T. Wright,2008-02-05 For years Christians have been asking If you died tonight do you know where you would go It turns out that many believers have been giving the wrong answer It is not heaven Award winning author N T Wright outlines the present confusion about a Christian s future hope and shows how it is deeply intertwined with how we live today Wright who is one of today s premier Bible scholars asserts that Christianity s most distinctive idea is bodily resurrection He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community s hope in the bodily resurrection of all people at the end of the age Wright then explores our expectation of new heavens and a new earth revealing what happens to the dead until then and what will happen with the second coming of Jesus For many including many Christians all this will come as a great surprise Wright convincingly argues that what we believe about life after death directly affects what we believe about life before

Before God George W. Stroup, 2004 Many Christians today have experienced a loss of enormous significance they no longer understand their daily lives to be lived before God This timely work traces the development and implications of this loss and argues for its recovery In comparing contemporary Christians with believers of previous eras author George Stroup sees an eclipse of life lived before God This eclipse is tragic because the Bible presupposes human life as a daily personal relationship with God Stroup here offers help by exploring anew the biblical view that Jesus Christ models most clearly what life lived before God and neighbor looks like He then suggests that describing Christian life as gratitude naturally evokes a sense of life lived before God The book concludes by examining whether life before God requires a sense of God s presence and whether it is possible to live before God even in those times when he seems to be absent Offering thought provoking analysis of modern faith and sound direction for spiritual renewal Before God is perfect for churches study groups pastors and individuals pursuing genuine discipleship
