The Sacred Books of Confucius, and Other Confucian Classics Confucius, 1965 **Confucian Perfectionism** Joseph Chan, 2013-12-22 Since the very beginning Confucianism has been troubled by a serious gap between its political ideals and the reality of societal circumstances Contemporary Confucians must develop a viable method of governance that can retain the spirit of the Confucian ideal while tackling problems arising from nonideal modern situations The best way to meet this challenge Joseph Chan argues is to adopt liberal democratic institutions that are shaped by the Confucian conception of the good rather than the liberal conception of the right Confucian Perfectionism examines and reconstructs both Confucian political thought and liberal democratic institutions blending them to form a new Confucian political philosophy Chan decouples liberal democratic institutions from their popular liberal philosophical foundations in fundamental moral rights such as popular sovereignty political equality and individual sovereignty Instead he grounds them on Confucian principles and redefines their roles and functions thus mixing Confucianism with liberal democratic institutions in a way that strengthens both Then he explores the implications of this new yet traditional political philosophy for fundamental issues in modern politics including authority democracy human rights civil liberties and social justice Confucian Perfectionism critically reconfigures the Confucian political philosophy of the classical period for the contemporary era Inclusion or Exclusion in the Sacred Texts and Human Contexts Muhammad Shafiq, Thomas Donlin-Smith, 2024-10-25 This work delves into the fundamental issue of Otherness from both sacred texts and communal experiences While the title adopts the dyad of inclusion or exclusion these analyses broadly reflect nuanced critical considerations Filled with profound psychological theological sociological anthropological and ethical dimensions experiencing the Other is richly expressed within religious traditions This book is a must for scholars interested in a multi disciplinary approach to inclusivity and religion The Sacred Books of China, The Texts of Confucianism, 1879 *Theory and Practice of Adult and Higher Education* Victor C.X. Wang, 2016-10-01 A volume on Theory and Practice of Adult and Higher Education or Foundations of Adult and Higher Education will appeal to both our graduate students and faculty as so many of them have been taking courses in both program areas and have been concerned with their defined areas of expertise Although theories and practices in Adult Education and in Higher Education are being used interchangeably there is a lack of scholarly work that connects existing theories and practices across the two fields The proposed ground breaking volume will cover topics theories practices in both fields of Adult Education and of Higher Education and in doing so will bring to the fore the connections that make these two fields truly inseparable The proposed volume will therefore generate new knowledge to share among faculty graduate students and other researchers who practice not only in Adult Education but also in Higher Education *The Sacred Books of China*, 1879 **Sacred Texts Interpreted** Carl Olson, 2017-10-05 Covering the major monotheistic religions Christianity Judaism and Islam as well as selected Eastern religions and Bah Zoroastrianism and Mormonism this cross cultural book

idea of Confucianism as a world religion The book begins at Oxford in the late nineteenth century when Friedrich Max Müller and James Legge classified Confucianism as a world religion in the new discourse of world religions and the emerging discipline of comparative religion Anna Sun shows how that decisive moment continues to influence the understanding of Confucianism in the contemporary world not only in the West but also in China where the politics of Confucianism has become important to the present regime in a time of transition Contested histories of Confucianism are vital signs of social and political change Sun also examines the revival of Confucianism in contemporary China and the social significance of the ritual practice of Confucian temples While the Chinese government turns to Confucianism to justify its political agenda Confucian activists have started a movement to turn Confucianism into a religion Confucianism as a world religion might have begun as a scholarly construction but are we witnessing its transformation into a social and political reality With historical analysis extensive research and thoughtful reflection Confucianism as a World Religion will engage all those interested in religion and global politics at the beginning of the Chinese century
