with the emerging field of Word and Music Studies This study is supported by close readings of selected novels exemplifying the subtle variety of ways she deploys music sounds and silence in her fiction It also covers Murdoch's knowledge of music and her allusions to music throughout her work and includes a survey of musical settings of her words by various composers *Essays on Ethics and Culture* Sabina Lovibond, 2022 This volume presents a series of essays by Sabina Lovibond on moral philosophy drawing on ideas from Platonic Aristotelian ethics the later Wittgenstein and Iris Murdoch A common theme is the lived experience of the socially situated subject and Lovibond considers the role of imaginative literature especially the novel in ethical formation

Iris Murdoch and the Others Paul S. Fiddes, 2021-12-02 The others examined by Fiddes are mainly those with whom Murdoch entered into explicit dialogue in her novels and philosophical writing including Immanuel Kant Simone Weil Dietrich Bonhoeffer Rudolph Bultmann Paul Tillich Don Cupitt Donald Mackinnon and Jacques Derrida This historic dialogue is however placed within a wider dialogue between literature and theology being conducted by the author and others are brought into relation with Murdoch in order to illuminate this more extensive conversation notably the poet Gerard Manley Hopkins and the feminist philosopher Julia Kristeva The book demonstrates that characteristic themes in Murdoch's novels and philosophy the love of the Good the death of the ego illusory consolations the death of God the modifying of the will by waiting the sublime and the beautiful and attention to other things and persons all take on a greater meaning when placed in the context of her life long conversation with theology The exploration of this context is deepened in this volume by reference to annotations and notes that Murdoch made in a number of theological books in her personal library *Iris Murdoch and Harry Weinberger* Rebecca Moden, 2023-03-03 The novelist and philosopher Iris Murdoch and the painter Harry Weinberger engaged in over twenty years of close friendship and intellectual discourse centred on sustained discussion of the practice teaching and morality of art This book presents a reappraisal of Murdoch's novels chiefly three mature novels *The Sea* 1978 *Nuns and Soldiers* 1980 and *The Good Apprentice* 1985 and two enigmatic late novels *The Green Knight* 1993 and *Jackson's Dilemma* 1995 which are perceived through the prism of her discourse with Weinberger It draws on a run of almost 400 letters from Murdoch to Weinberger and on Murdoch's philosophical writings Weinberger's private writings the remarks of both artists in interviews and other material relating to their views on art and art history much of which is unpublished and has received no previous critical attention Scrutiny of their shared values methods and the imagistic dialogue that takes place in their art provides original perspectives on Murdoch's creativity and new ways of understanding her experimentation with the visual arts This book offers a new line of enquiry into Murdoch's novels and into the relationship between literature and the visual arts *Why Iris Murdoch Matters* Gary Browning, 2018-08-23 In *Why Iris Murdoch Matters* Gary Browning draws on as yet unpublished archival material to present an unrivalled overview of Murdoch's work and thought Browning

argues for Murdoch's position amongst the key theorists of modern life and discusses in detail her engagement with the notion of late modernity. Her multiple perspectives on art, philosophy, religion, politics, and the self all relate to how she understands the nature of late modernity. Browning lucidly illustrates that through both her thought and fiction we can grasp the significance of issues that remain of paramount importance today: the possibilities of a moral life without foundations, the meaning of philosophy in a post-metaphysical age, the prospects of politics without ideological certainties, and the significance of art after realism. A totally original work arguing persuasively that Iris Murdoch not only matters but is absolutely central to how we think through the contemporary age. **Twentieth-Century Women Novelists** Thomas F. Staley, 1982-06-18

Language Lost and Found Niklas Forsberg, 2013-09-26 *Language Lost and Found* takes as its starting point Iris Murdoch's claim that we have suffered a general loss of concepts. By means of a thorough reading of Iris Murdoch's philosophy in the light of this difficulty, it offers a detailed examination of the problem of linguistic community and the roots of the thought that some philosophical problems arise due to our having lost the sense of our own language. But it is also a call for a radical reconsideration of how philosophy and literature relate to each other on a general level, and in Murdoch's authorship in particular. *The British and Irish Novel Since 1960* James Acheson, 1991-09-03 The essays in this collection survey the work of some of the most important British and Irish novelists of today. They not only consider afresh the work of novelists who established their reputations before 1960, such as Doris Lessing and William Golding, they also discuss the work of more recent novelists among them Kazuo Ishiguro, Angela Carter, and Graham Swift. The contributors are drawn from various parts of the English-speaking world and provide a variety of original perspectives on the novelists concerned.
