**Sacred Business** David Firth,1997      Shamans/neo-Shamans Robert J. Wallis,2003 Robert J Wallis explores the interface between the new and prehistoric shamans of popular culture and anthropology drawing on interviews with a variety of practitioners particularly contemporary pagans in Britain and north America      *Marketing - The Retro Revolution* Stephen Brown,2001-08-21 The rise of retro has led many to conclude that it represents the end of marketing that it is indicative of inertia ossification and the waning of creativity Marketing The Retro Revolution explains why the opposite is the case demonstrating that retro orientation is a harbinger of change and a revolution in marketing thinking In his engaging and lively style Stephen Brown shows that the implications of today s retro revolution are much more profound than the existing literature suggests He argues that just as retro marketing practitioners are looking to the past for inspiration so too students consultants and academics should seek to do likewise      **Consumer Value** Morris Holbrook,2002-03-11 As shoppers what factors influence our decision to purchase an object or service Why do we chose one product over another How do we attribute value as part of the shopping experience The theme of serving the customer and customer satisfaction is central to every formulation of the marketing concept yet few books attempt to define and analyse exactly what it is that consumers want In this provocative collection of essays Morris Holbrook brings together a team of the top US and European scholars to discuss an issue of great importance to the study of marketing and consumer behaviour This ground breaking interdisciplinary book provides an innovative framework for the study of consumer value which is used to critically examine the nature and type of value that consumers derive from the consumption experience efficiency excellence status esteem play aesthetics ethics spirituality Guaranteed to provoke debate and controversy this is a courageous individualistic and idiosyncratic book which should appeal to students of marketing consumer behaviour cultural studies and consumption studies      *Religion, Theology and the Human Sciences* Richard H. Roberts,2002 Religion Theology and the Human Sciences explores the religious consequences of the so called end of history and triumph of capitalism as they have impinged upon key institutions of social reproduction in recent times The book explores the imposition of managerial modernity upon successive sectors of society and shows why many people today feel themselves to be oppressed by systems of management that seem to leave them no option but to conform Richard Roberts seeks to challenge and outflank such seamless oppressive modernity through reconfiguration of the religious and spiritual field      The Spirit of Missions ,1898 Includes the proceedings of the annual meeting of the Society      The Young Man's Closet Library Robert Philip,1836      **The Gospel advocate, for promoting spiritual unity, ed. by A.J. Tice,2012-04-17 Higher education is an unlikely venue for showcasing ideals of femininity yet campus beauty pageants have increased in

popularity in a cultural marketplace conjoining personal empowerment with beauty and style Karen Tice examines the desires and racial and political agendas that propel students onto collegiate catwalks **The Mennonite** ,1925 **The Complete Works of C. H. Spurgeon, Volume 26** Spurgeon, Charles H., Volume 26 Sermons 1511 1574 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon Works Jonathan Edwards,1834 *The British National Bibliography* Arthur James Wells,1998 **Proceedings of the ...
